Our insider tips cover everything from traditional restaurants and cafes to spectacular areas of natural beauty: Find lively resorts, fun places for children, and get the best hotel for your budget.

DK Eyewitness Travel Guide Mallorca, Menorca and Ibiza

Penguin

This guidebook presents 50 half-day and day walks in Mallorca's Serra de Tramuntana, the striking limestone range that stretches along the northwestern flank of the island. Whilst the region promises breathtaking scenery and some fantastic walks, there is

also some potentially challenging terrain, making guidance when choosing, planning and walking the routes all the more valuable. As many involve steep ground, navigational challenge and hands-on scrambling, these routes are primarily geared towards those with some experience of mountain walking.

Comprehensive route description is illustrated with 1:25,000 Alpina mapping and each walk includes a statistics box to aid route selection. Useful contacts are listed in the appendix. There is also background information on history, plants and wildlife, plus language notes in native Catalan and Castilian Spanish. The routes are spread across the Serra de Tramuntana, with characterful towns and villages such as Sóller, Deià, Fornalutx, Valldemossa and Pollença serving as potential bases for a walking holiday. Ranging from 5.5km to 24km, the carefully selected routes showcase the region's rugged limestone peaks, mountain and coastal vistas and rich mountain heritage manifested in numerous drystone constructions, charcoal-burning sites and irrigation systems.

Highlights include the lush island of sa Dragonera and the dramatic gorge of Torrent de Pareis. The majority of walks are accessible by public transport and many can be linked, opening up further possibilities for exploration.

Top 10 Naples & Amalfi Coast Penguin

This guidebook describes the GR221, a 140km (87 mile) long-distance trail through northwestern Mallorca, from Port d'Andratx to Pollença. Also known as the 'Ruta de Pedra en Sec' ('the Drystone Route'), the GR221 is a celebration of Mallorca's limestone heritage, taking in many historic drystone structures as it traverses the rocky peaks of the Serra de Tramuntana. Following old stone-paved paths and mule trails, it showcases the region's beautiful landscape of mountains, forests and cultivated terraces, as well as its spectacular coastline. The GR221 can be walked in 1-2 weeks, although the guide also covers 3 alternative start-points and 3 alternative finishes, which would allow for a shorter trek. The main route is presented in 10 stages of 8.5-20.5km (5-13 miles), with a handful of optional

detours to bag neighbouring summits. Detailed route description is accompanied by 1:25,000 mapping and inspirational photography, plus a wealth of information on local points of interest. Accommodation and travel are also thoroughly covered: the trail boasts good transport links and plentiful facilities on route, with accommodation in welcoming mountain villages and the occasional 'refugi'. A comprehensive introduction offers the opportunity to discover more about the region's diverse plants and wildlife and unique history and culture, and an English-Spanish-Catalan glossary can be found in the appendix. With a favourable climate and stunning scenery, the Serra de Tramuntana has much to tempt the walker. The GR221 Drystone Route represents an ideal way to explore this fascinating World Heritage Site.

DK Eyewitness Top 10 Travel Guide: Mallorca

Smithsonian Institution Is Paris really the eternal City of Love? Dumped suddenly by her Parisian boyfriend, sultry expat Lily is left wondering if *je t'aime* still exists. Instead of crying into her glass of wine, she decides to heal her bruised ego and quash her romantic doubts with a carefree summer fling . . . or as the French call it: *une aventure*. Supported by her faithful friends and trusty Saint Amour wine, Lily embarks on her presumably easy quest. Little does she know what-or whom-this adventure has in store! Rather than guide her into the arms of a perfect summer *amoureux*, the sexy streets of Paris lead her from one impossible candidate to another: disappearing foxy Frenchmen, unavailable Latino heartthrobs, overly-mysterious world travelers, mistress-hunting married men, and not-so-single amnesiacs-oh la la! As her *amorous*

mishaps accumulate, Lily gradually re-evaluates her strategy. But will her good intentions be enough to lead her to the right homme . . . one who might last out the summer-and maybe even beyond? Or will she continue to get embroiled in more mesaventure? This novelized memoir tells the tantalizingly true romantic odyssey of a 21st-Century young woman caught in the mire of desires-which is only intensified by the passion of Paris.
