The Modern Language Association (MLA) awarded the Lois Roth Award to John Woodsworth and Arkadi Klioutchanski of the University of Ottawa's Slavic Research Group for their translation of Sofia Andreevna Tolstaya's My Life memoirs. My Life was selected among the top 100 non-fiction works of 2010 by The Globe and Mail. It has also won an honourable mention in the Biography and Autobiography category of the 2010 American Publishers Awards for the Professional and Scholarly Excellence (PROSE) awards. And, finally, it made it into the Association of American University Presses' 2011 Book, Jacket and Journal Show. One hundred years after his death, Leo Tolstoy continues to be regarded as one of the world's most accomplished writers. Historically, little attention has been paid to his wife Sofia Andreevna Tolstaya. Acting in the capacity of literary assistant, translator, transcriber, and editor, she played an important role in the development of her husband's career. Her memoirs – which she titled My Life – lay dormant for almost a century. Now their first-time-ever appearance in Russia is complemented by an unabridged and annotated English translation. Tolstaya's story takes us from her childhood through the early years of her marriage, the writing of War and Peace and Anna Karenina and into the first year of the twentieth century. She paints an intimate and honest portrait of her husband's character, providing new details about his life to which she alone was privy. She offers a better understanding of Tolstoy's character, his qualities and failings as a husband and a father, and forms a picture of the quintessential Tolstoyan character which underlies his fiction. My Life also reveals that Tolstaya was an accomplished author in her own right—as well as a translator, amateur artist, musician, photographer, and businesswoman—a rarity in the largely male-dominated world of the time. She was actively involved in the relief efforts for the 1891–92 famine and the emigration of the Doukhobors in 1899. She was a prolific correspondent, in touch with many prominent figures in Russian and Western society. Guests in her home ranged from peasants to princes, from anarchists to artists, from composers to philosophers. Her descriptions of these personalities read as a chronicle of the times, affording a unique portrait of late-19th- and early-20th-century Russian society, ranging from peasants to the Tsar himself. My Life is the most important primary document about Tolstoy to be published in many years and a unique and intimate portrait of one of the greatest literary minds of all time. Through a series of imaginative approaches to movement and performance, choreographer Deborah Hay presents a profound reflection on the ephemeral nature of the self and the body as the locus of artistic consciousness. Using the same uniquely playful poetics of her revolutionary choreography, she delivers one of the most revealing accounts of what art creation entails and the ways in which the body, the center of our aesthetic knowledge of the world, can be regarded as our most informed teacher. *My Body, The Buddhist* becomes a way into Hay's choreographic techniques, a gloss on her philosophy of the body (which shares much with Buddhism), and an extraordinary artist's primer. The book is composed of nineteen short chapters ("my body likes to rest," "my body finds energy in surrender," "my body is bored by answers"), each an example of what Susan Foster calls Hay's "daily attentiveness to the body's articulateness."
