When brand-
name product
guru Joey
Green tackles

a subject like home remedies, readers can be found reaching into their closets, cupboards, and pantries for their favorite products to cure what ails them. From relieving a migraine with Dole® Pineapple Chunks, treating stinky feet with Clearasil®, and soothing an insect bite with Colgate® Toothpaste, Joey Green's Magic Health Remedies is packed with reliable, user-friendly cures

for everything from acne and calluses to morning sickness and toothaches—121 conditions in all. Joey divulges that many products have special, never-before-revealed qualities not found on the label and, with a little ingenuity, can be used to treat minor health issues and conditions. There's compelling evidence for experimenting with off-label uses—like when hay fever strikes,

a little McCormick® Ground Turmeric in a glass of water brings relief in 15 minutes; the bioflavonoids in the spice are antioxidants that suppress histamine production. Who knew? Well, Joey knows and now he's bringing fast relief (and lots of fun) to health care at home!

The Dynamic Duo: Vinegar and Baking Soda Two-Volume Set
 Mayorline via PublishDrive
 In this

remarkable work, Rae Katherine Eighmey presents Franklin's delight and experimentation with food throughout his life. At age sixteen, he began dabbling in vegetarianism . In his early twenties, citing the health benefits of water over alcohol, he convinced his printing-press colleagues to abandon their traditional breakfast of beer and bread for "water gruel," a kind of tasty

porridge he enjoyed. Franklin is known for his scientific discoveries, including electricity and the lightning rod, and his curiosity and logical mind extended to the kitchen. He even conducted an electrical experiment to try to cook a turkey and installed a state-of-the-art oven for his beloved wife Deborah. Later in life, on his diplomatic missions--he lived fifteen years in England and

nine in France--Franklin ate like a local. Eighmey discovers the meals served at his London home-away-from-home and analyzes his account books from Passy, France, for insights to his farm-to-fork diet there. Yet he also longed for American foods; Deborah, sent over favorites including cranberries, which amazed his London kitchen staff. He saw food as key to understanding the

developing culture of the United States, penning essays presenting maize as the defining grain of America. Stirring the Pot with Benjamin Franklin conveys all of Franklin's culinary adventures, demonstrating that Franklin's love of food shaped not only his life but also the character of the young nation he helped build.

Joey Green's Magic Health Remedies

Smithsonian Institution

From removing tough kitchen stains and odors to buffing the Statue of Liberty, from dry-cleaning a dog to cleaning up the Hudson River, this incredibly practical, money-saving book shows how to perform hundreds of household chores and other tasks -- all with an under-a-buck box of baking soda.

Get this entire "Modern American Frugal Housewife" Series! Book #1: Home Economics Are you looking for ideas on how to lower your living expenses? Home Economics doesn't have to be difficult. Inspired by Lydia Maria Francis Child's 1833 book, "The American Frugal Housewife", this book is written for the MODERN American Frugal Housewife in mind. Includes: Tips

on how to lower insurance costs How to avoid bank fees How to reduce household costs How to cut your food expenses Live more on less! Includes money-stretching recipes like: homemade bread, homemade mayo, how to make at least 3 different meals out of 1 whole chicken, how to use rolled oats to make instant oats as well as recipes for homemade cleaning products!

Book #2: Organic Gardening Are you looking for ideas on how to lower your food costs or start a new hobby? Why not do both at the same time and start a mini backyard homestead and create an edible garden? Gardening is a wonderful activity and organic edible gardening is a thrifty way to help to reduce your food costs while providing you with healthy, nutritious food. Includes:

- Good herbs

and vegetables to plant for the frugal kitchen

- How to make your own compost and compost tea
- How to make organic pesticides
- Where to find cheap or free plants and seeds
- How to save seeds for future plantings
- Recipes Book #3: Moms Edition Are you are new or soon-to-be mommy looking for ideas on how to lower child-rearing costs? Having children is great but they can be

expensive if you don't watch your costs. Includes: • Ideas on how to save on pre-natal costs. • How to get free or cheap formula if you're not breastfeeding. • Reduce your chemical load - Includes recipes on how to make DIY personal care products like soap and lip balm. This book will also teach you extreme couponing techniques to get the best or even money making deals at stores like Target (for

food, diapers and more), Staples (for school supplies) and Kohl's (for clothes and household items). Bonus: An extra tip on where you can get BRAND NEW age-appropriate books sent to your child (under age 5) every month for FREE! Book #4: Emergency Prepping If you can survive in the arctic naked with nothing but a paperclip, this book is not for you. If you can kill a grizzly bear with your

bare hands, this book is not for you. If you're planning for a Zombie Apocalypse or the next Ice Age, this book is not for you. If you're just a regular person looking for practical realistic emergency bug-in prepping tips, ideas and tactics that you can use TODAY, this book IS for you. How can you replace gallons of chlorine bleach (for water treatment) with just 1lb of this

chemical? How do you ration water when supply is limited? How can you stop bleeding with an easy-to-grow plant? How can you develop the best defense in a bug-in situation for little monetary cost? Get all these questions answered and more. Written by a homesteader, this book offers practical bug-in frugal prepping ideas with the regular Joanne (or Joe) in mind. It cuts

through general prepper paranoia and offers sustainable, frugal tips on how to make yourself more resilient even if TEOTWAWKI (the end of the world as we know it) never comes.

Baking Soda Wonder
National Geographic Books
Provides information on the manufacture of a variety of items, from everyday household products to heavy machinery to sophisticated

electronic equipment. Includes step-by-step descriptions of processes and simple explanations of technical terms and concepts. Covers a broad range of manufacturing areas including: food, clothing, electronics, transportation, machinery, instruments, sporting goods, and more.

Solve It with Salt
PublishDrive
An incredibly versatile substance, bicarbonate of soda also

known as baking soda has an enormous variety of practical uses. It is a valuable commodity in the world of glass and soap manufacturing , it is a necessary ingredient in the making of gingerbread, and the Ancient Egyptians used it in the preparation of their mummies. This book sets out to pull together a number of facts some whimsical, some serious about

bicarbonate of soda. It includes a chapter on the uses of bicarbonate of soda throughout history, from cleaning cuts and making toothpaste to leavening bread and creating fizzy drinks. There are helpful suggestions concerning how best to consume bicarbonate of soda, whether used as an ingredient in a recipe or for medicinal purposes. It can also be used for cleaning in the kitchen,

bathroom, laundry and outdoors and for deodorizing pet smells and controlling household pests. With the help of this book, you will be surprised just how versatile bicarbonate of soda really is. *Baking Soda Power! Frugal and Natural* Rodale Books From the guru of brand-new uses for brand-name products come ideas and tips for culinary fun, cleaning shortcuts, and kitchen cabinet

remedies Joey Green has fascinated readers for more than a decade with his quirky and innovative tips to make domestic engineering a lot more fun. Now fans will be completely intrigued and entertained by Joey's kitchen- and pantry-focused ideas, like using Canada Dry Club Soda to buff stainless steel appliances and flexible fabric Band-Aids as labels for frozen foods. Filled with time- and money-saving

ideas, Joey Green's Kitchen Magic offers clever ways to make household items do double duty, like using ReaLemon for revitalizing wilted asparagus, L'eggs Panty Hose (clean, of course) for removing corn silk, and Oral-B Dental Floss for slicing layer cake. He shares unusual ideas for kitchen troubles, like stirring in Jif Peanut Butter to save burnt gravy and using Efferdent to clean the

coffeepot. Joey even tosses in home remedies from the kitchen (soothe a blister with Carnation Nonfat Dry Milk) and simple recipes (try Slow-Cooker Brisket with a Coca-Cola marinade). Whether it's a quick fix (Eggo Waffles for hot dog buns, anyone?) or an emergency substitution (Bounty Paper Towel for a coffee filter), there are loads of useful and entertaining tips for

making the most of brand-name purchases.

The Natural Apothecary: Baking Soda

Rodale
75 ways to make life easier—with baking soda

Cleaning
MBM Books
A pocket guide to harnessing the power of bicarbonate of soda to use as a home remedy, beauty aid and household resource. Not just for cakes, bicarbonate of soda has long been recognised as a hero ingredient for anyone looking to make their own eco-friendly cleaners and beauty products. Made up of tiny crystals, bicarb's natural

structure makes it the perfect gentle abrasive for home cleaning, and its natural antacid properties are ideal for tackling heartburn or creating antibacterial cosmetics at home. With our increasing awareness of reducing exposure to chemicals and the importance of keeping things natural, as well as the ever-growing realization of the environmental impact of disposable

plastic packaging, there has never been a better time to go back to basics, embrace natural ingredients and regain control of what we are putting in our homes and on our bodies. The Natural Apothecary: Bicarbonate of Soda opens by exploring what bicarbonate of soda is made up of, and how it can be both naturally occurring and manufactured. The following pages are broken into

sections on home, health and beauty, containing over 40 simple recipes for all-natural, home-made products that allow you to utilize the power of bicarbonate of soda with ease; make a soothing drink to ease indigestion, an all-natural exfoliating scrub to smooth your skin, or a simple but effective stain remover to leave your clothes looking like new. *The Miracle of Baking Soda*
