Cassell's Latin Dictionary Univ of California Press

Class-tested and coherent, this textbook teaches classical and web information retrieval, including web search and the

related areas of text classification and text clustering from basic concepts. It gives an up-to-date treatment of all aspects of the design and implementation of systems for gathering, indexing, and searching documents; methods for evaluating systems; and an introduction to the use

of machine learning methods on text collections. All the important ideas are explained using examples and figures, making it perfect for introductory courses in information retrieval for advanced undergraduates and graduate students in computer science. Based on feedback from extensive classroom experience, the book has been carefully structured in order to make teaching more natural and effective. Slides and additional exercises (with solutions for lecturers) are also available through the book's supporting website to help course instructors prepare their lectures.

"The perceptions of the role of women and men in families have changed over the past few decades. Men are no longer

perceived as the economic providers to families. The role of men in the family has undergone many "diverse demographic, socio-economic and cultural transformations" impacting the formation, stability and overall well-being of families. In light of this development, DESA's Division for Social Policy and Development (DSPD) launched a new publication on "Men in Families and Family Policy in a Changing World" on 17 February focusing on the shifting roles and views of men in families."--Provided by publisher.

In this thought-provoking and playful short story collection, David Foster Wallace nudges at the boundaries of

fiction with inimitable wit and seductive intelligence. Wallace's stories present a world where the bizarre and the banal are interwoven and where hideous men appear in many guises. Among the stories are 'The Depressed Person,' a dazzling and blackly humorous portrayal of a woman's mental state; 'Adult World,' which reveals a woman's agonized consideration of her confusing sexual relationship with her husband; and 'Brief Interviews with Hideous Men,' a dark, hilarious series of imagined interviews with men on the subject of their relations with women. Wallace delights in leftfield observation, mining the absurd, the surprising, and the illuminating from every situation. This collection will enthrall DFW fans, and provides a perfect introduction for new readers.

*Dictionnaire universel contenant généralement tous les mots français tant vieux que modernes, et les termes de toutes les sciences et des arts* Lulu.com -- Uses the stress-adaptation model as its conceptual framework -- The latest classification of psychiatric disorders in DSM IV -- Access to 50 psychotropic drugs with client teaching guidelines on our website -- Each chapter based on DSM IV diagnoses includes tables with abstracts describing recent research studies pertaining to specific psychiatric diagnoses -- Within the DSM IV section, each chapter features a table with guidelines for client/family education appropriate to the specific diagnosis -- Four new chapters: Cognitive Therapy, Complementary Therapies, Psychiatric Home Health Care, and Forensic Nursing

Dictionnaire François Et italien United Nations Publications

A study of the migration patterns that characterized the colony and (later) state of Virginia over the three century history following its European founding. Dividing the topic into three patterns-- migration to, within, and from Virginia-- Fischer (history, Brandeis U) and Kelly (Virginia Historical Society) study the reasons behind the migrations of various populations, paying special attention to

African Americans, and explore the cultural legacy of the migrations. Annotation copyrighted by Book News, Inc., Portland, OR  
*China Major Manufacturers* University of Virginia Press  
*Social Work with Groups: Mining the Gold* examines a wide array of varieties of social group work practice, from corrections through empowerment and international issues. It explores ways to deal with youth violence (following the shootings at Columbine High School), issues of social exclusion, empowerment practice, groups in correctional settings, group work practice with seniors, gender diversity, multicultural groups, teleconferencing groups, and education for social work group practice. Every chapter of this timely and important

volume reflects the "gold" to be mined in the use of groups in social work.  
*Bound Away* Psychology Press  
First published in 1998. Routledge is an imprint of Taylor & Francis, an information company.  
*Text Mining* SAGE Publications  
Online communities generate massive volumes of natural language data and the social sciences continue to learn how to best make use of this new information and the technology available for analyzing it. *Text Mining: A Guidebook for the Social Sciences* brings together a broad range of contemporary qualitative and quantitative methods to provide strategic and practical guidance on analyzing large text collections. This accessible book, written by sociologist Gabe Ignatow and computer scientist

Rada Mihalcea, surveys the fast-changing landscape of data sources, programming languages, software packages, and methods of analysis available today. Suitable for novice and experienced researchers alike, the book will help readers use text mining techniques more efficiently and productively.

The Practical Standard Dictionary of the English Language Psychology Press  
High school and the difficult terrain of sexuality and gender identity are brilliantly explored in this smart, incisive ethnography. Based on eighteen months of fieldwork in a racially diverse working-class high school, *Dude, You're a Fag* sheds new light on masculinity both as a field of meaning and as a set of social practices. C. J. Pascoe's unorthodox

approach analyzes masculinity as not only a gendered process but also a sexual one. She demonstrates how the "specter of the fag" becomes a disciplinary mechanism for regulating heterosexual as well as homosexual boys and how the "fag discourse" is as much tied to gender as it is to sexuality.
