Semantic Primes and  
Universal Grammar  
Cambridge University

Press  
Presents information on a  
number of obscene words  
in different languages  
around the world, offering  
advice on how and when  
to use them in foreign

countries.  
**Redesigning English**  
Collins  
'I was born on a bloody  
road. The blood was my  
mother's. My sisters  
couldn't find a midwife in

time. There was no way my mother could get relief from the upper-caste well, and so they tell me, that my sisters ran to some puddles to fill their little mouths up and then ran back to where my mother was almost dying of pain and then spat out some water on her face and the rest down below on mine. That is how I came into this world.' Someone is disposing of politicians one by one. And the murderer has borrowed from the genius of Agatha Christie. When a local

Mumbai politician is found wrapped in a plastic bag behind a park bench, the dashing and capable DIG Ajay Biswas is told to take over the case. Ajay arrives in Mumbai along with his wife Aparajita and soon discovers he is being misled by his Mumbai compatriots who are determined to save their own skin. Someone is deliberately providing false leads; his presence is not wanted. While in Mumbai, Ajay and Aparajita meet up with their old college friend Akhil Sukumar. Akhil and

Aparajita have had a tortuous history, and it appears that the one-time lovers now want nothing more than to let bygones be bygones. Easier said. From the barren lands of rural India to the immaculate lawns of Cambridge, *The Rat Eater* is a book whose uninhibitedness may offend purists as it lays bare a few uncomfortable truths about India-a country entangled in a web of caste, corruption and cover-ups. The privileged flourish at the cost of the oppressed. The

price has to be paid, and someone has decided that it needs to be paid in blood.

Collins Easy Learning Italian Dictionary Penguin

This new edition of the 'Concise Oxford-Paravia Italian Dictionary' offers authoritative coverage of 180,000 words and phrases, and 290,000 translations.

*Hide This Italian Book* Psychology Press

Learn the slang words, modern phrases, and curses they definitely never taught you in Italian class with this super-

handy and hilariously improper English-Italian phrasebook. You already know enough Italian to get by, but you want to be able to tell those inside jokes, greet your friends in a laid-back manner, and casually pick someone up at a bar. From "What's up?" to "Wanna go home with me?" Dirty Italian will teach you how to speak like you're a regular on the streets of Milan or Rome. But you'll also discover material that goes beyond a traditional phrasebook, including:

Hilarious insults  
Provocative facts  
Explicit swear words  
Themed Italian cocktails  
And more!  
Next time you're traveling or chatting with your Italian friends, pick up this book, drop the textbook formality, and get dirty!

**27000 English-Italian Words Dictionary With Definitions** Ulysses Press

This volume is part of a research program which started with the publication, in 1972, of Anna Wierzbicka's groundbreaking work on Semantic Primitives. The

first within the program to focus on a number of typologically similar languages, it proposes a French, Spanish, Portuguese and Italian version of the Natural Semantic Metalanguage (NSM) elaborated over the years by Wierzbicka and colleagues. Repetition is avoided through teamwork: a number of authors working on the languages under examination have had equal input in a set of five papers dealing with distinct parts of the metalanguage. Some of

the findings presented here invite us to have a fresh look at what has already been achieved, and to amend some of the working hypotheses of the NSM approach accordingly. The volume also contains six case studies (on Italian *sfogarsi*, Portuguese *saudades*, Spanish *crisis*, French *certes*, Spanish expressions of sincerity and Italian and Spanish diminutives, respectively).

### **Catalan Dictionary**

Routledge

This 2002 book is a guide to Italian usage for

students who have already acquired the basics of the language and wish to extend their knowledge. Unlike conventional grammars, it gives special attention to those areas of vocabulary and grammar which cause most difficulty to English-speakers. Careful consideration is given throughout to questions of style, register, and politeness which are essential to achieving an appropriate level of formality or informality in writing and speech. It surveys the contemporary

linguistic scene in Italy and gives ample space to the new varieties of Italian that are emerging in modern Italy. The influence of the dialects in shaping the development of Italian is also acknowledged. Clear, readable and easy to consult via its two indexes, this is an essential reference for learners seeking access to the finer nuances of the Italian language.

*Dirty Italian: Third Edition*  
Troubador Publishing Ltd  
Carmine Angelo Scarpelli,  
a tormented widower and

devoted father and grandfather, was the respected head of a New York crime family, which he ran from his backroom office in the Bronx pizzeria and from his vacation home in Lower Saranac Lake, New York. With the blessing of the Columbian drug lord, Santiago Garcia, Scarpelli's largest criminal enterprise was moving pure cocaine from Colombia, South America, to New York then further on to Boston forcing the blackmailed chairman of the House Intelligence

Committee, Congressman Jonathan Burnham to front the distribution point: the Brooklyn wholesale fruit warehouse. Scarpelli didn't stop there. He knew enough about the congressman's son, Johnny Burnham, a DEA Special Agent in the Manhattan Division DEA interdiction team, headed by Special Agent in Charge, Jack Finch, to turn Johnny into an informant for the Scarpelli family's local drug operations. But like Finch, Scarpelli also had a problem: a DEA informant within his own

family. How both men were to solve both problems so that Finch's career would be saved; and Scarpelli's operations would continue to succeed, that was the question.

Harrap's New Standard French and English Dictionary: J-Z Nam H Nguyen

This book foregrounds the ideas of an important European pedagogue whose writings provide insights for a critical social justice oriented approach to education. Lorenzo Milani has all the

credentials to be regarded as potentially a key source of inspiration for critical pedagogy. Milani's approach to education for social justice gives importance to a number of issues, notably social class issues, race issues especially with his critique of North-South relations and cultural/technological transfer, the collective dimension of learning and action (emphasis is placed on reading and writing the word and the world collectively), student-teachers and teacher-students (a remarkable

form of peer tutoring), reading and responding critically to the media (newspapers), the existential basis of one's learning (from the occasional to the profound motive) and the fusion of academic and technical knowledge. There is also an anti-war pedagogy that emerges from his defence of the right to 'conscientious objection' with its process of reading/teaching history against the grain. There is much in the work of Milani and his students to provide the basis for a

process of schooling that serves as an antidote to the prevailing contemporary system, a system which gives pride of place to testing, standardization, league tables and vouchers. -- Peter Mayo, University of Malta

**Babel** Simon and Schuster

A rebranded edition of this acclaimed dictionary - the ideal choice for beginners of any age. This first edition of the market-leading Collins Easy Learning Italian Dictionary provides beginners of

Italian with the easiest way to learn the language.

*The Rat Eater* Bloomsbury Publishing

*Italian* Peter Lang  
Sipping espresso at a sidewalk cafe... Toasting a pint of birra in the piazza... Cheering for Azzurri at lo Stadio Olimpico... Drop the

textbook formality and chat with the locals in Italy's everyday language.; What's up? Che c'e?; I'm so plastered. Sono demolito/a.; Do you wanna cuddle? Vuoi coccolarci?; Nice body! Che corpo!; I'm friggin' starving. Ho una fame da morti.; Hey ref, you're a moron! Arbitro cretino!

**The Oxford Handbook of Negation** DACCO Team

The popular and critically acclaimed translation of Dante's Divine Comedy into English was carried out by the Anglican

Reverend H. F. Cary. He has an honoured place in the rediscovery of Dante's masterpiece in Romantic Britain. Shelley, Byron, Wordsworth and Coleridge lavished praise upon his translation and it was through Cary's *The Vision of Dante* that the beauty and intricacies of the Italian poem. The book examines crucial aspects of British culture in the 19th Century and throws light on the manifold transformations of Dante's imagery into English poetry. Language and Power in

the Modern World Oxford University Press  
In this volume, international experts in negation provide a comprehensive overview of cross-linguistic and philosophical research in the field, as well as accounts of more recent results from experimental linguistics, psycholinguistics, and neuroscience. The volume adopts an interdisciplinary approach to a range of fundamental questions ranging from why negation displays so many distinct linguistic

forms to how prosody and gesture participate in the interpretation of negative utterances. Following an introduction from the editors, the chapters are arranged in eight parts that explore, respectively, the fundamentals of negation; issues in syntax; the syntax-semantics interface; semantics and pragmatics; negative dependencies; synchronic and diachronic variation; the emergence and acquisition of negation; and experimental investigations of negation.

The volume will be an essential reference for students and researchers across a wide range of disciplines, and will facilitate further interdisciplinary work in the field.

**What They Didn't Teach You in Italian**

**Class** Cambridge Scholars Publishing

Concerned about sanitation during a severe bout of plague in Milan, Leonardo da Vinci designed an ideal, clean city. Leonardo was far from alone among his contemporaries in

thinking about personal and public hygiene, as Douglas Biow shows in *The Culture of Cleanliness in Renaissance Italy*. A concern for cleanliness, he argues, was everywhere in the Renaissance. Anxieties about cleanliness were expressed in literature from humanist panegyrics to bawdy carnival songs, as well as in the visual arts. Biow surveys them all to explain why the topic so permeated Renaissance culture. At one level, cleanliness, he documents, was a matter

of real concern in the Renaissance. At another, he finds, issues such as human dignity, self-respect, self-discipline, social distinction, and originality were rethought as a matter of artistic concern. *The Culture of Cleanliness* in Renaissance Italy moves from the clean to the unclean, from the lofty to the base. Biow first examines the socially elevated, who defined and distinguished themselves as clean, pure, and polite. He then turns to soap, an increasingly common

commodity in this period, and the figure of the washerwoman. Finally he focuses on latrines, which were universally scorned yet functioned artistically as figures of baseness, creativity, and fun in the works of Dante and Boccaccio. Paralleling this social stratification is a hierarchy of literary and visual artifacts, from the discourse of high humanism to filthy curses and scatological songs. Deftly bringing together high and low—as well as literary and visual—cultures, this book

provides a fresh perspective on the Italian Renaissance and its artistic legacy.

**Merda!** Bloomsbury Publishing  
Leonardi analyses and evaluates the problems that may arise from ideology-driven shifts in the translation process as a result of gender differences. First she offers a theoretical background, draws up an analytic checklist of linguistic tools and states the main hypothesis, then she tests the hypothesis with four empirical

analyses.

Learning and Social Difference Simon and Schuster

Presents slang, expressions, and obscenities in both languages that can be used in situations such as parties, sporting events, entertainment venues, restaurants, and bars.

#### **Phrasebook: Italian**

Rough Guides

At last, a humorous, uncensored language guide to the colorful slang and rude colloquialisms that are so essential to a true understanding of

everyday Italian. For the first time, all those words and phrases that were deemed off-color for the classroom are included in one volume.

### **The Shit/La Merda**

Penguin

Including a range of photocopiable activities and source materials, this teacher's text offers advice on how to use them in conjunction with the student's reading of *Silas Marner* in order to engage their interest and develop a thorough understanding of George Eliot's language and

themes. It is fully assessed by the Basic Skills Agency to ensure maximum readability and accessibility. The accompanying student book is a carefully edited text with a cartoon-strip format to link important passages, bringing to life one of the great classics and making it accessible to students of all abilities. *Sin and Filth in Medieval Culture* Penguin This book explores key areas of modern society in which language is used to form power and social relations. These are

presented in five sections: Language and the Media, Language and Organisations, Language and Gender, Language and Youth, Multilingualism, Identity and Ethnicity. With a unique combination of selected readings and student-centred tasks in a single volume, the book covers contemporary issues in language and power, ranging from the global to the interpersonal. Each area - and each reading chosen

to explore it - is substantially contextualised and discussed through a detailed introduction and then followed up with related activities. Each section comprises: \*a substantial, specific introduction which draws students' attention to key themes and issues relevant to its topic; \*a set of four or five selected readings which encourages students to locate critically these issues in context; \*a task,

or set of tasks, obliging students to undertake 'hands-on' linguistic analysis of data and engage in more sophisticated discussion of pertinent issues. \*In-depth exploration of a variety of approaches to the study of language and power \*Unique combination of advanced readings, student-centred tasks and editorial guidance \*Hands-on activities at the end of each chapter
