The Triumph of Odysseus is part of the highly successful Reading Greek series. It presents the complete Greek text of Books 21 and 22 of Homer's Odyssey, faced with a running vocabulary with notes, and followed at the back of the book by a learning vocabulary. It is modelled on the two existing readers: A World of Heroes (1979) and The Intellectual Revolution (1980), and like them is fully illustrated. It makes an excellent introduction to Homer for those new to him, and provides accessible and confidence-building follow-up reading for others. The book can be used by anyone who has completed Reading Greek or is at an intermediate or advanced stage of ancient Greek, and it is ideal for use with students in the upper forms of schools, at university and in summer schools and weekend courses.

The Life of Marcus Tullius Cicero Walter de Gruyter

Warning: This erotica contains scenes and elements that may be disturbing to some readers. Please review the full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of

hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.

To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.

The SAGE Guide to Educational Leadership and Management

Springer Science & Business Media

The SAGE Encyclopedia of Educational Leadership and Administration presents the most recent theories, research,

terms, concepts, ideas, and histories on educational leadership and school administration as taught in preparation programs and practiced in schools and colleges today. With more than 600 entries, written by more than 200 professors, graduate students, practitioners, and association officials, the two volumes of this encyclopedia represent the most comprehensive knowledge base of educational leadership and school administration that has, as yet, been compiled.

The SAGE Guide to Educational Leadership and Management allows readers to gain knowledge of educational management in practice while providing insights into challenges facing educational leaders and the strategies, skills, and techniques needed to enhance administrative performance. This guide emphasizes the important skills that effective leaders must develop and refine, including communication, developing teams, coaching and motivating, and managing time and priorities. While being brief, simply written, and a highly practical overview for individuals who are new to this field, this reference guide will combine practice and research, indicate current issues and directions, and choices that need to be made. Features & Benefits: 30 brief, signed chapters are organized in 10 thematic parts in one volume available in a choice of electronic or print formats designed to enable quick access to basic information. Selective boxes enrich and support the narrative chapters with case examples of effective leadership in action. Chapters conclude with bibliographic endnotes and references to further readings to guide students to more in-depth presentations in other published sources. Back matter includes an annotated listing of organizations, associations, and journals focused on educational leadership and administration and a detailed index.

This reference guide will serve as a vital source of knowledge to any students pursuing an education degree as well as for individuals interested in the subject matter that do not have a strong foundation of the topic.

An Epitome of Grecian Antiquities Springer

*Affective Health and Masculinities in South Africa* explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the

social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. Western literary study flows out of eighteenth-century works by Alexander Pope, Daniel Defoe, Henry Fielding, Frances Burney, Denis Diderot, Johann Gottfried Herder, Johann Wolfgang von Goethe, and others. Experience the birth of the modern novel, or compare the development of language using dictionaries and grammar discourses. ++++ The below data was compiled from various identification fields in the bibliographic record of this title.

War and Economy in the Third Reich examines the nature of the German economy in the 1930s and the Second World War. Richard Overy's essays, collected here for the first time with a substantial new introduction, explore the tension between Hitler's vision of an armed economy and the reality of German economic and social life. Often thought-provoking, always informed, War and Economy opens a window on an essential aspect of Hitler's Germany.
