mechanics of arranging loan syndications and loan participations, financial accommodation used (direct loans, bank guarantees, letters of credit, and bankers' acceptances), legal relations between parties in loan syndications and loan participations, rights and duties of the agent bank, securities regulation issues in loan syndications and loan participations, and accounting and tax issues in loan syndications and loan participations. Based on law in Canada, particularly Ontario, *The Law of Multi-bank Financing* includes discussions of a significant body of United States jurisprudence as well as the most important court decisions in other common-law countries.
