Ethics of Responsibility Maggid

A distinguished religious leader's stirring case for reconstructing a shared framework of virtues and values. With liberal democracy embattled, public discourse grown toxic, family life breaking down, and drug abuse and depression on the rise, many fear what the future holds. In *Morality*, respected faith leader and public intellectual Jonathan Sacks traces today's crisis to our loss of a strong, shared moral code and our elevation of self-interest over the common good. We

have outsourced morality to the market and the state, but neither is capable of showing us how to live. Sacks leads readers from ancient Greece to the Enlightenment to the present day to show that there is no liberty without morality and no freedom without responsibility, arguing that we all must play our part in rebuilding a common moral foundation. A major work of moral philosophy, *Morality* is an inspiring vision of a world in which we can all find our place and face the future without fear.

*The Court Jew - A Contribution To The History Of The Period Of Absolutism In Central Europe* Little, Brown

This text is a Passover Haggadah with the full Hebrew and English texts laid out

alongside the Chief Rabbi Jonathan Sacks' commentary. Also included are introductory essays that examine particular issues related to Passover. The Haggadah attempts to strike into new territory between the traditional extremes of full-colour coffee table books and text-heavy commentaries, with the lively writing of the Chief Rabbi placed alongside the traditional texts.

New American Haggadah Koren Publishers Daily meditations for business and nonprofit leaders focus on different qualities, emotions, and aspirations, from discipline and compassion to impermanence and callousness, sharing uplifting quotes and stories by business figures and artists of diverse faiths.

**The Rabbi & the Nuns** Read Books Ltd  
Through a mix of nature, nurture, social conditioning and free will, we each possess a personalized lens that frames, forms, clouds and distorts the way we see ourselves and the world around us. In order to live in the most meaningful and effective way possible, each of us needs to continually assess and adjust the default frames we have developed. In *Positivity Bias*, we learn that life is essentially good; that positive perception is applicable and accessible to all; that it derives from objective, rational insight, not subjective, wishful imagination, and that positive living is a matter of choice, not circumstance. An inspiring and life-enriching tapestry woven from hundreds of stories, letters, anecdotes, and vignettes - *Positivity Bias* highlights how the Lubavitcher Rebbe, Rabbi Menachem M. Schneerson, of righteous memory, considered the most influential rabbi in modern history, taught us to see ourselves, others, and the world around us.

**Barber Haggada** Simon and Schuster  
Read each year around the seder table, the Haggadah recounts through prayer,

song, and ritual the extraordinary story of Exodus, when Moses led the Israelites out of slavery in Egypt to wander the desert for forty years before reaching the Promised Land. Now, Jonathan Safran Foer has orchestrated a new way of experiencing and understanding one of our oldest, most timeless, and sacred stories, with a new translation of the traditional text by Nathan Englander and provocative commentary by major Jewish writers and thinkers Jeffrey Goldberg, Lemony Snicket, Rebecca Newberger Goldstein, and Nathaniel Deutsch. Ravishingly designed and illustrated by the acclaimed Israeli artist and calligrapher Oded Ezer, *New American Haggadah* is an utterly unique and absorbing prayer book, the first of its kind, that brings together some of the preeminent voices of our time.

**Morality** Rowman & Littlefield  
*Passover Haggadah: A New English Translation and Instructions for the Seder*, New Revised Edition It includes the full text and translation, plus instructions, notes and an introduction. Convenient and ideal for groups. The classic Goldberg Haggadah with full transliteration of the

Hebrew words into Big English letters.

**Covenant and Conversation** BRILL

The Polychrome Historical Haggadah for the Passover Seder has a commentary, interpretive translation, introduction, and notes. The Foreword by Tzvee Zahavy describes the Seder as a scribal opera and the Haggadah as its libretto. This classic edition of the Passover Haggadah was designed by Rabbi Jacob Freedman to expose to the readers the composite literary layers of the book and its system of scriptural quotations. It has Freedman's vibrant English translation. The Hebrew text is printed in seven colors to reveal the historical periods of origin of the sources for every paragraph, verse, phrase, and even for single words. This Haggadah also has several full-page color reproductions of illustrations from famous medieval Haggadahs, a bibliography and an index to all the sources cited in the marginal notes. הגדת יונתן זקק Ktav Publishing House  
One of the most respected religious thinkers of our time makes an impassioned plea for the return of religion to its true purpose—as a partnership with God in the work of ethical and moral living. What are our duties to others, to society,

and to humanity? How do we live a meaningful life in an age of global uncertainty and instability? In *To Heal a Fractured World*, Rabbi Jonathan Sacks offers answers to these questions by looking at the ethics of responsibility. In his signature plainspoken, accessible style, Rabbi Sacks shares with us traditional interpretations of the Bible, Jewish law, and theology, as well as the works of philosophers and ethicists from other cultures, to examine what constitutes morality and moral behavior. “We are here to make a difference,” he writes, “a day at a time, an act at a time, for as long as it takes to make the world a place of justice and compassion.” He argues that in today’s religious and political climate, it is more important than ever to return to the essential understanding that “it is by our deeds that we express our faith and make it real in the lives of others and the world.” *To Heal a Fractured World*—inspirational and instructive, timely and timeless—will resonate with people of all faiths.

**The Polychrome Historical Haggadah**

Bloomsbury Continuum

The seder service on Pesach is the oldest

surviving ritual in the Western world, dating back some 3,300 years. Through the Haggadah more than a hundred generations of Jews have handed on their story to their children. Few texts have received more attention than the Haggadah. There are thousands of commentaries, and more are published each year. Anyone who contemplates adding to this number must ask not *Why is this night different?* But *Why is this edition different?* My answer is that I wrote this commentary because, amongst all the many I have read, I could not find one that explained in their full richness and scope the fundamental themes of the Pesach story: the Jewish concept of a free society, the role of memory in shaping Jewish identity, and the unique connection that exists in Judaism between spirituality and society, giving rise to what I have called elsewhere the politics of hope. Nor could I find a Haggada that told me in detail about the role of Pesach in shaping Jewish identity through the millennia, or its influence on Western thought as a whole. *Blessings and Thanksgiving* Maggid We are in danger, says Rabbi Sacks, of forgetting what Judaism’s place is within

the global project of humankind. The Jewish people exist for a reason, and it is not for themselves alone. They must recommit themselves to their foundational purpose: to the task of creating a just world in which the divine presence can dwell among us all. Without compromising one iota of Jewish faith, Rabbi Sacks declares, Jews must stand alongside their friends—Christian, Muslim, Hindu, Sikh, Buddhist, and secular humanist—in defense of freedom against those who desecrate life. And they should do this not to win friends or the admiration of others but because it is what a people of God is supposed to do. Rabbi Sacks’s powerful message of *tikkum olam*—using Judaism as a blueprint for repairing an imperfect world—will resonate with people of all faiths.

The Dignity of Difference is Rabbi Jonathan

Sacks's radical proposal for reconciling hatreds.

The Kibbutz KTAV Publishing House, Inc. A renowned political speechwriter rediscovers Judaism, finding timeless wisdom and spiritual connection in its age-old practices and traditions. "Sarah Hurwitz was Michelle Obama's head speechwriter, and with this book she becomes Judaism's speechwriter."—Adam Grant, New York Times bestselling author of *Give and Take*, *Originals*, and co-author of *Option B* After a decade as a political speechwriter—serving as head speechwriter for First Lady Michelle Obama, a senior speechwriter for President Barack Obama, and chief speechwriter for Hillary Clinton on her 2008 presidential campaign—Sarah Hurwitz decided to apply her skills as a communicator to writing a book . . . about Judaism. And no one is more surprised than she is. Hurwitz was the quintessential lapsed Jew—until, at age thirty-six, after a tough breakup, she happened upon an advertisement for an introductory class on Judaism. She attended on a whim, but was blown away by what she found: beautiful rituals, helpful guidance on living an

ethical life, conceptions of God beyond the judgmental bearded man in the sky—none of which she had learned in Hebrew school or during the two synagogue services she grudgingly attended each year. That class led to a years-long journey during which Hurwitz visited the offices of rabbis, attended Jewish meditation retreats, sat at the Shabbat tables of Orthodox families, and read hundreds of books about Judaism—all in dogged pursuit of answers to her biggest questions. What she found transformed her life, and she wondered: How could there be such a gap between the richness of what Judaism offers and the way so many Jews like her understand and experience it? Sarah Hurwitz is on a mission to close this gap by sharing the profound insights she discovered on everything from Jewish holidays, ethics, and prayer to Jewish conceptions of God, death, and social justice. In this entertaining and accessible book, she shows us why Judaism matters and how its message is more relevant than ever, and she inspires Jews to do the learning, questioning, and debating required to make this religion their own. "Searching for meaning in the ancient scripture and

traditions of Judaism, Sarah Hurwitz takes us along on an enriching journey of discovery. In *Here All Along*, she explores her birthright as a Jew and finds timeless and valuable life lessons."—David Axelrod, director of the University of Chicago Institute of Politics and former senior advisor to President Barack Obama

**Yerach Tov** Maggid

For too long, Jews have defined themselves in light of the bad things that have happened to them. And it is true that, many times in the course of history, they have been nearly decimated: when the First and Second Temples were destroyed, when the Jews were expelled from Spain, when Hitler proposed his Final Solution. Astoundingly, the Jewish people have survived catastrophe after catastrophe and remained a thriving and vibrant community. The question Rabbi Jonathan Sacks asks is, quite simply: How? How, in the face of such adversity, has Judaism remained and flourished, making a mark on human history out of all proportion to its numbers? Written originally as a wedding gift to his son and daughter-in-law, *A Letter in the Scroll* is Rabbi Sacks's personal answer to that

question, a testimony to the enduring strength of his religion. Tracing the revolutionary series of philosophical and theological ideas that Judaism created -- from covenant to sabbath to formal education -- and showing us how they remain compellingly relevant in our time, Sacks portrays Jewish identity as an honor as well as a duty. The Ba'al Shem Tov, an eighteenth-century rabbi and founder of the Hasidic movement, famously noted that the Jewish people are like a living Torah scroll, and every individual Jew is a letter within it. If a single letter is damaged or missing or incorrectly drawn, a Torah scroll is considered invalid. So too, in Judaism, each individual is considered a crucial part of the people, without whom the entire religion would suffer. Rabbi Sacks uses this metaphor to make a passionate argument in favor of affiliation and practice in our secular times, and invites us to engage in our dynamic and inclusive tradition. Never has a book more eloquently expressed the joys of being a Jew. This is the story of one man's hope for the future -- a future in which the next generation, his children and ours, will happily embrace the beauty of the world's

oldest religion.

*Like Salt for Bread. The Jews of Bosnia and Herzegovina* Random House

In this second volume of his long-anticipated five-volume collection of parashat hashavua commentaries, Rabbi Sir Jonathan Sacks explores these intersections as they relate to universal concerns of freedom, love, responsibility, identity, and destiny. Chief Rabbi Sacks fuses Jewish tradition, Western philosophy, and literature to present a highly developed understanding of the human condition under God's sovereignty. Erudite and eloquent, *Covenant Conversation* allows us to experience Chief Rabbi Sacks' sophisticated approach to life lived in an ongoing dialogue with the Torah. *Take Your Soul to Work* Createspace Independent Publishing Platform

Rabbi Jonathan Sacks, Chief Rabbi of the United Hebrew Congregations of the Commonwealth in the United Kingdom offers a refreshing and insightful commentary to the Koren Haggada, together with illuminating essays on the themes and motifs of the Festival of Freedom. Sensitively translated, the traditional texts are carefully balanced

alongside the Chief Rabbi's contemporary ideas, in a modern and user-friendly design. With new interpretations and in-depth analyses of the Passover liturgy and ritual, Rabbi Sacks' style is engaging, intelligent at times daring in its innovation and always inspiring. With essay titles as diverse as Pesah, Freud and Jewish Identity and Pesah and the Rebirth of Israel, as well as explorations of the role of women in the exodus, and the philosophy of leadership and nation-building, the Chief Rabbi's Haggada is a thought-provoking and essential companion at the Seder table.

**The Chief Rabbi's Haggadah** Maggid

In this companion volume to his celebrated series *Covenant & Conversation*, Rabbi Jonathan Sacks mines the weekly Torah portions for insights into the nature of power, authority, and leadership. Based on the understanding that no man is born a leader, the book explores the principles, and perils, of becoming one. Profound, eloquent, and deeply inspiring, *Lessons in Leadership* reveals the biblical secrets of influence, as relevant now as they were three thousand years ago.

Argument for the role of the human conscience in determining right and wrong, good and evil.

Positivity Bias Burns & Oates

When did Rosh HaShana, the anniversary of creation, become a day of judgement? How does Yom Kippur unite the priest's atonement with the prophet's repentance? What makes Kohelet, read on Sukkot, the most joyful book in the Bible? Why is the remembrance of the Pesah story so central to Jewish morality? And which does

Shavuot really celebrate the law or the land? Bringing together Rabbi Sacks's acclaimed introductions to the Koren Sacks Mahzorim, *Ceremony & Celebration* reveals the stunning interplay of biblical laws, rabbinic edicts, liturgical themes, communal rituals and profound religious meaning of each of the five central Jewish holidays.

**Ceremony & Celebration** Basic Books  
What is Judaism? A religion? A faith? A way of life? A set of beliefs? A collection of commands? A culture? A civilization? It is all these, but it is emphatically something

more. It is a way of thinking about life, a constellation of ideas. One might think that the ideas Judaism introduced into the world have become part of the common intellectual heritage of humankind, at least of the West. Yet this is not the case. Some of them have been lost over time; others the West never fully understood. Yet these ideas remain as important as ever before, and perhaps even more so. In this inspiring work, Rabbi Sacks introduces his readers to one Life-Changing Idea from each of the weekly parashot.
