Offering a surprising new take on a twentieth-century icon, Bachelors and Bunnies goes beyond the smoking jacket and the centerfold to uncover an unlikely ally for the feminist cause.

Chase's Calendar of Events 2023

Rowman & Littlefield

Frederic Dannay (1905-1982) was--with his partner Manfred Lee--the creator of the Ellery Queen detective novels and short stories. Dannay was also a literary historian and critic, and the editor of the renowned Ellery Queen Mystery Magazine.

Queen--both a pen name and the fictional protagonist of the stories--was also a vital force behind the continuing popularity of crime fiction in the early to mid-20th century, after the deaths of Arthur Conan Doyle, G.K. Chesterton, Melville Davisson Post, and other Old Masters of the genre. This book presents the first critical study of Ellery Queen's role in the preservation of the detective short story. Many of the writers, characters and stories EQMM championed are covered, including such celebrated authors as Allingham, Ambler, Ellin, Innes, Vickers, and even William Butler Yeats.

"One of the most impressive reference volumes in the world." -- Publishers Weekly

The Standard Periodical Directory Oxford University Press

Sitting atop Mount Oread, the University of Kansas stands as a monument to the determination of the state's earliest settlers to build for the future. As a "city on a hill," the university has also mirrored both American society's hopes and its fears—and never has this been truer than over the past five decades. Transforming the University of Kansas chronicles the many accomplishments and the daunting challenges that marked the last half-century at the University. On the eve of the sesquicentennial anniversary of the school's founding, this book reflects upon the people, politics, and developments

that have transformed KU since 1965, making it the distinctive institution of higher learning that it is today. Like major universities across the country, Kansas became a global research institution in these years, a leader in academic inquiry and scholarly expertise. It also experienced a wrenching process of change following student protests demanding greater rights and recognition. The authors—all experts from KU's faculty or staff—focus on particular aspects of the era, documenting major changes that occurred and introducing key leaders. Organized in three broad categories—leadership and politics; teaching and research; and students, protest, and sports—these essays draw upon a wealth of archival material, including interviews and yearbooks, student publications, and alumni sources, to create a full and richly textured picture of growth and change over five decades. These essays detail the school's transformation from a bucolic college into a sprawling university, capturing the personalities and spirit of each of the eight chancellors who have guided KU through these challenging times. The essays

describe innovations in learning, from the liberal arts through international studies and graduate research. And they reveal the changing character of student life in curricular and extra-curricular activities, in campus activism, scholarship, and athletics. Together the essays comprise a living portrait of the university, broad in scope and vivid in detail, growing and adapting to a rapidly changing world, prepared to meet the challenges of the new century.

Chase's Calendar of Events 2015 Saint James Press

This is the first book to focus on James Bond's relationship to the playboy ideal through the sixties and beyond. Examining aspects of the Bond phenomenon and the playboy lifestyle, it considers how ideas of gender and consumption were manipulated to construct and reflect a powerful male fantasy in the post-war era. This analysis of the close association and relations between the emerging cultural icons of James Bond and the playboy is particularly concerned with Sean Connery's definitive Bond as he was promoted and used by the media. By exploring the connections that developed between Bond and Playboy magazine within a historical framework, the book offers new insights into these related phenomena and their enduring legacy in popular culture.

His fans adore him, the critics hate him and Barry Manilow just keeps going on! But the career of the man The Rolling Stone dubbed "a giant among entertainers" and "the showman of our generation" had the strangest of beginnings. Biographer, Patricia Butler, unravels the strange stories behind Manilow's Brooklyn upbringing, his shortlived marriage, his cautious career change from youthful executive to freelance musician and his dramatic partnership with Bette Midler. Manilow's

private life has always been the subject of speculation, and here the many sides of his personality are explored, along with his rise from Seventies hit-maker to timeless showbiz legend.
