How to Play Black Gospel Blurbs

The *Easy Hymns & Gospel Songs for Piano* by Lee Davis features beginning to intermediate arrangements for classic hymns and gospel songs. The first arrangement you will learn for each song features interesting and recognizable melodies using mainly the right hand along with basic left hand parts. The second section of this songbook displays each song along with chord progressions, lyrics, and vocal melody lines. This is a great setup for sing-alongs because the lyrics are written in a large font so that multiple singers and musicians can read along. This course also includes access to audio tracks to help you learn and practice. We have included three different recordings of each song. The first version features just the piano playing the melody line. The second version has the piano playing along with other instruments. The last recording features the other instruments with no piano so that you can practice playing the piano part in context.
