CAMILLE BRIDGET

Mission from Cape Coast Castle to Ashantee Dramatists Play Service, Inc. When a girl is found dead with a signed copy of Rudian Stefa's latest book in her possession, the author finds himself summoned for an interview by the Party Committee. Unable to guess what transgression he has committed Rudian goes fearfully to meet his interrogators. He has never met the girl in question but he remembers signing the book. As the influence of a paranoid regime steals up on him, Rudian finds himself swept along on a surreal quest to discover what really happened to the mysterious girl to whom he wrote the dedication - to Linda B.

A Lapidary of Sacred Stones

Cambridge University Press
George Kennedy's three volumes on classical rhetoric have long been regarded as authoritative treatments of the subject. This new volume, an extensive revision and abridgment of *The Art of Persuasion in Greece*, *The Art of Rhetoric in the Roman World*, and *Greek Rhetoric under Christian Emperors*, provides a comprehensive history of classical rhetoric, one that is

sure to become a standard for its time. Kennedy begins by identifying the rhetorical features of early Greek literature that anticipated the formulation of "metarhetoric," or a theory of rhetoric, in the fifth and fourth centuries b.c.e. and then traces the development of that theory through the Greco-Roman period. He gives an account of the teaching of literary and oral composition in schools, and of Greek and Latin oratory as the primary rhetorical genre. He also discusses the overlapping disciplines of ancient philosophy and religion and their interaction with rhetoric. The result is a broad and engaging history of classical rhetoric that will prove especially useful for students and for others who want an overview of classical rhetoric in condensed form.

Travels in Northern Greece Oxford University Press

Prepare to enter a world where a nation so great is finally tested as if jackals and lions collide. Will Valkar be a jackal or a lion?

Kanuni i Lekë Dukagjinit Cambridge University Press

Companion volume to our 6,000-word English-Haitian Dictionary. Contains over 57,000 Haitian words and expressions. "There is no surer way to

negate a people than to valify that which represnets their very essence: Their language. To defile the Haitian language is to defule the Haitian people."

Haitian-English Dictionary Geological Society of America

An old woman is awoken in the dead of night by knocks at her front door. The woman opens it to find her daughter, Doruntine, standing there alone in the darkness. She has been brought home from a distant land by a mysterious rider she claims is her brother Konstandin. But unbeknownst to her, Konstandin has been dead for years. What follows is chain of events which plunges a medieval village into fear and mistrust. Who is the ghost rider?

A Model for a Better Future BEST Academy

A comparative study of European countries' efforts to reform pension systems in the context of ageing populations.

SETI Thomas Nelson

From Ismail Kadare, winner of the inaugural Man Booker International Prize – a novelist in the class of Coetzee, Pamuk, Márquez, and Rushdie – the stunning new translation of one of his major works. In the early fifteenth century, as winter falls away, the people of Albania know that their fate is sealed. They have refused to negotiate with the Ottoman Empire, and war is now inevitable. Soon enough, dust kicked up by Turkish horses is spotted from a citadel. Brightly coloured banners, hastily constructed minarets, and tens of thousands of men fill the plain below. From this moment on, the world is waiting to hear that the fortress has fallen. *The Siege* tells the enthralling story of the weeks and months that follow – of the exhilaration and despair of the battlefield, the constantly shifting

strategies of war, and those whose lives are held in the balance, from the Pasha himself to the artillerymen, astrologer, blind poet, and harem of women who accompany him. "Believe me," the general said. "I've taken part in many sieges but this," he waved towards the castle walls, "is where the most fearful carnage of our times will take place. And you surely know as well as I do that great massacres always give birth to great books. You really do have an opportunity to write a thundering chronicle redolent with pitch and blood, and it will be utterly different from the graceful whines composed at the fireside by squealers who never went to war."

Brilliantly vivid, as insightful as it is compelling, *The Siege* is an unforgettable account of the clash of two great civilisations, and a portrait of war that will resonate across the centuries.

Madagascar Canongate Books

This is a thoroughly revised edition of Glynne Wickham's important history of the development of dramatic art in Christian Europe. Professor Wickham surveys the foundations on which this dramatic art was built: the architecture, costumes and ceremonial of the imperial court at Byzantium, the liturgies of countries in the Eastern and Western Empires and the triumph of the Roman rite and the Romanesque style in Western art. Within this context Professor Wickham describes three major influences upon the drama: religion, recreation and commerce. The

first produced the liturgical music drama rooted in praise of Christ the King, vernacular Corpus Christi drama, Saint Plays and Moralities centred on the humanity of Christ. The second gave rise to the secular theatres of social recreation based on the games and dances of village communities and the more sophisticated sex and war games of the nobility. The section on commerce shows how the development of the drama was intimately related to questions of funding and management which led, during the sixteenth century, to the substitution of a professional for an amateur theatre, and to a growing emphasis on stage spectacle. For this third edition the author has added a substantial section on monastic reform and its effect on Biblical translation and the use of allegory; a final chapter charts the transition in different European countries from this medieval Gothic theatre to the neoclassical methods of play construction and representation which flourished for the next two hundred years. The book gorges a coherent pattern through a very large and complicated subject. It is an excellent introduction to medieval theatre for undergraduates and to the growing number of theatregoers who enjoy contemporary revivals of medieval plays. A large plate section gives a pictorial version of the story, using photographs of contemporary manuscript illuminations, mosaics, frescoes, paintings and sculptures.

Macedonian Short Stories Princeton University Press

Drawing on newly accessible archives as well as memoirs and other sources, this biographical dictionary documents the lives of some two thousand notable figures in twentieth-century Central and Eastern Europe. A unique compendium

of information that is not currently available in any other single resource, the dictionary provides concise profiles of the region's most important historical and cultural actors, from Ivo Andric to King Zog. Coverage includes Albania, Belarus, the Czech and Slovak Republics, Hungary, Estonia, Latvia, Lithuania, Poland, Romania and Moldova, Ukraine, and the countries that made up Yugoslavia.

A Papyrus of the Late Middle Kingdom in the Brooklyn Museum, (Papyrus Brooklyn 35.1446) Routledge

A comprehensive handbook of more than 1,000 magical words, phrases, symbols, and secret alphabets • Explains the origins, derivatives, and practical usage of each word, phrase, and spell as well as how they can be combined for custom spells • Based on the magical traditions of Europe, Greece, and Egypt and recently discovered one-of-a-kind grimoires from Scandinavia, France, and Germany • Includes an in-depth exploration of secret magical alphabets, including those based on Hebrew letters, Kabbalistic symbols, astrological signs, and runes From Abracadabra to the now famous spells of the Harry Potter series, magic words are no longer confined to

the practices of pagans, alchemists, witches, and occultists. They have become part of the popular imagination of the Western world. Passed down from ancient Babylon, Egypt, and Greece, these words and the rituals surrounding them have survived through the millennia because they work. And as scholar Claude Lecouteux reveals, often the more impenetrable they seem, the more effective they are. Analyzing more than 7,000 spells from the magical traditions of Europe as well as the magical papyri of the Greeks and recently discovered one-of-a-kind grimoires from Scandinavia, France, and Germany, Lecouteux has compiled a comprehensive dictionary of ancient magic words, phrases, and spells along with an in-depth exploration--the first in English--of secret magical alphabets, including those based on Hebrew letters, Kabbalistic symbols, astrological signs, and runes. Drawing upon thousands of medieval accounts and famous manuscripts such as the Heptameron of Peter Abano, the author examines the origins of each word or spell, offering detailed instructions on their successful use, whether for protection, love, wealth, or healing. He charts their evolution and derivations through the centuries, showing, for example, how spells that were once intended to put out fires evolved to protect people from witchcraft. He reveals the inherent versatility of magic words and how each sorcerer or witch had a set of stock phrases they would combine to build a custom spell for the magical need at hand. Presenting a wealth of material on magical words, signs, and charms, both common and obscure, Lecouteux also explores the magical words and spells of ancient Scandinavia, the Hispano-Arabic magic of Spain before the Reconquista,

the traditions passed down from ancient Egypt, and those that have stayed in use until the present day.

Black Maps Simon and Schuster

Summarises the history, geology and minerology of all known pegmatites in Western Australia, as well as providing specific geodetic locations of these deposits and their ownership, where known.

Showdown with the Shepherd Fulton Books, Inc.

John March walked away from his family's merchant bank for the life of a rural deputy sheriff--a life that would explode in personal tragedy and professional disaster. Three years later, March is back in New York City, working as a private investigator and still running from his grief and guilt. When he takes the case of Rick Pierro, a wealthy investment banker threatened by blackmail, March is swiftly drawn into a web of Wall Street insiders and outcasts, and back to a world he thought he'd left behind. The more he learns about Pierro's connections to a notorious international bank that made billions in blood-money, the darker the terrain becomes. Soon March's own life is in danger, as he follows a trail of blood and shattered lives to a ruthless and depraved extortionist. In this thrilling and intelligent debut, Peter Spiegelman illuminates the dark underside of the financial world and introduces one of the most compelling fictional detectives of the new millennium.

The Politics of Pension Reform Lapis International LLC

The tender plant of Albanian literature grew in a rocky soil. It was late to evolve and its development, indeed its very existence, was threatened in many periods. "Albanian Literature: A Short History" tells the story of the survival

and growth of Albanian creative writing beginning with the earliest thirteenth century texts of Theodor of Shkodra, tracing the development of the modern literature of Buzuku, Budi and Bogdani, the incorporation of the Muslim influences of Frakulla and Kycyku and continuing with the works of Cajupi and Kadare during the reign of King Zog and the Hoxha administration. A unique book that illuminates an under-researched subject, "Albanian Literature" is an essential reference guide for all those interested in Balkan cultures, in comparative literature and in European cultural history in general.

The Three Edwards Routledge

A comprehensive dictionary of sacred and magical gem lore that draws on the rarest source texts of Antiquity and the Middle Ages • Reveals the healing and magical virtues of familiar gemstones, such as amethyst, emerald, and diamond, as well as the lore surrounding exotic stones such as astrios, a stone celebrated by ancient magicians • Examines bezoars (stones formed in animals' bodies) and "magnets" that attract materials other than metal • Based on ancient Arabic, Greek, Jewish, and European sources, ranging from the observations of Pliny the Elder to extremely rare texts such as the Picatrix and Damigeron's Virtue of Stones Our ancestors believed stones were home to sacred beings of power, entities that if properly understood and cultivated could provide people protection from ill fortune, envy, and witchcraft; grant invisibility and other magical powers; improve memory; and heal the sick from a wide variety of diseases. These benefits could be obtained by wearing the stone on a ring, bracelet, or pendant; through massage treatments with the stone; or by reducing the gem into a

powder and drinking it mixed with water or wine. Drawing from a wealth of ancient Arabic, Greek, Jewish, and European sources--from the observations of Pliny the Elder to extremely rare texts such as the Picatrix and Damigeron's Virtue of Stones--Claude Lecouteux provides a synthesis of all known lore for more than 800 stones. He includes such common examples as the emerald, which when engraved with the figure of a harpy holding a lamprey in its claws will banish panic and nightmares, and beryl, which when appropriately carved can summon water spirits or win its owner high renown, as well as more exotic stones such as astrios, a stone celebrated by ancient magicians and whose center glows like a star. Lecouteux also examines bezoars--stones formed in animals' bodies--as well as "magnets" that attract materials other than iron, such as gold, flesh, cotton, or scorpions. This comprehensive dictionary of sacred and magical gem lore, drawn from the rarest sources of Antiquity and the Middle Ages, represents a one-of-a-kind resource for gem enthusiasts and magical practitioners alike.

The Ghost Rider Libri Elektronik

When it was first published in the author's native country, THE PALACE OF DREAMS was immediately banned. The novel revolves around a secret ministry whose task is not just to spy on its citizens, but to collect and interpret their dreams. An entire nation's unconscious is thus tapped and meticulously laid bare in the form of images and symbols of the dreaming mind.

Mitsinari Vintage Crime/Black Lizard

"THE CODE OF LEKE DUKAGJINI is a great cultural treasure, comparable to the chapters of The Old Testament." "It provides deep insights into the ancient

society of the Albanians, their somber dignity & their magnificent sense of honor."--David Binder, The New York Times. "This legal system was established & passed on to future generations as a common law by Leke Dukagjini, a co-fighter of the legendary Skenderbeg." "The 'Besa' or the 'word of honor' as stated in THE CODE OF LEKE DUKAGJINI which means peace & protection to those whom it is given, has become today an important fighting tool in the political struggle of Kosovo's Albanians against Serb oppression."--Victor Meier, The Frankfurter Allgemeine Zeitung. "The legal Code of the Albanians known by them for a thousand years, is one of the most original in the history of mankind. Among the basic pillars of this code are the equality of men before the code & the non-abuse of justice." "The entire essence of the legal code of the Albanians is an unparalleled rigorous respect for this basic principle: non-violation of the dignity of a man- his honor, home, & life."--Ismail Kadare, Albanian writer.

Durang/Durang I.B. Tauris
Vocabulary lists made for EFL/ESL learners that reinforce phonemes and phonics skills. Each list of words has several exercises and start with common topics and sounds, including the long

and short (or strong and weak) vowels. The lists coordinate grade to grade and within the other subject workbooks of Grammar, Reading and Phonics from B.E.S.T. Academy for the same level. This is the second in a series of 6, where the vocabulary recycles but increases for each level, and the lists are longer for each progressing book. Designed for primary/elementary grades. For more programs or digital licensing for Classroom use please consult www.bestacademyefl.com! For teacher information and resources about this book, please email us at info@bestacademyefl.com!

The Autobiography of the People in Verse Bloomsbury Academic
Over 1 million sold in series! The key to adventure lies within your imagination! Cousins Patrick and Beth go to the Holy Land in the tenth century BC. Their goal is to get back the ring Hugh stole and return him to 1450s England where he belongs. But troubles await them as soon as they step out of the Imagination Station. First they meet an angry bear and later an angry giant. Set against the backdrop of the David and Goliath story, the cousins learn that having a giant faith is more important than having a giant on your side.
