Top 160 Unusual Things to See in Ontario

Mussio Ventures
Cradled in Canada's geographic centre, Manitoba is home to serene stretches of wilderness interspersed with charming rural communities and rich pockets of outdoor recreation opportunity. Over half of the province's population lives in the capital city of Winnipeg, leaving the rest of Manitoba wide-open for exploring. In the south, the landscape is a diverse mix of tall grass prairie, pine forest and even desert-like sand dunes. As you move north you will encounter the majestic rock of the Canadian Shield and, further north still, a strip of Arctic tundra along Hudson Bay. Throughout the province, lakes of all shapes and sizes dot the landscape, creating an incredible abundance of fishing opportunities. Features - Map Key & Legend - Topographic Maps - Detailed Adventure Section >> Backroad Attractions, Fishing Locations, Hunting Areas, Paddling Routes, Parks & Campsites, Trail Systems, ATV Routes, Snowmobile Areas, Wildlife Viewing, Winter Recreation, Service Directory, Accommodations, Sales & Services, Tours & Guides, Index, Adventure Index, Map Index, Trip Planning Tools,

BC Coast Explorer Volume 2: Vancouver Island South Mussio Ventures

Welcome to this updated and expanded sixth edition of Rob Brown's classic *Backroads of Ontario*. Used by thousands of travelers for nearly two decades, the book guides drivers and cyclists along some of Ontario's most interesting backroads, each with its own distinct story to tell. *Backroads of Ontario* gives you the information you need to explore Ontario far from the congested highways, taking you on an eye-opening adventure through the province's scenic countryside and historical landscapes. There are more than 30 routes in all, each illustrated with photographs and accompanied by an easy-to-follow map. Trips range in length

from afternoon outings to weekend excursions, and all lead to intriguing places within a short driving distance of Ontario's major cities. Think picturesque villages, century-old mills, dramatic scenery, architectural curiosities and even a ghost town or two -- some of them underwater. Entries from previous editions are revised. New excursions include the historic upper Ottawa River, from Arnprior to Pembroke, and the Thousand Islands Parkway, while other new routes wind through the little-known rugged highlands of Parry Sound and follow along the breathtaking scenery of the St. Clair River. The Trail of the Drowned Villages reveals the fate of the communities flooded by the St. Lawrence Seaway, while the Lanes of Niagara follows scenic and historical routes through the Niagara Peninsula, with few other tourists in sight. Yet another new route takes you off Highway 401 and along the forgotten shoreline of Lake Ontario, from Bond Head to Brighton. *Backroads of Ontario* helps drivers and cyclists plan their tours of Ontario's lesser-known sights and is an essential addition to your regional and travel collections. A silly book with a serious purpose—to help children recognize, remember, and really enjoy using a basic vocabulary of 1350 words. Written and illustrated by P. D. Eastman—with help from the Cat (Dr. Seuss)—this decades-old dictionary pairs words with pictures that carry their meaning, making it simple enough even for nonreaders to understand. A wacky cast of characters reappears throughout the book, making this perhaps the only dictionary in the world that is actually fun to read!

Canadian Rockies Backroad Mapbook University of Toronto Press

An outdoor recreational guide to Ontario Cottage Country. Includes GPS compatible outdoor recreational maps and information on the outdoor recreational opportunities available in the area. Covers the area of Ontario from Lake Ontario north to the Ottawa River, North Bay, Lake Nipissing, Sturgeon Falls, French River Provincial Park, and Burwash, and from Georgian

Bay, Stayner, Shelburne, Orangeville, and Brampton east to Deep River, Barrys Bay, Bancroft, and Belleville. It includes Muskoka, the Kawarthas and Haliburton areas, Lake Simcoe, Algonquin Provincial Park, and the northern and eastern portions of the Greater Toronto area. *Backroads of Ontario* Mussio Ventures Ltd. This sixth edition of the Nova Scotia Atlas provides in-depth coverage of the entire province unavailable anywhere else. The maps include numbered and colour-coded highways with exit numbers, hiking trails and national parks. There are details such as power lines, ferry routes, hospitals and communication towers. Airports, helipads and landing strips are mapped. Also included are all provincial parks (campgrounds, picnic sites, boat launches), with a text description of each. The maps clearly show physical features, including rivers, lakes, hills, islands, marshes and beaches. The revisions in this new edition include all new highway construction completed in the past five years, three new wilderness areas and six new nature reserves. Waterfalls are now shown, and Crown land information has been extensively updated. All paved and unpaved roads (longer than 200 m) are included, as are a myriad of protected areas including game sanctuaries, wilderness and wildlife management areas. County and municipal boundaries are shown.

Ontario's Ghost Town Heritage

Burnaby, B.C. : Mussio Ventures
The most complete outdoor recreation guidebook for the Cottage Country region of Ontario. Book contains maps and information on fishing, trails, parks, paddling, winter recreation, and more. [Delorme Atlas & Gazetteer: New Jersey](#) Mussio Ventures

This book includes outdoor recreation maps and guidebook-type information for hiking and mountain biking trails, canoeing and kayaking routes, fishing areas, backroads, snowmobiling routes, wilderness camping sites, hot springs, waterfalls, parks, wildlife viewing areas, cross-country skiing areas, and more. *The Nova Scotia Atlas Wild Coast* Publishing

This fishing guidebook covers a diverse range of fishing locations, from easily accessible lakes and streams to lakes and streams that are only accessible by walking or by boat. Each featured fishing location has information on access, fish species present, and tips on the best times of the year to fish and the best fishing techniques to use that are specific to that fishing location. Contour maps and depth charts are also provided for many of the lakes. The book provides information on recommended fishing methods and tackle, fish identification, and how to choose the right rod and reel or fly gear. Anglers have the opportunity to fish for steelhead, rainbow trout, cutthroat trout, brook trout, and Chinook, Coho, chum, pink, and sockeye salmon. This book is based on extensive research and the knowledge of many experienced anglers.

Mussio Ventures Ltd.

This book covers the scenic central part of Ontario. The city of Barrie north along Georgian Bay to the French River frames the area's western edge, while the Ottawa River from the town of Arnprior north to Deux Rivieres makes the eastern edge. Haliburton, Huntsville, Parry Sound and Barry's Bay are just a few of the prominent cities or towns in between. This scenic cottage country region is highlighted by plenty of Crown Land and mixed coniferous and deciduous forest blanketing the rolling Canadian Shield. The most prominent feature of the area is historic Algonquin Provincial Park, a bastion of Canadian wilderness only a few hours from the urban centres of the province. The scenery is as much of the fishing experience as the fishing itself. The water bodies in this area range from easily accessible urban lakes and streams to remote access or hike-in only lakes. Depth charts and information on access, facilities, fishing tips, and stocking enable anglers to choose ideal fishing spot.

History of the Dominion Atlantic Railway Greystone Books Ltd

Algonquin Park is one of Ontario's greatest treasures and is known as one of the premier wilderness areas in Canada. The popularity of the region has created a demand for this guidebook that combines all the activities in this spectacular area into one book.

Beech Street Books

Despite the urban sprawl, industrialization and endless highway construction, Ontario possesses many hidden corners and lonely roads where the remains of earlier settlements, often constructed with immense effort against impossible odds,

now lie forgotten. Some are no more than a few decaying foundations and collapsing houses, while others are littered with the remains of the industry and manufacturing that once thrived there. There is a renewed interest in exploring our own backyard, and Ontario's Ghost Town Heritage is the perfect guide to these once-booming towns and villages. While some still maintain small resident populations, others exist only as abandoned buildings and ruins. All have in common that they are "ghosts" of their former greatness, and their images evoke the lost legacy of Ontario's past. This fascinating book by Ontario historian Ron Brown explores over 80 accessible ghost towns in all parts of Ontario. Detailed driving directions invite you to experience the province's heritage for yourself. This revised edition contains many new sites to visit and has been carefully updated with the latest information and driving directions.

The Cat in the Hat Beginner Book

Dictionary Delorme Mapping Company
A complete road and recreation atlas for the Okanagan/Kamloops/Thompson River area of British Columbia, an area of the province with extensive wilderness for outdoor recreation. It includes 54 detailed colour recreational GPS-compatible topographical relief maps that include backroads, logging roads, trails, parks, and the locations of campsites and outdoor recreational opportunities. The book also includes information on hiking, mountain biking, horseback riding, and ATViing trails; lake and river paddling; fishing lakes and rivers; backroads; provincial parks; forest recreation sites; natural attractions; wildlife viewing areas; cross-country and backcountry skiing; snowshoeing and snowmobiling areas; and more.

Canada: Road Atlas Random House
Covering the southwestern portion of British Columbia, including the greater Vancouver area and the cities of Squamish, Whistler, Lillooet, Hope and Chilliwack, this Mapbook is your ultimate guide to camping, hiking, fishing, ATViing, hunting, snowmobiling, paddling and wildlife viewing in this incredible region. From the laid-back communities of the Sunshine Coast to the lush rainforest of Manning Provincial Park, the alpine peaks and glacier-fed lakes of Garibaldi Provincial Park, the winding logging roads around Harrison Lake and beyond, the Vancouver, Coast & Mountains region is full of outdoor adventure opportunities. But with so much to see and do, getting started can be a challenge – that's why we have created the most comprehensive and easy-to-use Mapbook available for the

region, allowing you to find the outdoor adventure that is just right for you.

Canadian Books in Print Mussio Ventures
 Lonely Planet: The world's leading travel guide publisher Discover 200 of the best places to ride a bike in this beautifully illustrated hardback. From family-friendly, sightseeing urban rides to epic adventures off the beaten track. Destinations range from France and Italy, for the world's great bike races, to the wilds of Mongolia and Patagonia. These journeys will inspire - whether you are an experienced cyclist or just getting started. The book is organised by continent. In the Americas we join a family bikepacking trip in Ecuador; we pedal the Natchez Trace Parkway and stop at legendary music spots; we ride the Pacific Coast Highway in Oregon and California; go mountain biking in Moab and Canada; and explore the cities of Buenos Aires and New York by bicycle. European rides include easy-going trips around Lake Constance, along the Danube and the Loire, and coast-to-coast routes; routes in Tuscany, Spain and Corsica; and professional journeys up Mt Ventoux and around the Tour of Flanders. In Asia, we venture through Vietnam's valleys; complete the Mae Hong Son circuit in northern Thailand; cross the Indian Himalayas; and pedal through Bhutan. And in Australia and New Zealand we take in Tasmania and Queensland by mountain bike; cycle into Victoria's high country and around Adelaide on road bikes; and try some of New Zealand's celebrated cycle trails. Each ride is illustrated with stunning photography and a map. A toolkit of practical details - where to start and finish, how to get there, where to stay and more - helps riders plan their own trips. There are also suggestions for three more similar rides around the world for each story.

Each piece shows how cycling is a fantastic way to get to know a place, a people and their culture. About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, gift and lifestyle books and stationery, as well as an award-winning website, magazines, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in. TripAdvisor Travelers' Choice Awards 2012, 2013, 2014, and 2015 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia) Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

Backpacking in Southwestern British Columbia Mussio Ventures Ltd.

This book focuses on the Canadian Rocky Mountain Parks — an interconnected system of provincial and national parks covering more than 30,000 square kilometres (18,630 mi²). These parks vary in popularity and access - some see millions of visitors each year, while others see visitors in the tens of thousands. Some parks are easily accessed from a major highway, while others require rigorous journeys by foot, horse or plane. Each of these parks offers a unique twist on the dramatic landscapes that define the Rockies - towering mountain peaks, rushing rivers, ancient glaciers, wildflower-filled meadows, brilliant blue lakes and dense forests make up this outdoor paradise. With so much area to explore, it can be overwhelming trying to decide on

where to go. Luckily, our Canadian Rockies Mapbook provides a well-organized and easy-to-use breakdown of the region's parks to help you decide on the adventure that is right for you. With state-of-the-art topographic maps, detailed trip-planning resources and meticulously researched adventure listings, our Mapbook will ensure you make the most out of your Rockies experience.
