LORELAI WOOD

Sometimes Think of Me *Frommers
In 1912, a young naturalist named Robert Cushman Murphy was offered the opportunity of a lifetime - to spend two years on one of the last Yankee whaleships out of New Bedford, on a voyage to Antarctica. During the voyage, Murphy kept a journal, packing it with observations of his experiences on board.

Since 1957, Chase's Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500 holidays, national days, historical milestones, famous birthdays, festivals, sporting events and more. "One of the most impressive reference volumes in the world." -- Publishers Weekly
Calendar McGraw Hill Professional
Frank Conroy first visited Nantucket with a gang of college friends in 1955. They came on a whim, and for Conroy it was the beginning of a lifelong love affair with this "small, relaxed oasis in the ocean." This book, part travel diary, part memoir, is a hauntingly evocative and

personal journey through Nantucket: its sweeping dunes, rugged moors, remote beaches, secret fishing spots, and hidden forests and cranberry bogs. Admirers of Conroy's classic and acclaimed memoir *Stop-Time* will again delight in what James Atlas, writing in the *New York Times*, called his "genius for close observation." In *Time and Tide*, Conroy recounts the island's history from the glory days of the whaling boom to the present, when tourism dominates. He vividly evokes the clash of cultures between the working class and the super-rich, with the fragile ecology of the island always in the balance. But most fascinating of all, he tells his own story-- of playing jazz piano in the island's bars; of raising a barn in the early '60s with the help of a bunch of hippie carpenters; of leasing an old, failed bar with two island pals and turning it into the Roadhouse, a club "that was to be ours, the year-rounders, and to hell with the summer people." There's a marvelous story of his first golf game, played on an ancient nine-hole course with two friends, a part-time sommelier and a builder from the South who invented the one-handed pepper mill. This is a book that revels in friendship, music, history, and the gorgeous landscape of a unique

American place, and is a wonderful work by one of our greatest contemporary writers.

Are you a visual learner? Do you prefer instructions that show you how to do something - and skip the long-winded explanations? If so, then this book is for you. Open it up and you'll find clear, step-by-step screen shots that show you how to tackle more than 140 Outlook 2007 tasks. Each task-based spread includes easy, visual directions for performing necessary operations, including: Entering and using contacts Setting up and sorting e-mail Forwarding to your mobile device Subscribing to an RSS feed Publishing calendars to the Web Tracking your tasks and to-dos Helpful sidebars offer practical tips and tricks Full-color screen shots demonstrate each task Succinct explanations walk you through step by step Two-page lessons break big topics into bite-sized modules

Genealogy of the Macy Family From 1635-1868 Grand Central Publishing
From marriage, infidelity, and the mayhem of motherhood to scandal, tragedy, and illness—three women seek peace and comfort in Nantucket as they cope with life's challenges. Three women—burdened with small children, unwieldy straw hats, and some obvious emotional issues—tumble onto the Nantucket airport tarmac one hot June day. Vicki is trying to sort through the news that she has a serious illness. Her sister, Brenda, has just left her job after being caught in an affair with a student. And their friend Melanie, after seven failed in vitro attempts, is pregnant at last—but only after learning that her husband is having an affair. They have

come to escape, enjoy the sun, and relax in Nantucket's calming air. But into the house, into their world, steps twenty-two-year-old Josh Flynn. Barefoot weaves these four lives together in a story with enthralling sweep and scope—a novel that is as fun and memorable and bittersweet as that one perfect day of summer.

"Vivid and remarkably fresh...Philbrick has recast the Pilgrims for the ages."--

The New York Times Book Review

Finalist for the Pulitzer Prize in History

New York Times Book Review Top Ten

books of the Year With a new preface

marking the 400th anniversary of the

landing of the Mayflower. How did

America begin? That simple question

launches the acclaimed author of *In the*

Hurricane's Eye and *Valiant Ambition* on

an extraordinary journey to understand

the truth behind our most sacred

national myth: the voyage of the

Mayflower and the settlement of

Plymouth Colony. As Philbrick reveals in

this electrifying history of the Pilgrims,

the story of Plymouth Colony was a fifty-

five year epic that began in peril and

ended in war. New England erupted into

a bloody conflict that nearly wiped out

the English colonists and natives alike.

These events shaped the existing

communities and the country that would

grow from them.

2007 Calendar Writers Digest Books

To most of us "wash-ashores," the

islands of Martha's Vineyard and

Nantucket are resort destinations,

summer homes for the Kennedys, the

Obamas, and--yes--Bill Belichick. But the year-rounders see a different picture.

After the tourists and jetsetters leave,

the cold weather descends, and the local

shop owners, carpenters, and fishermen

ready themselves for the main event:

high school football. For over fifty years,

the local teams been locked in a fierce

rivalry. They play for pride, a trophy, and

very often, a shot at the league

championship. Despite their tiny

populations, both islands are dangerous

on the football field. In this far-reaching

book, James Sullivan tells the story not

only of the Whaler-Vineyarder rivalry,

but of two places without a country.

Filled with empty houses nine months of

the year, Nantucket and the Vineyard

have long, unique histories that include

such oddities as an attempt to secede

from the U.S., and the invention of a

proprietary sign language. Delving into

the rich history of both places, Sullivan

paints a picture of a bygone New

England, a place that has never stopped

fighting for its life--and for the rights to

coveted Island Cup.

The Tsar's Treasure captures the story of

the lost luxury White Star Liner known as

the Millionaires' Ship and Capt. Martin's

Bayerle 30-year quest to find her fabled

treasure. When the RMS Republic sank in

1909, she was the largest ship to sink in

history (only to be surpassed by her

sibling ship, RMS Titanic, a mere three

years later). When Republic sank, she

took with her not only all her cargo and

passenger effects, but also some

politically-sensitive secrets. Rumors of a

vast treasure, of "riches beyond most

men's wildest dreams," were published

the day after her sinking and have

persisted for more than 100 years. The

Tsar's Treasure documents Capt.

Bayerle's personal journey to uncover her secrets along with extensive research in an effort to substantiate or deny the rumors. The result is a deep-sea adventure riddled with subtle clues and impressive historical photos and documents. The reader is invited to examine the evidence and arrive at his or her own conclusions surrounding the century-old mystery of what may become the greatest treasure recovery of all-time.

The Teacher's Calendar, School Year

2007-2008 Government Printing Office

After more than a century of silence, the true story of one of history's most notorious mutinies is revealed in Joan Druett's riveting "nautical murder mystery" (USA Today). On May 25, 1841, the Massachusetts whaleship Sharon set out for the whaling ground of the northwestern Pacific. A year later, while most of the crew was out hunting, Captain Howes Norris was brutally murdered. When the men in the whaleboats returned, they found four

crew members on board, three of whom were covered in blood, the other screaming from atop the mast. Single-handedly, the third officer launched a surprise attack to recapture the Sharon, killing two of the attackers and subduing the other. An American investigation into the murder was never conducted--even when the Sharon returned home three years later, with only four of the original twenty-nine crew on board. Joan Druett, a historian who's been called a female Patrick O'Brian by the Wall Street Journal, dramatically re-creates the mystery of the ill-fated whaleship and reveals a voyage filled with savagery under the command of one of the most ruthless captains to sail the high seas. *Chase's Calendar of Events 2007* Legare Street Press

Completely updated every year (unlike most of the competition), Frommer's
