The Orthodox Way Moody Publishers
 THE book of Esther contains principles of great value at all times, but especially at the present one, when some who delve very little into the word of God are liable to wonder at some of His ways, and grow discouraged in the path of obedience. It is needful therefore, that such, and all of us, should have detailed before us the fact that "obedience is better than sacrifice, and to hearken than the fat of rams." May God richly bless your effort to bring to the surface what His Spirit has laid up for us in this little book. Yours affectionately in Christ, PAUL J. LOIZEAUX.

Answers to Prayer Crossway

THE book of Acts is the story of early-day Christianity. This book gives us a great many principles that should guide us in Christian effort at the present time. One is reminded of the Lord's word to Moses when He commanded him to build the tabernacle: "Look that thou make them after their pattern which was showed thee in the mount" (Exod. 25:40). God has given us in the book of Acts a pattern of Christian testimony, missionary effort, world evangelism and building of Christian churches—a pattern which we would do well to follow. Certainly we can be assured of this: the closer we come to ordering all things according to this holy pattern, the greater blessing will attend our efforts.

Prayer-Meeting Talks and Bible Readings of the Great Revival Meetings Conducted by Moody and Sankey. Sixteenth edition.
Union with Christ Multnomah
 In this compilation, the editor has endeavored to select those incidents and practical remarks from Mr. Müller's Narratives, that show in an unmistakable way, both to believers and unbelievers the secret of believing in prayer, the manifest hand of a living God and His unfailing response, in His own time and way, to every petition which is according to His will. The careful perusal of these extracts will thus further the great object which Mr. Müller had in view, without the necessity of reading through the various details of his "Narratives," details which Mr. Müller

felt bound to give when writing periodically the account of God's dealings with him.

Heretics and Orthodoxy Moody Publishers
G. K. Chesterton's *Heretics* was first published in 1905, with *Orthodoxy* following in 1908. Chesterton viewed them as companions to one another, as *Orthodoxy* was written as a response to criticism he had received for *Heretics*. This edition contains both works while preserving Chesterton's original text (and British spelling conventions).

Moody Classics Complete Set St Vladimir's Seminary Press

This package includes the six-volume set of the *Moody Classics: The Confessions of St. Augustine*, *Answers to Prayer*, *The Imitation of Christ*, *The True Vine*, *The Pilgrim's Progress*, and *How to Pray*. Of all the factors influencing our spiritual growth and development, pivotal books play a key role. Learning from those who have walked the path and fought the fight brings wisdom and strengthens resolve. And hearing the familiar chords of kingdom living sung by voices from other times can penetrate cultural barriers that limit our allegiance to the King. To this end, Moody Publishers is honored to

introduce the first six volumes in what is to be an ongoing series of spiritual classics. Selected for their enduring influence and timeless perspective, these new editions promise to shape the lives of spiritual pilgrims for generations to come. One of the most widely read books of all time, this adventure reveals John Bunyan's intense grasp of the Scriptures. Penned while in prison for refusing to compromise the gospel, *The Pilgrim's Progress* is a guide for the journey from death to life. The times have changed, but the landmarks and adversaries are very much the same. In *How to Pray*, R.A. Torrey deals with the key elements of life-changing prayer, such as praying in the Spirit, abiding in Christ, obstacles to prayer, the best times to pray, seeking revival through prayer, and more. Torrey outlines a practical strategy for living life in conversation with God. "The intelligent child of God must be driven to say, 'I must pray, pray, pray. I must put all my energy and all my heart into prayer. Whatever else I do, I must pray.'" Stunning and forthright, R.A. Torrey's "little book on prayer" is a reflection of the writer who once had it said about him, "One wonders

if there has ever lived a man who did so many things well for Christ."

L. E. Maxwell writes, "The cross is the key to all situations as well as to all Scripture." By relating the cross as essential to the life of the believer, Professor L.E. Maxwell simply and practically shows how an understanding of our identification with Christ in his death and resurrection can lead to life as it was meant to be lived. It is by living with a cross-centered perspective that we can have both victory over sin and power to serve God well. Maxwell's heart and vision for training up young people with the truth of God's Word and the necessity of evangelism shines forth in this little book. Readers know authenticity when they read it - and Maxwell exudes it.

Enter God's Story of Faithfulness to His People The Christian faith extends beyond our personal experiences, our individual churches, and far beyond our present age. This, for the Christian, is great news. When we become acquainted with the legacy of our Christian heritage, we connect our stories to those of the faithful believers who have come before us. This connection is precisely what Nathan Busenitz, Dean of Faculty and professor of church history at The Master's Seminary, seeks to provide. Based on the bestselling *Fundamentals of the Faith*, *Forerunners of the Faith* outlines the biblical orthodoxy that characterizes the true church. Busenitz succinctly identifies thirteen key lessons that capture the trials and triumphs of the historical Church, providing insights for how the ancient Christians responded to the problems of their day to become the pillars of faith we now consider them to

be. Learn how your faith stands on the shoulders of giants like Athanasius, Augustine, and Wycliffe. As more than a didactic resource, *Forerunners of the Faith* serves as spiritual encouragement as we remember the legacy of God's faithfulness to his people.

The Journey of Modern Theology

Now with a foreword by Matthew Lee Anderson Antiquated. Unimaginative. Repressive. We've all heard these

common reactions to orthodox Christian beliefs. Even Christians themselves are guilty of the tendency to discard historic Christianity. Yet as we read through the literature in Christianity's past, we learn that we are in better company with our beliefs than we might think. Through his enchanting book, *Orthodoxy*, G.K. Chesterton reminds us of the paradoxes of our faith and the joy that comes when we explore them. From the foreword by Matthew Lee Anderson, author of *The End of Our Exploring*: "How can we contrive to be at once astonished at the world and yet at home in it?" And with that question, G.K. Chesterton recounts the heart of an intellectual journey that took him from the edges of a nihilistic pessimism into the center of the paradoxical joy of Christian orthodoxy. His book is not a defense of the Christian faith, at least not primarily, so much as an attempt to explain how the startling paradoxes and sharp edges of the creed explain everything else. It is a dated work, dealing in the categories and concerns of Chesterton's contemporaries, and yet it comes nearer timelessness than anything we have today. Though *Orthodoxy* was written near the start of

the 20th century, I have dubbed it the most important book for the 21st. There are few claims I have made in my life that I am more sure of than that one. *Wisdom and the Renewal of Catholic Theology* Hendrickson Publishers
For more than fifty years, Fr. Matthew L. Lamb has been one of the major figures in American Catholic theology through his writing, teaching, and involvement in scholarly societies. Over a decade ago, Fr. Lamb moved from the Department of Theology at Boston College to develop the graduate programs in theology at Ave Maria University in response to what he identified as the widespread decline in theological education. Twelve years into their operation, the graduate programs in theology have begun to produce junior scholars who have attained appointments in universities and seminaries across the United States. In *Wisdom and the Renewal of Catholic Theology*, Thomas P. Harmon and Roger W. Nutt have brought together some of this first generation of Ave Maria graduates to produce a collection of essays to honor their teacher and the architect of their theological education. **The Incomparable Christ** Moody

An unforgettable coming-of-age memoir about a Black boy adopted into a white, Christian fundamentalist family *Perfect for fans of Educated, Punch Me Up to the Gods, and Surviving the White Gaze* "An affecting portrait of life inside the twin prisons of racism and unbending orthodoxy." --Kirkus Reviews A powerful, experiential journey from white cult to Black consciousness: Harrison Mooney's riveting story of self-discovery lifts the curtain on the trauma of transracial adoption and the internalized antiblackness at the heart of the white evangelical Christian movement. Inspired by Ralph Ellison's *Invisible Man* the same way Ta-Nehisi Coates's *Between the World and Me* was inspired by James Baldwin, Harrison Mooney's debut memoir will captivate readers with his powerful gift for storytelling, his keen eye for insight and observation, and his wry sense of humor. As an adopted and homeschooled Black boy with ADHD at white fundamentalist Christian churches and tent revivals, Mooney was raised amid a swirl of conflicting and confusing messages and beliefs. Within that radical and racist right-

wing bubble along the U.S. border in Canada's Bible Belt, Harrison was desperate to belong and to be "visible" to those around him. But before ultimately finding his own path, Harrison must first come to understand that the forces at work in his life were not supernatural, but the same trauma and systemic violence that has terrorized Black families for generations. Reconnecting with his birth mother--and understanding her journey--leads Harrison to a new connection with himself: the eyes looking down were my true mother's eyes, and the face was my true mother's face, and for the first time in my life, I saw that I was beautiful.

Lectures on the Book of Acts Steerforth Press / Truth to Power

Most Christians miss the ultimate hope for their future because their views of heaven are vague, religious . . . and, frankly, boring. Hope begins when we understand that for the believer, nothing is lost. Heaven is not an endless life of harp strumming and worship singing in the clouds. Rather, the life we long for – the paradise Adam and Eve knew – is precisely the life that is coming to us. And that life is coming soon. In this five-session study, John Eldredge

explores the revolutionary idea that according to the Bible, heaven is not our eternal home – the New Earth is. Jesus said the next chapter of our story begins with “the renewal of all things” (Matthew 19:28), by which he meant the earth we love, ourselves, and all the things that make for a rich life: music, art, food, and laughter. God’s promise is that everything shall be renewed “when the world is made new.” Part devotional, part adventure story, part field manual, this study will help you see the glorious future coming to you and provide “hope as an anchor for the soul, firm and secure” (Hebrews 6:19). Ideal for individual or group use, this guide includes personal reflection questions, targeted excerpts from All Things New, a Big Ideas overview, small-group discussion questions, and group exercises. A leader’s guide is also included for those facilitating a group. Sessions include: The Hope of Renewal Creation Made New Your Story Told Rightly What We’ll Do in the New Earth The Power of Our Hope Designed for use with the All Things New Video Study (9780310087656).

Much in this life contends to master us--

sin, the flesh, the devil, even mere distractions. But Christ promised and the apostles confirmed that believers would live lives characterized by overcoming. Yet many Christians miss out on the victorious life Christ won for them because they are trapped in guilt and shame, immobilized by fear, or stuck in old patterns of thinking. This classic work from legendary Bible teacher and evangelist Dwight L. Moody shows believers how they can have confidence in Christ's call on their lives, and thus experience the full joy of the Lord, both in this life and the next.

After Doubt Moody Publishers

Was creation a fantastic series of actions by God that long ago set the universe in motion? Or is creation an eternal flowing forth from God that even now causes all things to exist? Christopher Baglow, director of the Science and Religion Initiative at the University of Notre Dame, writes from within the deep well of Catholic tradition and his personal love of both science and faith to provide probing yet lively and often-humorous answers to the foundational questions of human existence. Christian doctrine sees creation not as a one-time event but rather as an

eternal outpouring of divine merciful love. In *Creation: A Catholic's Guide to God and the Universe*, Baglow explores how the doctrine of creation addresses the why of the universe, making it perfectly open to science, which helps us to answer how the universe came to be and continues to exist. He weaves the lessons of scripture, the Church's long tradition of scientific inquiry and theological development, and cultural icons such as Douglas Adams's *The Hitchhiker's Guide to the Galaxy* and the inhabitants of C. S. Lewis's *Narnia* series to create a concise and spirited guide for Catholics wanting to better understand the doctrine of creation without abandoning what science teaches us. Baglow helps to neutralize the unnecessary conflict between faith and science that often runs rampant among people of faith. He provides an excellent guide for curious Catholics, and an expert resource for teachers in Catholic schools, parish leaders, campus ministers, and RCIA teams, helping those exploring foundational questions of faith dive into the meaning of creation and what it tells us about who God is, who we are, and how we are to live.

The Next Chapter After the Last David C Cook

Modernity has been an age of revolutions—political, scientific, industrial and philosophical. Consequently, it has also been an age of revolutions in theology, as Christians attempt to make sense of their faith in light of the cultural upheavals around them, what Walter Lippman once called the "acids of modernity." Modern theology is the result of this struggle to think responsibly about God within the modern cultural ethos. In this major revision and expansion of the classic *20th Century Theology* (1992), co-authored with Stanley J. Grenz, Roger Olson widens the scope of the story to include a fuller account of modernity, more material on the nineteenth century and an engagement with postmodernity. More importantly, the entire narrative is now recast in terms of how theologians have accommodated or rejected the Enlightenment and scientific revolutions. With that question in mind, Olson guides us on the epic journey of modern theology, from the liberal "reconstruction" of theology that originated with Friedrich Schleiermacher to the postliberal and

postmodern "deconstruction" of modern theology that continues today. *The Journey of Modern Theology* is vintage Olson: eminently readable, panoramic in scope, at once original and balanced, and marked throughout by a passionate concern for the church's faithfulness to the gospel of Jesus Christ. This will no doubt become another standard text in historical theology.

Winner of the 2017 Christian Book Award for New Author Named one of the top books of 2016 by John Piper's *Desiring God* ministry To experience why the gospel is good news and answer life's most foundational questions about identity, destiny, and purpose, we must understand what it means to be united to Christ. If you are a Christian, the Bible says that Christ has united his life to yours, that you are now in Christ and Christ is in you. This almost unfathomable truth is the central theme of the Bible from Genesis to Revelation. Yet few Christians today experience or enjoy this reality. Union with Christ reveals the transformational power of this ancient doctrine while addressing

the basic questions of the human heart:
Who Am I? Why Am I Here? Where Am I
Headed? How Will I Get There? Nothing is

more practical for living the Christian life
than union with Christ. The recovery of
this reality provides the anchor and engine

for your life with God—for your destiny is
not only to see Christ, but to actually
become like him.
