<p>Horse Storey Books Learn about your favorite equine breeds with this easy-to-use reference on their conformation, colors, and characteristics—from Arabians to Welsh Ponies. Thinking of acquiring a horse? Studying equine breeds and traits? Or simply curious about the magnificent creatures? This book, with profiles of one hundred horse, pony, and draft breeds, is the most comprehensive field guide to horses ever published. Illustrated throughout with fine color photographs, the profiles detail the characteristics and unique aspects of each breed; they also include brief histories and explain distinctions of equine color genetics, markings and patterns, and conformation. Complete, concise, and compact, this field guide is as handy as it is informative—the perfect companion for anyone considering horses.</p> <p><i>The Ultimate Guide to Horses</i> Chartwell Books The Book of Horses celebrates the world of the magnificent horse. An engaging visual feast, it transports readers from the Mongolian steppe to thrilling racetrack. The lavish pictures - including evocative photographs and horse profiles - tell their own stories without the need for too much text. Discover the white horses of the Camargue that gallop through the sea, the lithe thoroughbreds that race at 43 miles an hour, and the brave war horses that plunged into the horror of battle, and many more. At the same time, readers will learn how to care for horses and ponies, keeping them in top condition.</p> <p><i>The Ultimate Guide to Horse Health & Care</i> Createspace Independent Publishing Platform With a wealth of facts, clear descriptions and beautiful photographs covering over 140 breeds and types, this book is the perfect starting place for anyone interested in the rich variety of horses and ponies. This splendidly illustrated guide offers a window on the equine world around the globe.</p> <p><i>The Joy of Keeping Horses</i> tuttlehak This guide for horse owners, veterinarians, and students of veterinary medicine covers every critical aspect of equine health management.</p> <p><i>The Ultimate Guide to Horse Colors</i> Rockridge Press Finally, a comprehensive collection of world-renowned equine expert Linda Tellington-Jones' healing equine bodywork and training exercises, for use both on the ground and in the saddle. In one fabulously illustrated book, those new to Linda's approach are provided with a clear, step-by-step introduction to the Tellington Method, while those familiar with her work finally have the ultimate go-to reference. The book is divided into three parts. Part One briefly explains the background of the Tellington Method and then discusses the reasons for unwanted behavior and poor attitude in horses. Part Two, arranged alphabetically, contains a compendium of 72 common behavioral, training and health issues, many of which horse people face on a daily basis. In this A to Z format, from Aggressive to Other Horses to Weaving, Linda discusses the possible reasons for these behaviors or problems and offers conventional methods of solving these challenges, as well as training solutions using the Tellington Method. Part Three presents—for the first time in one volume—the complete body of work that makes up the Tellington Method: the Tellington TTouches, Ground Exercises, and Ridden Work. At the end of this section, there is also a detailed case study, which includes 49 photographs showing every step along the way to successfully teaching your horse to load.</p> <p>The Ultimate Guide to Horse Colors DK Publishing (Dorling Kindersley) Describes the different types of horse breeds along with information on such topics as buying a horse, keeping a horse, care, equipment, and grooming.</p> <p>The Everything Horse Care Book Independently Published An illustrated guide to the domestication, uses, breeds, and care of horses and the various events connected with them.</p> <p><i>The Ultimate Guide to Handicapping the Horses</i> Penguin The Joy of Keeping Horses is a celebration of how to best keep happy and healthy horses at home. With an emphasis on the differences between owning a horse at a boarding stable and keeping that same horse at your own small farm, this beautiful, clear guide is written specifically for horse lovers who are considering taking the plunge into farm ownership. Jessie Shiers lays out all the important facts and information, from purchasing property and building facilities to daily grooming and nutritional needs. Shiers also dispels some common myths and misconceptions about horses, and answers questions the novice owner may not know to ask. Along the way, she shares anecdotes from her own experiences and from interviews with other horse owners that demonstrate the main reason people choose to keep horses: the joy they bring to the lives of their owners.</p> <p><i>The Ultimate Horse Behavior and Training Book</i> Rockridge Press Featuring 87 beautifully illustrated full-color pages and detailed descriptions of over 100 horse coat color variations, patterns, and markings, as well as eye colors and genetics, The Ultimate Guide to Horse Colors truly is an all-encompassing guide and a must-have for any horse enthusiast. Artisans and equestrians alike will appreciate Ashley Stollberg's immense knowledge of the equestrian world and her delightful presentation on every page.
