During the last two decades, the (re-)discovery of thousands of manuscripts in different regions of sub-Saharan Africa has questioned the long-standing approach of Africa as a continent only characterized by orality and legitimately assigned to the continent the status of a civilization of written literacy. However, most of the existing studies mainly aim at serving literary and historical purposes, and focus only on the textual dimension of the manuscripts. This book advances on the contrary a holistic approach to the study of these manuscripts and gather contributions on the different dimensions of the manuscript, i.e. the materials, the technologies, the practices and the communities involved in the production, commercialization, circulation, preservation and consumption. The originality of this book is found in its methodological approach as well as its comparative geographic focus, presenting studies on a continental scale, including regions formerly neglected by existing scholarship, provides a unique opportunity to expand our still scanty knowledge of the different manuscript cultures that the African continent has developed and that often can still be considered as living traditions.

A world where Vuzz can ultimately only count on himself. Which suits him just fine... Featured in stunning black and white, this story is deliberately offbeat and almost humorous; utilizing a stripped-down narration and minimalist illustrations. In the works of Philippe Druillet, Vuzz is a character like no other!

A History of English HarperCollins

"A shining story of a young girl who struggles to come of age and find her place in a world fraught with danger." —Susan Campbell Bartoletti, Newbery Honor-winning author of *Hitler Youth* * Winner of the Youth Prize at the Angoulême International Comics Festival (voted by readers) * Winner of the Artémisia Prize for Historical Fiction * Winner of the Andersen Premio Prize * A magnificent narrative inspired by a true survival story that asks universal questions about a young girl's coming of age story, her identity, her passions, and her first loves. At the Sèvres Children's Home outside Paris, Rachel Cohen has discovered her passion—photography. Although she hasn't heard from her parents in months, she loves the people at her school, adores capturing what she sees in pictures, and tries not to worry too much about Hitler's war. But as France buckles under the Nazi regime, danger closes in, and Rachel must change her name and go into hiding. As Catherine Colin, Rachel Cohen is faced with leaving the Sèvres Home—and the friends she made there—behind. But with her beautiful camera, Catherine possesses an object with the power to remember. For the rest of the war, Catherine bears witness to her own journey, and to the countless heroes whose courage and generosity saved the lives of many, including her own. Based on the author's mother's own experiences as a hidden child in France during World War II, *Catherine's War* is one of the most accessible historical graphic novels featuring a powerful girl since *Persepolis* by Marjane Satrapi—perfect for fans of Markus Zusak's *The Book Thief*, Anne Frank, or Helen Keller. interview with author Julia Billet. "Many of the settings are beautifully detailed, and the characters undeniably expressive. Characters are drawn so vividly that, long afterward, readers will remember their names." —Kirkus An Indie Next List Pick! *A Junior Library Guild selection*

In *A Wrinkle in Time Quintet* book two, Meg Murry, now in college, time travels with her twin brothers, Sandy and Denny, to a desert oasis that is embroiled in war. Sandy and Denny have always been the normal, run-of-the-mill ones in the extraordinary Murry family. They garden, make an occasional A in school, and play baseball. Nothing especially interesting has happened to the twins until they accidentally interrupt their father's experiment. Then the two boys are thrown across time and space. They find themselves alone in the desert, where, if they believe in unicorns, they can find unicorns, and whether they believe or not, mammoths and manticores will find them. The twins are rescued by Japheth, a man from the nearby oasis, but before he can bring them to safety, Denny gets lost. Each boy is quickly embroiled in the conflicts of this time and place, whose populations includes winged seraphim, a few stray mythic beasts, perilous and beautiful nephilim, and small, long lived humans who consider Sandy and Denny giants. The boys find they have more to do in the oasis than simply getting themselves home—they have to reunite an estranged father and son, but it won't be easy, especially when the son is named Noah and he's about to start building a boat in the desert. Timothée de Fombelle and Isabelle Arsenault capture the heart-wrenching cost of war for one small girl in a delicately drawn, expertly told tale. While her father is at war, five-year-old Rosalie is a captain on her own secret mission. She wears the disguise of a little girl and tracks her progress in a secret notebook. Some evenings, Rosalie's mother reads aloud Father's letters from the front lines, so that Rosalie knows he is thinking of her and looking forward to the end of the war and to finally coming home. But one day a letter comes that her mother doesn't read to her, and Rosalie knows her mission must soon come to an end. Author Timothée de Fombelle reveals the true consequence of war through the experiences of small, determined Rosalie, while acclaimed artist Isabelle Arsenault illustrates Rosalie's story in muted grays marked with soft spots of color -- the orange flame of Rosalie's hair, the pale pink of a scarf, the deep blue ink of her father's letters. All the more captivating for the simplicity with which it is drawn and told, this quiet tale will stay with the reader long after its last page is turned.
