*Alphabetical Index of
Occupations*

The Construction Chart
Book presents the most
complete data available
on all facets of the U.S.
construction industry:
economic, demographic,
employment/income,
education/training, and
safety and health issues.
The book presents this
information in a series of
50 topics, each with a
description of the subject
matter and corresponding
charts and graphs. The
contents of The
Construction Chart Book
are relevant to owners,
contractors, unions,
workers, and other

organizations affiliated
with the construction
industry, such as health
providers and workers
compensation insurance
companies, as well as
researchers, economists,
trainers, safety and health
professionals, and
industry observers.
