sheet music, audio, chords, lyrics and free extras. Now, it comes with nearly twice as much content. Do you want to learn beautiful fingerstyle versions of Jingle Bells, Silent Night, O Christmas Tree, Deck The Halls and We Wish You a Merry Christmas? BE WARNED... This is not like any other Christmas guitar book you have read or seen. In this book, I teach you how to play 5 Christmas carols.....and not only that.....I have created 3 stunning arrangements for EACH of them - totalling 15 versions all in all. Each of the Christmas carols has an easy beginner version, a medium version and a harder version for advancing guitarists. Dan Thorpe`s step by step book teaches you how to play five of the most famous and well-loved Christmas Carols of all time. In the book, I take you through each version in a step by step manner and each version comes complete with tab, sheet music, audio, chords and lyrics. There are also audio recordings for each version in full for you to download or stream so you can actually hear the piece played in real time. (It`s shocking at how many books and authors don`t do this!) Instead of buying a book with the carols that you don`t know or like, or searching on YouTube for an arrangement that is suitable for your skill level, I recommend you take a look at this book and get started playing a piece that is made for YOUR current skill level. And if that`s not enough! There is also a printable PDF for each of the 15 arrangements so you can print off, put in a folder and learn wherever you are. Everyone can at least learn the Easy arrangement even if they can`t yet play chords. Reader reviews for this and other Dan Thorpe fingerstyle books Five Stars "This is one of the best guides that I have read." Amazon Customer Five Stars "As this is in three

stages, it is very easy to first get the theme of the song. Then once you have mastered it go on and embellish it. The instructions are straightforward. and I am making very good progress at fingerpicking these songs." Amazon Customer Five Stars "Starts with the basics and builds upon them. Very detailed and it has helped me tremendously with the technique. I would definitely recommend this book to anyone looking to learn the techniques outlined in this book." Jeff M. Five Stars - "Not my first purchase from Dan and sure it won't be the last. Clear instruction in a relaxed manner ideal for any guitar student. Can't wait to get further into it. This guy has been a great help to me!" Colin Newcombe Five Stars "I was stuck with my guitar progress and then found Dan. His material is excellent, easy to follow and makes a lot of sense. I am already starting to see a way forward with my musical journey. Plenty more is available from Dan, so look forward to becoming a better player." Jon Hopkins Five Stars "It is in three stages easy, medium and hard and for someone like me (a 'newbie' at 62) the easy is great but once you get to grips with the easy it is so well explained that you can progress to the medium or even hard. Great book, great teacher." Anthony B. Five Stars "Great little book to get you started on fingerpicking." D.H. Dobson

"A DADGAD Christmas" is a collection of twenty-one arrangements of Christmas favorites for solo fingerstyle guitar, all in DADGAD tuning - a popular alternate tuning for guitar. The book is divided into two sections: Gig Book - a set of short, easy to play arrangements, and then Performance Arrangements - a collection of more complex performance-ready arrangements. The first part of the book, the Gig Book, contains arrangements that are easy enough for beginner, but that are also meant to act as templates for your own arrangements. With a bit of practice you should be able to pull out these arrangements whenever you are asked to play a Christmas song and read the music, elaborating on the basic

arrangements simply by adding your own variations within the basic structure. The second half of the book, Performance Arrangements, features longer, more complete arrangements of nine tunes, perfect for performances in any setting - with friends and family, in church, or in a concert. The book sold through Amazon does not include a CD, you can get the CD in several different ways. You can download the tracks completely free but from the author's website, or if it's easier, you can purchase the tracks from itunes.
