ALEXANDER WHEELER

Invaded Blushing Publications

Morgan hatte gehofft, dass dieser Tag nicht kommen würde – der Tag, an dem sie Terra Alpha verlassen muss und auf einen neuen Siedlungsplaneten ziehen. Fremde Menschen, eine unzivilisierte Umgebung ... Morgan ist frustriert und findet sich nur schwer in diesem neuen Leben zurecht. Außerdem macht ihr Creature das Leben schwer ... Creature ist entschlossen, den neuen Planeten zu kultivieren und zu einem zweiten Terra Alpha zu machen. Seinen Job als Siedlungsleiter sieht er als Berufung. Alles wäre gut, wenn nicht Morgan ständig Ärger machen würde. Sie bringt Streit und Unruhe in die Siedlungsgruppe. Vielleicht muss Creature zuerst Morgen kultivieren, bevor er sich dem Planeten widmen kann ...

Alien General's Rebel Consort neobooks

Eigentlich wollte Summer nur einen Urlaub von der Uni im Ferienhaus ihrer Freundin verbringen. Doch als sie Marik trifft, verwandelt sich ihr Leben in ein Chaos. Marik spricht in Rätseln, vor ihrem Haus schleicht eine Raubkatze herum, und seine Brüder sind auch nicht gerade vertrauenerweckend. Summer ahnt nicht, dass sie bereits Teil eines Jagdspiels ist - und sie die Beute! Die neue New Adult Sommer Romance

Invasion neobooks

“They killed my family. My friends. When I had nothing left, they brought me here, for him to kill. But only once he’s finished playing his game of cat and mouse.” Aspen: I was stripped and put in a cell with a huge alien. He has been driven over the edge. He wants to kill me, but first he wants to destroy my mind. I can't give him a reason not to, but I won't go down without a fight. He invades every part of me, forces me to call him Master, and subjects me to his mind control. I have nothing left to lose. He thinks he can break me. Can you break something that's as wrecked as I am? Keth: Humans have taken everything from me: My home, my family, my wife, and they want to take my sanity. They're afraid of me. Grande Pharma imprisoned me and subjected me to tests. They gave me mind control. But they hadn't banked on me running my own psychological tests. My hypothesis was simple: What would it take to break the human women who kept getting sent in here to seduce me for information? I take them apart, piece by piece. Revel in destroying them. But Aspen is different. She's feisty and resistant. Breaking her will be satisfying. But will she break me, first? This is book one in the Unbreakable series but reads as a standalone. Publisher's Note: This is an extremely dark romance with graphic scenes, featuring a dominant alien who exerts mind control and a feisty, human heroine who refuses to give up. But there is an HEA.

Captured: a Sci-Fi Alien Invasion Romance neobooks

She's everything I shouldn't want. I capture her anyway. What humans hail an invasion we call Garrison Earth: a mission to save our species from extinction. But while my warriors will soon have the stomachs of their new mates swell with daughters, I know this planet holds nothing for me. Until a fierce, red-haired female

points her gun with her eyes blazing fire, and I know I have found my mate. A bullet and a tranquilizer pad later, I carry her in my arms. Against my better judgment. But who argues fate? With a mission at the brink of failure, I have no time to wait around until Eden is willing to bond. I took her freedom. Might have taken her family. Taking her body is my obligation. I am a male without conscience. Incapable of love. No one has ever pierced my cold heart. No one ever will. Not even her. Captured is the first book in this interconnected romance series, following the Vetusian invasion and how it changes Earth over the course of two decades. If you enjoy strong women, devoted aliens, fated mates, and hard-earned happily ever after's with no cliffhangers, you'll love Garrison Earth. Author Note: The entire Garrison Earth series touches on subjects such as captivity, drug abuse, forced prostitution, loss of loved ones, human trafficking, rough handling, and violence. Any reader uncomfortable with the harsh realities of an alien invasion should please consider before purchase.

Can two enemies find a way to love? When Tarsans invaded Earth two years ago, Kendall's cell was one of many around the world tasked with guerilla warfare and fomenting rebellion. When she has the chance to execute the general of Sector Seven, she takes it, thwarted at the last moment by an act of heroism by his protégé. To buy her people time to escape, she confesses to being the sniper. She expects to be killed for her crime, but Tarek imposes an unthinkable sentence instead. He takes her as his consort, deeming she'll give a life for the life she took by providing him with a son. She can escape, but she decides to stay, hoping to find a way to bring down the Tarsans with access to a part of the city-ship rebel spies have never obtained. She doesn't expect to lose her heart along the way, and when the opportunity to help humans presents itself, she's torn by the need to betray him and their deepening bond, though she has no choice. Tarsans consider females weak, especially human females. At first, Tarek thinks Kendall is lying when she claims credit for trying to shoot him and coordinating the attacks on his people over the past two years. When she stabs him through the heart, he's more convinced, and as the days progress, he sees depths of strength in her that he comes to respect. Love blossoms in spite of them, but can it survive Kendall's ultimate plan, and what it will mean for the Tarsans? This captive alien invasion romance touches on some dark issues, and there are scenarios that might be upsetting to sensitive readers.
