## ROSA ANGELINA

---

*Please Kill Me* Grand Central Publishing

A rollicking, no-holds-barred memoir, "The Jokes Over" is the definitive inside story of Hunter S. Thompson and the Gonzo years.

**Savage Journey** Penguin Classics

A seminal work and examination of the psychopathology of journalism. Using a strange and unprecedented lawsuit by a convicted murderer against the journalist who wrote a book about his crime, Malcolm delves into the always uneasy, sometimes tragic relationship that exists between journalist and subject. Featuring the real-life lawsuit of Jeffrey MacDonald, a convicted murderer, against Joe McGinniss, the author of *Fatal Vision*. In Malcolm's view, neither journalist nor subject can avoid the moral

impasse that is built into the journalistic situation. When the text first appeared, as a two-part article in *The New Yorker*, its thesis seemed so radical and its irony so pitiless that journalists across the country reacted as if stung. Her book is a work of journalism as well as an essay on journalism: it at once exemplifies and dissects its subject. In her interviews with the leading and subsidiary characters in the MacDonald-McGinniss case -- the principals, their lawyers, the members of the jury, and the various persons who testified as expert witnesses at the trial -- Malcolm is always aware of herself as a player in a game that, as she points out, she cannot lose. The journalist-subject encounter has always troubled journalists, but never before has it been looked at so unflinchingly and so ruefully. Hovering over the narrative -- and always on the edge of the reader's consciousness -- is the MacDonald murder case itself, which imparts to the book an atmosphere of anxiety and uncanniness. The Journalist and

the Murderer derives from and reflects many of the dominant intellectual concerns of our time, and it will have a particular appeal for those who cherish the odd, the off-center, and the unsolved.

*Ancient Gonzo Wisdom* Vintage

Hell's Angels: A Strange and Terrible Saga: A Strange and Terrible Saga by Hunter S. Thompson: Conversation Starters Gonzo journalist Hunter S. Thompson vividly recounts his experiences with the most notorious motorcycle gang in California - Hell's Angels. Back in the mid-1960s, Thompson lived for almost two years with the controversial Angels. They cycle up and down the California coast, they revel in their clan's anarchic spirit and as their name befits, they raise hell. Hell's Angels: A Strange and Terrible Saga of the Outlaw Motorcycle Gangs successfully captures a moment in American history, the beginning of the biker lifestyle. Such countercultural movements were horrifying to America then. Hell's Angels were first published in 1967 and are still the most gripping and the best account that we have about the truth behind this American legend. The New York Times Book Review says that Thompson's language is brilliant and he "has presented us with a close view of a world most of us would... A Brief Look Inside: EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to... Create Hours of Conversation: - Promote an atmosphere of discussion for groups - Foster a deeper understanding of the book - Assist in the

study of the book, either individually or corporately - Explore unseen realms of the book as never seen before Disclaimer: This book you are about to enjoy is an independent resource meant to supplement the original book. If you have not yet read the original book, we encourage you to before purchasing this unofficial Conversation Starters.

The Journalist and the Murderer Simon and Schuster

The Hell's Angels erupted into 1960s America, paralysing whole towns with fear. Determined to discover the truth behind the terrifying reputation of these marauding biker gangs, Hunter S. Thompson spent a year on the road with the Angels, documenting his hair-raising experiences with Charger Charley, Big Frank, Little Jesus and The Gimp. Hell's Angels was the result: a masterpiece of underground reportage whose free-wheeling, impressionistic style created the legend of Gonzo journalism, and made Thompson's name as the wild man of American writing.

*Screwjack* Penguin Books Limited

From the king of "Gonzo" journalism and bestselling author who brought you Fear and Loathing in Las Vegas comes another astonishing volume of letters by Hunter S. Thompson. Brazen, incisive, and outrageous as ever, this second volume of Thompson's private correspondence is the highly anticipated follow-up to *The Proud Highway*. When that first book of letters appeared in 1997, Time pronounced it "deliriously entertaining"; Rolling Stone called it "brilliant beyond description"; and The New York Times celebrated its "wicked humor and bracing political conviction." Spanning the years between 1968 and 1976, these never-before-published letters show Thompson building his legend: running for sheriff in Aspen, Colorado; creating the

seminal road book *Fear and Loathing in Las Vegas*; twisting political reporting to new heights for *Rolling Stone*; and making sense of it all in the landmark *Fear and Loathing on the Campaign Trail '72*. To read Thompson's dispatches from these years—addressed to the author's friends, enemies, editors, and creditors, and such notables as Jimmy Carter, Tom Wolfe, and Kurt Vonnegut—is to read a raw, revolutionary eyewitness account of one of the most exciting and pivotal eras in American history.

*Deep South* Vintage

Narrated by the visionary founding member, Hell's Angel provides a fascinating all-access pass to the secret world of the notorious Hell's Angels Motorcycle Club. Sonny Barger recounts the birth of the original Oakland Hell's Angels and the four turbulent decades that followed. Hell's Angel also chronicles the way the HAMC revolutionized the look of the Harley-Davidson motorcycle and built what has become a worldwide bike-riding fraternity, a beacon for freedom-seekers the world over. Dozens of photos, including many from private collections and from noted photographers, provide visual documentation to this extraordinary tale. Never simply a story about motorcycles, colorful characters, and high-speed thrills, Hell's Angel is the ultimate outlaw's tale of loyalty and betrayal, subcultures and brotherhood, and the real price of freedom.

*Fear and Loathing at Rolling Stone* Melville House

*High White Notes* is the first in-depth analysis of the complete writings of Hunter S. Thompson, whose Gonzo journalism was an odd fusion of fact and fiction that garnered widespread adoration but perhaps for all the wrong reasons.

**Hunter S. Thompson Gonzo** Lyle Stuart

Hunter S. Thompson was so outside the box, a new word was invented just to define him: Gonzo. He was a journalist who mocked all the rules, a hell-bent fellow who loved to stomp on his own accelerator, the writer every other writer tried to imitate. In these brutally candid and very funny interviews that range across his fabled career, Thompson reveals himself as mad for politics, which he thought was both the source of the country's despair and, just maybe, the answer to it. At a moment when politics is once again roiling America, we need Thompson's guts and wild wisdom more than ever.

*A Conservationist Manifesto* Ballantine Books

The travel writer Paul Theroux turns his unflinching eye on an American South too often overlooked. He finds there a paradoxical place, full of incomparable music, unparalleled cuisine, and yet also some of the nation's worst schools, housing, and unemployment rates. On road trips spanning four seasons, wending along rural highways, Theroux visits gun shows and small-town churches, laborers in Arkansas, and parts of Mississippi where they still call the farm up the road 'the plantation.' He talks to mayors and social workers, writers and reverends, the working poor and farming families ... the unsung heroes of the south, the people who, despite it all, never left, and also those who returned home to rebuild a place they could never live without

*Kalki* Vintage

The stories in this collection explore the complex worlds of lovers, poets, lawyers, immigrants, students, and murderers. They tell of corporate betrayals and lost opportunities, and of the obsessions,

hopes, fears, and vagaries of desire.

*Hey Rube* Simon and Schuster

Now in paperback, this first oral history of the most nihilistic of all pop movements brings the sound of the punk generation chillingly to life with 50 new pages of depraved testimony.

"Please Kill Me" reads like a fast-paced novel, but the tragedies it contains are all too human and all too real. photos.

*Fear and Loathing* Blurb

Bestselling author Gore Vidal joins the ranks of Penguin Classics. To satisfy a public that longs for a savior, Vidal's eponymous hero of KALKI, born and bred in America's Midwest, establishes himself in Nepal, puts out the word that he is the last incarnation of the god Vishnu, and predicts an imminent apocalypse meant to cleanse the planet.

*Hells Angels* A&C Black

Not since Hunter Thompson's seminal *Hells Angels: A Strange & Terrible Saga of the Outlaw Motorcycle Gangs* in 1967 has there been such a thorough account of the Angels. This book documents the gang's bumpy ride from its origins as a Stateside club for WWII fighter pilots to its freewheeling terror tactics of the early sixties, to its absurd flirtation with the hippie scene, to its current status as one of the most powerful underground organisations in North America, rivalling even the Mafia.

*Hell's Angels* Houghton Mifflin Harcourt

Here, for the first time, is the private and most intimate correspondence of one of America's most influential and incisive journalists--Hunter S. Thompson. In letters to a Who's Who of luminaries from Norman Mailer to Charles Kuralt, Tom Wolfe to Lyndon Johnson, William Styron to Joan Baez--not to mention his

mother, the NRA, and a chain of newspaper editors--Thompson vividly catches the tenor of the times in 1960s America and channels it all through his own razor-sharp perspective.

Passionate in their admiration, merciless in their scorn, and never anything less than fascinating, the dispatches of *The Proud Highway* offer an unprecedented and penetrating gaze into the evolution of the most outrageous raconteur/provocateur ever to assault a typewriter.

*Outlaw Journalist: The Life and Times of Hunter S. Thompson*  
Little, Brown

The story of Hunter S. Thompson's crusade against Richard Nixon and the threat of fascism in America--and the devastating price he paid for it Hunter S. Thompson is often misremembered as a wise-cracking, drug-addled cartoon character. This book reclaims him for what he truly was: a fearless opponent of corruption and fascism, one who sacrificed his future well-being to fight against it, rewriting the rules of journalism and political satire in the process. This skillfully told and dramatic story shows how Thompson saw through Richard Nixon's treacherous populism and embarked on a life-defining campaign to stop it. In his fevered effort to expose institutional injustice, Thompson pushed himself far beyond his natural limits, sustained by drugs, mania, and little else. For ten years, he cast aside his old ambitions, troubled his family, and likely hastened his own decline, along the way producing some of the best political writing in our history.

This timely biography recalls a period of anger and derangement in American politics, and one writer with the guts to tell the truth.

*Ancient Gonzo Wisdom* PublicAffairs

First published in 1990, *Songs of the Doomed* is back in print -- by

popular demand! In this third and most extraordinary volume of the Gonzo Papers, Dr. Hunter S. Thompson recalls high and hideous moments in his thirty years in the Passing Lane -- and no one is safe from his hilarious, remarkably astute social commentary. With Thompson's trademark insight and passion about the state of American politics and culture, *Songs of the Doomed* charts the long, strange trip from Kennedy to Quayle in Thompson's freewheeling, inimitable style. Spanning four decades -- 1950 to 1990 -- Thompson is at the top of his form while fleeing New York for Puerto Rico, riding with the Hell's Angels, investigating Las Vegas sleaze, grappling with the "Dukakis problem," and finally, detailing his infamous lifestyle bust, trial documents, and Fourth Amendment battle with the Law. These tales -- often sleazy, brutal, and crude -- are only the tip of what Jack Nicholson called "the most baffling human iceberg of our time." *Songs of the Doomed* is vintage Thompson -- a brilliant, brazen, bawdy compilation of the greatest sound bites of Gonzo journalism from the past thirty years.

*Songs of the Doomed* William Morrow Paperbacks

The sultry classic of a journalist's sordid life in Puerto Rico, now a major motion picture starring Johnny Depp

**Freak Kingdom** Ballantine Books

Hunter S. Thompson, "smart hillbilly," boy of the South, born and bred in Louisville, Kentucky, son of an insurance salesman and a stay-at-home mom, public school-educated, jailed at seventeen on a bogus petty robbery charge, member of the U.S. Air Force (Airmen Second Class), copy boy for *Time*, writer for *The National Observer*, et cetera. From the outset he was the Wild Man of American journalism with a journalistic appetite that touched on

subjects that drove his sense of justice and intrigue, from biker gangs and 1960s counterculture to presidential campaigns and psychedelic drugs. He lived larger than life and pulled it up around him in a mad effort to make it as electric, anger-ridden, and drug-fueled as possible. Now Juan Thompson tells the story of his father and of their getting to know each other during their forty-one fraught years together. He writes of the many dark times, of how far they ricocheted away from each other, and of how they found their way back before it was too late. He writes of growing up in an old farmhouse in a narrow mountain valley outside of Aspen—Woody Creek, Colorado, a ranching community with Hereford cattle and clover fields . . . of the presence of guns in the house, the boxes of ammo on the kitchen shelves behind the glass doors of the country cabinets, where others might have placed china and knickknacks . . . of climbing on the back of Hunter's Bultaco Matador trail motorcycle as a young boy, and father and son roaring up the dirt road, trailing a cloud of dust . . . of being taken to bars in town as a small boy, Hunter holding court while Juan crawled around under the bar stools, picking up change and taking his found loot to Carl's Pharmacy to buy Archie comic books . . . of going with his parents as a baby to a Ken Kesey/Hells Angels party with dozens of people wandering around the forest in various stages of undress, stoned on pot, tripping on LSD . . . He writes of his growing fear of his father; of the arguments between his parents reaching frightening levels; and of his finally fighting back, trying to protect his mother as the state troopers are called in to separate father and son. And of the inevitable—of mother and son driving west in their Datsun to make a new home, a new life, away from Hunter; of Juan's first

taste of what “normal” could feel like . . . We see Juan going to Concord Academy, a stranger in a strange land, coming from a school that was a log cabin in the middle of hay fields, Juan without manners or socialization . . . going on to college at Tufts; spending a crucial week with his father; Hunter asking for Juan’s opinion of his writing; and he writes of their dirt biking on a hilltop overlooking Woody Creek Valley, acting as if all the horrible things that had happened between them had never taken place, and of being there, together, side by side . . . And finally, movingly, he writes of their long, slow pull toward reconciliation . . . of Juan’s marriage and the birth of his own son; of watching Hunter love his grandson and Juan’s coming to understand how Hunter loved him; of Hunter’s growing illness, and Juan’s becoming both son and father to his father . . .

**Summary of Hell's Angels by Hunter S. Thompson:**

**Conversation Starters** W. W. Norton & Company

A superbly crafted study of Hunter S. Thompson's literary formation, achievement, and continuing relevance. *Savage Journey* is a "supremely crafted" study of Hunter S. Thompson's literary formation and achievement. Focusing on Thompson's influences, development, and unique model of authorship, *Savage Journey* argues that his literary formation was largely a

San Francisco story. During the 1960s, Thompson rode with the Hell's Angels, explored the San Francisco counterculture, and met talented editors who shared his dissatisfaction with mainstream journalism. Peter Richardson traces Thompson's transition during this time from *New Journalist* to cofounder of *Gonzo* journalism. He also endorses Thompson's later claim that he was one of the best writers using the English language as both a musical instrument and a political weapon. Although Thompson's political commentary was often hyperbolic, Richardson shows that much of it was also prophetic. Fifty years after the publication of *Fear and Loathing in Las Vegas*, and more than a decade after his death, Thompson's celebrity continues to obscure his literary achievement. This book refocuses our understanding of that achievement by mapping Thompson's influences, probing the development of his signature style, and tracing the reception of his major works. It concludes that Thompson was not only a gifted journalist, satirist, and media critic, but also the most distinctive American voice in the second half of the twentieth century.

[The Joke's Over](#) L&PM Pocket
