New York Times bestseller Pastor Steven Furtick draws on the biblical story of Elisha to give you the confidence to know that nothing is impossible with God, the clarity to see the next step He’s calling you to take, and the courage to do anything He tells you to do. Most of us aren’t in danger of ruining our lives, but we are in danger of wasting them. We all have honest moments when we’re gripped by a desire to feel that what we’re doing matters more. That who we are matters more. And according to John 14:12, Jesus wants the very same thing for every one of us: “Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father.” That single promise—“even greater things than these”—should be enough to shatter our acceptance of spiritual mediocrity. Unfortunately, most believers have only tried and given up on vague notions of greatness...then settled into a life that’s just good enough. But God has a vision for your life that is Greater. God is ready to accomplish a greatness in your life that is entirely out of human reach—beyond anything you see in yourself on your best day, but exactly what God has seen in you all along. In Greater, Pastor Steven Furtick draws on the biblical story of Elisha to empower you to: • Take a God-given dream from idea to reality • Stretch your limited resources and abilities in ways you never thought possible • Replace the images of yourself that keep you feeling stuck in the past • Make a significant impact with your life starting today, rather than making endless plans for tomorrow that you never get around to If you’re tired of being ordinary, it’s time to dream bigger. If you’re feeling overwhelmed about where to begin, it’s time to start smaller. It’s time to ignite God’s Greater vision for your life.

Who you think you are is not as important as who God says you are... Many of us wrestle with the gap between our weaknesses and our dreams, between who we are and who God says we are meant to be. We feel unqualified to do God’s work or to live out the calling we imagine. But God has a way of using our weaknesses for good. In fact, God loves unqualified people. In (Un)Qualified, Pastor Steven Furtick helps you peel back the assumptions you’ve made about yourself and see yourself as God sees you. Because true peace and confidence come not from worldly perfection but from acceptance: God’s acceptance of you, your acceptance of yourself, and your acceptance of God’s process of change. This is a book about understanding your identity in light of who God is. It’s a book about coming to terms with the good, the bad, and the unmentionable in your life and learning to let God use you. It’s about charging into the gap between your present and your hopes and meeting God there. After all, God can’t bless who you pretend to be. But he longs to bless who you really are; a flawed and broken person. Good thing for us that God is in the business of using broken people to do big things. Being unqualified is God's favorite qualification... Our culture tells us that the answer to our failures is to fix them. The solution to our weaknesses is to hide them. The secret to our success is to appear as flawless as possible. But God’s qualifying system is different than the world’s. So is his view of our weaknesses, our purpose, and our true selves. In (Un)Qualified, Steven Furtick explores who God is as the great “I AM,” and then helps us discover our own identity. Delving into the story of Jacob, Furtick invites us to acknowledge our weaknesses and ask God to work through them. The truth is, God has created us to be more, to accomplish more, and to love life more than we ever thought possible. But to become who he has called us to be, we must embrace who we are right now. (Un)Qualified equips us to face obstacles and failures without losing a sense of purpose. We can have a thriving sense of hope that God is working in us and through us, not in spite of our weaknesses but often as a direct result of them.

Arkady and Boris Strugatsky are widely known as the greatest Russian writers of science fiction, and their 1964 novel *Hard to Be a God* is considered one of the greatest of their works. It tells the story of Don Rumata, who is sent from Earth to the medieval kingdom of Arkanar with instructions to observe and to influence, but never to directly interfere. Masquerading as an arrogant nobleman, a dueler and a brawler, Don Rumata is never defeated but can never kill. With his doubt and compassion, and his deep love for a local girl named Kira, Rumata wants to save the kingdom from the machinations of Don Reba, the First Minister to the king. But given his orders, what role can he play? *Hard to Be a God* has inspired a computer role-playing game and two movies, including Aleksei German's long-awaited swan song. Yet until now the only English version (out of print for over thirty years) was based on a German translation, and was full of errors, infelicities, and misunderstandings. This new edition—translated by Olena Bormashenko, whose translation of the authors' *Roadside Picnic* has received widespread acclaim, and supplemented with a new foreword by Hari Kunzru and an afterword by Boris Strugatsky, both of which supply much-needed context—reintroduces one of the most profound Soviet-era novels to an eager audience.

"One of the greatest sources of prophetic vision is found by better understanding our past," says Rick Joyner. "I studied Christ's interaction with the apostles as well as the life of the early church to be obedient to a heavenly vision in which I was told that I would not be able to accurately foresee the future until I understood the past." In this important book Joyner looks at the life and ministry of the apostles and of later generations so that Christians today can close the openings the enemy has used to gain entry and do his deadly work. He examines the successes and failures of Christians of the past so we can better understand how to be God's servants today.

**The Man God Uses** Chicago Review Press

A brilliant inquiry into the origins of human nature from the author of *Rationality, The Better Angels of Our Nature, and Enlightenment Now*.

"Sweeping, erudite, sharply argued, and fun to read..also highly persuasive." --Time Finalist for the Pulitzer Prize Updated with a new afterword One of the world's leading experts on language and the mind explores the idea of human nature and its moral, emotional, and political colorings. With characteristic wit, lucidity, and insight, Pinker argues that the dogma that the mind has no innate traits—a doctrine held by many intellectuals during the past century—denies our common humanity and our individual preferences, replaces objective analyses of social problems with feel-good slogans, and distorts our understanding of politics, violence, parenting, and the arts. Injecting calm and rationality into debates that are notorious for ax-grinding and mud-slinging, Pinker shows the importance of an honest acknowledgment of human nature based on science and common sense.

**Conversations with God for Teens** Hachette UK

This is an amazing story about how God used some very ordinary people to do extraordinary things - unqualified, unlikely people who took a risk and saw God glorify Himself through their crazy obedience. Woven within the story you'll learn secrets to being used by God yourself. You'll come away inspired, encouraged and convinced that God is able to use you, too. Rick's own pastor told him, "You're the most unlikely candidate for ministry I've ever met." Ouch! But his pastor was right. Abandoned by a violent alcoholic father, Rick grew up in a blue-collar home where he began working at the age of eight. He was discouraged from college, repeatedly failed to be promoted in the Navy and fell flat trying to plant a church. But when Rick and his family moved to war-torn Guatemala, God engineered a thrilling, atypical path to founding an agency that has sent thousands of missionaries and ministers into over 70 nations. "Commission To Every Nation," is more than just the story of one man's reluctant journey to begin an international mission organization. It's the story of how God uses unqualified, ordinary people - people just like you - to accomplish extraordinary results for His glory. You'll feel like you've made a new friend as, with humor and transparency, Rick shares lessons learned through a sometimes quirky walk with the Lord.
