PRAYER POWER reveals undreamed of opportunities for better, happier life on earth and in eternity. Carefully, yet with utmost simplicity, Connell explains prayer as human effort and power as God's response to that effort. When the two combine, divine love flows from the very essence of God into the soul, mind and body of a person who prays. PRAYER POWER transcends nations and economic and social barriers, ennobling people, places, things and circumstances. This inspiring guide shows how prayer power strengthens souls, animates bodies, illuminates minds and reflects personal and cosmic goodness. PRAYER POWER is filled with prayers for all occasions. Beautifully interwoven with the prayers are inspiring revelations of many cherished spiritual mentors including the Blessed Virgin Mary, Saint Joseph, Saint Francis of Assisi, Saint Therese of Lisieux, Saint Bernadette of Lourdes, Saint Albert the Great, Saint Bernard of Clairvaux, Saint Josemaria Escriva, Mother Theresa of Calcutta, Saint John Paul II, the Archangels Michael, Gabriel, Raphael, Guardian Angels and many more. Powerful Novenas for powerful needs are included in this book: the Never-Fail Novena to Jesus, the Divine Mercy Novena and Chaplet, the Novena to The Holy Spirit, the Novena to Saint Jude for Hopeless Cases and the Rosary Novena. Among some of Christianity's most beautiful prayers and promises in this book are specific prayers for celebrations, holidays, family gatherings, weddings, baptisms, wakes and generational healing. Flowing with sacred scripture, PRAYER POWER is a gift of love, wisdom and joy that needs to be shared. Sure to bring happiness, consolation and courage to seekers everywhere, PRAYER POWER is a way of life that enlightens everyone.

Each year, millions of people from all over the world bathe in the water of a spring in Lourdes, France. They come to pray for physical and spiritual healing and to remember a young girl who was chosen by the Mother of Jesus to draw us closer to her Son. Captivatingly illustrated with delicate mixed media—watercolor, inks, gold overlays, and collage—this lovely book tells the story of Saint Bernadette and the beautiful lady, the miraculous spring, and the wonders that continue to make Lourdes a sign of God's tender love for humanity, and especially for the sick. This book has a very precious look with its lovely gold overlays, and its very unique art. It has a quite different style from the other volumes in the "Life of a Saint" series. Ages 5 and up.

Bernard Guillaumet, a non-Christian French journalist, is assigned the job of doing a story on Lourdes in the late 1990s. While researching for his report on Lourdes, Bernard comes across the pages of an old family manuscript written by his ancestor, Henri Guillaumet, who met Bernadette at Lourdes in 1858, a meeting which profoundly affected Henri and forced him to reconsider the miracles performed following the apparitions of the Madonna of Lourdes. This intriguing film uses the pages of the manuscript to trace the stories of three lives--Bernadette, Henry, and Bernard, three characters whose lives intertwine as they pursue parallel journeys according to the designs of Providence. Directed by Lodovico Gasparini ("St. John Bosco, Don Matteo"), stars Alessandro Gassman, Angele Osinski, and Sydne Rome, and written by Vittorio Messori ("The Ratzinger Report").

Two thousand years ago, Jesus told the parable of the suffering beggar Lazarus and the rich man. Each had died, with Lazarus joining God in heaven for all eternity while the rich man was condemned to the flames of hell. "Send someone to warn my brothers," the rich man pleaded, "so they won't end up in this place of torment." But God said, "They have the prophets to warn them, your brothers can listen to them." To which the rich man responded, "Then let Lazarus return from the dead that they may believe." But God said, "They will not believe even if a man should rise from the dead." Over the last five hundred years we have witnessed a great many Apparitions of the Virgin Mary in places such as Guadalupe, Mexico; Lourdes, France; Fatima, Portugal. Each Apparition has carried a distinct, albeit similar, message. Pray the Rosary every day, sacrifice for the conversion of sinners and stop offending God. To do these things will mean the defeat of Satan and his Godless ways; an end to Communism and its worldly tendencies; and peace and harmony on earth. Regardless of the associated miracles witnessed by thousands, millions of people continue to deny the reality of the Apparitions and decry the message as a joke. This book recounts the historical life of Bernadette Soubirous of Lourdes, France. A rather ordinary nineteenth century life turned upside down at the tender age of fourteen by the miraculous events that occurred in a rock Grotto near the dumping grounds of Massabielle; the many Apparitions of a Woman who identified Herself as The Immaculate Conception; the miraculous cures that were attributed to a spring of common water, the Virgin's message to mankind; and the extraordinary relevance today for all that care to listen. But as Jesus said, "Even if someone should rise from the dead there would still be unbelievers." Isn't it a pity?

This is the story of the girl to whom the Blessed Virgin appeared as a little young lady and revealed herself as the Immaculate Conception. Bernadette Soubirous lived with her family in the abandoned jail of the little French village of Lourdes, never dreaming that the very name of Lourdes would one day bring inspiration and hope to millions. Bernadette studied her Catechism, took care of her brothers and sisters, and gathered firewood - and no one knew she was a Saint. But one day, as she was gathering wood, Our lady appeared. Within a few weeks, thousands were kneeling in the field to pray to the Lady who could be seen and heard only by Bernadette. This was the beginning of one of the greatest Marian Shrines of modern times and of the miracles with which Our Lady blessed her children. Transforming the World. From Augustine to Mother Teresa, officially canonized as St. Teresa of Calcutta, discover seventy of the best-known and best-loved saints and read their riveting stories. Meet Joan of Arc, whose transcendent faith compelled her to lead an army when the king's courage failed. Francis of Assisi, whose gentleness tamed a man-eating wolf. Valentine, a bishop in the time of ancient Rome, who spoke so often of Christ's love that his saint's day, February 12, has been associated with courtly love since the Middle Ages. St. Thomas Aquinas, the great teacher. Peter Claver, who cared for hundreds of thousands of people on slave ships after their voyage as captives. And Bernadette, whose vision of Mary instructed her to dig the spring that became the healing waters of Lourdes. Each saint is illustrated in a dramatic and stylized full-color portrait, and included in every entry are the saint's dates, location, emblems, feast days, and patronage. Taken together, these stories create a rich, inspiring, and entertaining history of faith and courage. For kids age 10 and up. A perfect gift for Confirmation.

"Perhaps you have already heard about Lourdes, a little town in the French Pyrenees Mountains famous all over the world. Thousands of Christians go there every year to pray. Sick people from all countries come in the hope of being cured. And yet, a hundred and fifty years ago, Lourdes was a very little village, and Bernadette, the one who started it all, was just a very simple girl of fourteen." So begins the story of Bernadette and her amazing encounters with the Blessed Virgin Mary. Young readers will enjoy the lovely watercolors and lively text, as they are introduced to the simple girl whose visions of a "beautiful Lady" resulted in the discovery of a miraculous spring.

The Miracle CreateSpace

What are miracles? Why do miracles happen? Do miracles still happen? The subject of miraculous activity is one that has compelled believers for millennia. This book describes and recounts some of the most fascinating stories that have taken place not on the dusty pages of some centuries-old manuscript, but here and now in our own modern world. Fr. Paul Glynn, a Marist priest, takes the reader on a trip around the world to the sites of miraculous happenings, including healings, apparitions and conversions, including Lourdes, Knock, and Fatima. Through personal accounts and meticulous studies, he is able to show solid evidence and proof of God's work in our lives. These inspiring stories will enhance the reader's faith as well as provide a bastion of comfort for those in doubt. Illustrated with many photos.

God doesn't need humans to work miracles for Him, but as veteran Catholic author Patricia Treece shows, it certainly seems His good pleasure to perform great miracles by means of human prayers and human hands. For more than a quarter century, Treece, America's most experienced and revered saint-watcher, has gathered numerous fascinating reports of miraculous healings brought about in our lifetime. Among them is the complete 2005 cure of Sr. Marie Simon-Pierre's advanced Parkinson's disease after she appealed for healing to the just-deceased Pope John Paul II. After intense scrutiny, the Vatican declared her healing miraculous, leading to John Paul's beatification and canonization. Here, too, are tales of scores of lesser-known healings brought to light by Treece's own investigations into little-known official Vatican documents, as well as from her many interviews with living witnesses of miraculous healings, including several whose healings have been accepted by the Vatican as grounds for the canonization of their intercessors. You'll read vivid but sober accounts of the lives and of the miracles wrought by some of the greatest healers of all, with details of a host of authenticated healings by André Bessette, John Bosco, Frances Cabrini, Solanus Casey, John Paul II, Padre Pio, Elizabeth Seton, Francis Xavier Seelos, Fulton Sheen, Mother Teresa, and other good men and women blessed by God with remarkable healing charisms. The healings documented here are not hasty judgments made by gullible, overwrought believers; they are instantaneous, complete, and permanent cures for which scientific medicine still has no explanations cures that also meet the Vatican's stringent seven-

part test of authenticity. When faced with a woman skeptical about whether she could be cured, the healer Solanus Casey is reported to have said, Don't you know that God can cure cancer just as easily as the common cold? Not only can God do this: These pages show that He is doing it ... so often and so obviously that even in our day miraculous healings are giving pause to hardened skeptics and bringing joy to the hearts of believers who rightly see in them overwhelming evidence of God's love for each of us. May they bring joy to your heart as well and renew the confidence in His love that God yearns for you to have!

ST. BERNADETTE SOUBIROUS is a two-fold story: that of the apparition of the Blessed Virgin Mary at Lourdes, France in 1858, as well as of the 14-year-old peasant girl—raised in dire poverty and unable to read—to whom Our Lady appeared. But more, it is also the story of St. Bernadette's hidden life as a seemingly ordinary nun in her convent at Nevers, where she reached such holiness that after her death, God saw fit to preserve her body incorrupt—as it remains to this day! Beautifully set forth in this book are St. Bernadette's childhood and life at home, her character—honest, intelligent and straightforward—her description of Our Lady, the events surrounding the 18

apparitions, the opposition of the civil authorities, and the shrine and miraculous spring at Lourdes. Also described are Bernadette's life in the convent, where she suffered a martyrdom in body and in soul.

Our Lady's Wardrobe Sphere

Continuously popular since it first appeared in 1977, *The Incorruptibles* remains the acknowledged classic on the bodies of Saints that did not undergo decomposition after death, many remaining fresh and flexible for years, or even centuries. After explaining both natural and artificial mummification, the author shows that the incorruption of the Saints bodies fits into neither category but constitutes a much greater phenomenon which is unexplained by modern science even to this day. The author presents 102 canonized Saints, Beati and Venerables, summarizing their lives, the discovery of their incorruption and investigations by Church and medical authorities. The incorruptible bodies of saints are a consoling sign of Christ's victory over death, a confirmation of the dogma of the

Resurrection of the Body, a sign that the Saints are still with us in the Mystical Body of Christ, as well as a proof of the truth of the Catholic Faith for only in the Catholic Church do we find this phenomenon.

Miracles Ignatius Press

As sightings of the Virgin Mary have increased around the world over the last couple of decades, the Vatican has placed increased importance on a group of theologians, scientists and physicians whose job is to investigate them. These are the miracle detectives. Randall Sullivan's book follows these investigators on the trail of the Virgin Mary from the Vatican City in Rome to Oregon, Arizona, Venezuela, Switzerland, Ireland, Japan and Kenya. What he discovers is that every road and each mystery leads back to a tiny village in Bosnia. There, against the background of the ongoing war, eight young visionaries have been receiving what they say are the final apparitions of the Madonna. These appearances, which began in 1981 in a small village in the former Yugoslavia, have been more thoroughly examined than any purported miraculous phenomenon in history. To date, the results defy explanation. This is an amazing story of religious mysticism, as well as a testing of the author's own faith and beliefs.
