**How to Own Your

Essentials  
Napoleon Hill spent  
twenty years of his life  
interviewing the most

successful men in  
America in order to  
write the first book on  
the science of personal  
achievement. In the  
course of his studies,  
he developed  
seventeen success  
principles. These  
teachings explain each  
of them, In order, they

are Definiteness of Purpose, the Master Mind Alliance, Going the Extra Mile, Applied Faith, Self-Discipline and Cosmic Habit Force. Hill often referred to these as the most important of the success principles. Hill and his last wife, Annie Lou, established the Napoleon Hill Foundation 1962, and it continues today to publish his books, videos, audios and lectures. These six lectures were transcribed but never before published and only recently found by the Foundation. The Trustees of the Foundation have chosen the title "Napoleon Hill's Positive Influence" for this book because these lectures deal with many of the influences which help

people to become successful, and which drove Hill to achieve his own successes. One of Hill's greatest influences was business tycoon Andrew Carnegie, who commissioned him in 1908 to undertake his twenty-year investigation. During his investigation, he discovered that important positive influences on successful people included having self-discipline, learning from adversity, working in harmony with others, selecting "pace makers", surrounding oneself with positive books and mottos, being guided by Faith and what Hill called "Infinite Intelligence", social and physical heredity, and the law of Cosmic Habit force, by which

one's habits become ingrained in one's personality and character. All of these positive influences are covered in these lectures. In addition to Andrew Carnegie, a number of individuals were positive influences in Hill's life, and they too are discussed in the lectures. Those who he knew personally, and who are referenced in the lectures, include Thomas Edison, Henry Ford, Franklin Roosevelt, Mahatma Gandhi, Dr. Elmer Gates, Alexander Graham Bell and Edwin Barnes. On a more personal level, he speaks fondly of his step-mother and his wives who helped him with his endeavors. We are fortunate to be able to present an Introduction to the

book by Napoleon's grandson, J.B. Hill, and a Preface by Napoleon Hill Foundation Executive Director Don M. Green, both of which explain the important roles played by these women in bringing positive influences to bear on his life and work. We hope you will enjoy and benefit from this newly discovered treasure trove of "Napoleon Hill's Positive Influence".

IT ALL STARTED WITH  
CARNEGIE AND HILL

Few things in recent history have had the impact of *The Secret*. Created by Rhonda Byrnes, the video program and book have taken the ideas of the New Thought Movement that flourished in America

at the turn of the twentieth century and made them as intriguing as The Da Vinci Code and as up-to-date as this morning-s headlines. This book, The Secret Law of Attraction as explained by Napoleon Hill, focuses its attention on two of the most famous names mentioned as keepers of the secret--Andrew Carnegie and Napoleon Hill--and on how Carnegie conveyed his understanding of this Secret Law of Attraction to Hill--who, in turn, transformed those concepts into the best-selling success book in the history of publishing: Think and Grow Rich. THE COMPLETE SECRET IN ONE BOOK For the first time, Napoleon Hill-s books have been carefully analyzed to

identify those passages dealing with the Law of Attraction as well as the lesser-known of Carnegie-s laws that govern personal achievement and success. These key sections have been brought together between the covers of this one book, The Secret Law of Attraction *You Can Work Your Own Miracles* Official Publication of the Na Dale Carnegie & Napoleon Hill: Best of 4 International Best Sellers Combo is a powerful collection featuring the timeless wisdom of two influential authors, Dale Carnegie and Napoleon Hill.
