Railway Review Voyageur Press (MN)

Providing an overview of global railway networks and services, 'Railway Directory 2008' outlines current issues and provides accurate data on all of the world's major networks.

The Santa Fe Magazine

This book picks up where the previous two Classic American titles left off, focusing on the golden age of American railroading from 1945 to the early 1970s. It extends to the present day where applicable, providing a colorful look at locomotives, passenger and freight operations, development, and, in some cases, demise. Full color.
