An action-packed mystery series of international intrigue and riveting suspense, the ELLA DARK FBI suspense thriller series will have you turning pages late into the night. Books #8-#11 are also available! <i>Freakshow</i> Blake Pierce This book traces how the American freak show has re-emerged in new visual forms in the 21st century. It explores the ways in which moving image media transmits and contextualizes, reinterprets and appropriates, the freak show model into a “new American freak show.” It investigates how new freak representations introduce narratives about sex, gender, and cultural perceptions of people with disabilities. The chapters examine such representations found in horror films, including a prolonged look at Freaks (1932) and The Texas Chainsaw Massacre (1974), documentaries such as Murderball (2005) and TLC’s Push Girls (2012-2013), disability pornography including the pornographic documentary Sick: The Life and Death of Bob Flanagan Supermasochist (1997), and the music icons Marilyn Manson and Lady Gaga in their portrayals of disability and freakishness. Through this book we learn that the visual culture that has emerged takes the place of the traditional freak show but opens new channels of interpretation and identification through its use of mediated images as well as the altered freak-norm relationship that it has fostered. In its illumination of the relationship between normal and freakish bodies through different media, this book will appeal to students and academics interested in disability studies, gender studies, film theory, critical race theory, and cultural studies. <i>The A to Z of Horror Cinema</i> Molly Black 'Truly creepy' Kirkus The original and terrifying conclusion to a supernatural horror series from the master of horror himself, Graham Masterton. TO SLEEP For eight hundred years, Albrecht's Travelling Circus has been trapped in the realm of dreams. Its creator was thwarted in his mission to corrupt all who saw him and his carnival of oddities. TO DREAM Now, a serial killer has found a way to unleash the carnival into the real world and only the Night Warriors can stop it from happening. TO DIE They are used to confronting evil in dreams but this enemy is of the waking world, where their strength is greatly diminished. And with power unlike any they have seen before, they will soon learn that this killer is very much more than a nightmare... Praise for Graham Masterton: 'One of the most original and frightening storytellers of our time' Peter James 'Suspenseful and tension-filled... all the finesse of a master storyteller' Guardian 'One of Britain's finest horror writers' Daily Mail <i>The Horror Film</i> Scarecrow Press For more than a century, original music has been composed for the cinema. From the early days	when live music accompanied silent films to the present in which a composer can draw upon a full orchestra or a lone synthesizer to embody a composition, music has been an integral element of most films. By the late 1930s, movie studios had established music departments, and some of the greatest names in film music emerged during Hollywood’s Golden Age, including Alfred Newman, Max Steiner, Dimitri Tiomkin, and Bernard Herrmann. Over the decades, other creators of screen music offered additional memorable scores, and some composers—such as Henry Mancini, Randy Newman, and John Williams—have become household names. The Encyclopedia of Film Composers features entries on more than 250 movie composers from around the world. It not only provides facts about these artists but also explains what makes each composer notable and discusses his or her music in detail. Each entry includes Biographical material Important dates Career highlights Analysis of the composer’s musical style Complete list of movie credits This book brings recognition to the many men and women who have written music for movies over the past one hundred years. In addition to composers from the United States and Great Britain, artists from dozens of other countries are also represented. A rich resource of movie music history, The Encyclopedia of Film Composers will be of interest to fans of cinema in general as well as those who want to learn more about the many talented individuals who have created memorable scores. Ferally Funny Freakshow Bloomsbury Publishing In the movie The Big Sleep, Bogart as Philip Marlowe follows a trail of decadence and murder on the dark side of L.A. But even the seamy underside of the city of angels pales in comparison to the freak show found by undercover U.S. narcotics agent Bob Clark . . . in The Carnival of Death. Clark’s investigation begins with cocaine and leads to cold-blooded murder—the discovery of one, and then another, headless corpse. Who is behind the slaughter? Are the killings tied to the drug traffic? Or is a deeper, darker, and even more sinister conspiracy unfolding in the carnival? There are plenty of distractions—bright lights and beautiful girls—but Clark better find the murderers of the midway fast. Because the next head that rolls could very well be his own. In 1934, while living in New York, the heart of the publishing industry, Hubbard struck up a friendship with the city’s medical examiner—a relationship that started his education in undetectable crime and provided him with authoritative clinical background for his detective stories. Also includes the mystery The Death Flyer, in which a man and woman find themselves trapped on a ghost train and bound for a deadly crash . . . unless they can find a way to derail fate and cheat death—on the fly. “Roars to life.” —Library Journal <i>The Thrillers</i> Open Road Media Book 10.5 in the Deadwood Humorous Mystery Series There’s a real trick to catching a soul-stealing Hungarian devil made of shadow and smoke. Unfortunately, Violet Parker doesn’t know what that trick is and her aunt’s life depends on her figuring it out. But killing is an old family tradition for her ... or rather a fatal tradition. <i>The Encyclopedia of Film Composers</i> Clair Delaney FBI Special Agent Claire King dies chasing a killer—and is resuscitated minutes later to realize she has changed. Dark images flash through her mind in a newfound power, visions leading her towards serial killers. But when victims of a new killer turn up, all seemingly connected to the occult, it strikes to the heart of Claire’s own visions. Will this be the case that leads her astray? “Molly Black has written a taut thriller that will keep you on the edge of your seat... I absolutely loved this book and can’t wait to read the next book in the series!” —Reader review for Girl One: Murder 00000 ONCE HE PINES is Book #6 of a long anticipated new series by critically-acclaimed and #1 bestselling mystery and suspense author Molly Black, whose books have received over 2,000 five-star reviews and ratings. FBI Special Agent Claire King has a reputation for brilliance, for being able to crack serial killer cases that no other agent can. Before she died and came back to life, she relied solely on this brilliance. But now that she has this fleeting, newfound power, Claire is confused: should she follow what she knows? Or what she senses? Are visions more powerful than intellect? Or will they lead her right into a killer’s trap? A page-turning and harrowing crime thriller featuring a brilliant and tortured FBI agent, the Claire King series is a riveting mystery, packed with non-stop action, suspense, twists and turns, revelations, and driven by a breakneck pace that will keep you flipping pages late into the night. Chris Sigurdsson has left the police force to start his own detective agency in London. He and his assistant, Priya, have built a strong reputation, and their casebook for the coming months is full. But Sigurdsson’s mind drifts back to his time as a Detective Inspector, and to the surreal week he spent investigating a case on Salvation Island. When the estranged wife of David Lithgow, a writer who’d been working on the island, approaches him to help locate her missing spouse, he cannot resist the allure of that sinister, mist-shrouded place. The case leads him back to Salvation Island and into a treacherous labyrinth of deceit. Is there a link between the mysterious proprietor of a traveling freak show and the malevolent specter of a vicious serial murderer who butchered six young women on the island? Has the killer continued his murderous spree from beyond the grave, or is there a copycat on the loose? To solve this case, Sigurdsson will need to enter the mind of a sadistic killer and unravel the island’s darkest secrets. And if he wants to survive, he must confront his deepest fears. <i>Go Kill Crazy! Festa</i> Can you imagine a new chemical compound, a non-addictive designer drug that heightens your assertiveness, opens the door to your primal self, giving you an edge wherever you compete? Whether on the street or the football field, in a classroom or a boardroom. Wouldn't you be tempted to try it . . . just once? What happens if it releases uncontrollable rage and makes you a killer? Darkest Fears Trilogy: A Contemporary Romance Box Set/ Drama/ Suspense/ Thriller Rutgers University Press From live productions of the 1950s like Requiem for a Heavyweight to big budget mini-series like Band of Brothers, long-form television programs have been helmed by some of the most creative and accomplished names in directing. Encyclopedia of Television Film Directors brings attention to the directors of these productions, citing every director of stand alone long-form television programs: made for TV movies, movie-length pilots, mini-series, and feature-length anthology programs, as well as drama, comedy, and musical specials of more than 60 minutes. Each of the nearly 2,000 entries provides a brief career sketch of the director, his or her notable works, awards, and a filmography. Many entries also provide brief discussions of key shows, movies, and other productions. Appendixes include Emmy Awards, DGA Awards, and other accolades, as well as a list of anthology programs. A much-needed reference that celebrates these often-neglected artists, Encyclopedia of Television Film Directors is an indispensable resource for anyone	

interested in the history of the medium.

THE CLINIC an Absolutely Addictive Psychological Thriller Hal Leonard Corporation Society has long been fascinated with the freakish, shocking and strange. In this book Gary Cross shows how freakish elements have been embedded in modern popular culture over the course of the 20th century despite the evident disenchantment with this once widespread cultural outlet. Exploring how the spectacle of freakishness conflicted with genteel culture, he shows how the condemnation of the freak show by middle-class America led to a transformation and merging of genteel and freak culture through the cute, the camp and the creepy. Though the carnival and circus freak was marginalised by the 1960s and had largely disappeared by the 1980s, forms of freakish culture survived and today appear in reality TV, horror movies, dark comedies and the popularity of tattoos. *Freak Show Legacies* will focus less on the individual 'freak' as 'the other' in society, and more on the audience for the freakish and the transformation of wonder, sensibility and sensitivity that this phenomenon entailed. It will use the phenomenon of 'the freak' to understand the transformation of American popular culture across the 20th century, identify elements of 'the freak' in popular culture both past and present, and ask how it has prevailed despite its apparent unpopularity.

Billy Bloom is gay, but it's mostly theoretical, as he hasn't had much experience. When he has to move to Florida, he can't believe his bad luck. His new school is a mix of Bible Belles, Aberzombies, and Football Heroes, none of which are exactly his type. Billy's efforts to fit in and stand out at the same time are both hilarious and heartrending. In this novel from adult author and media personality James St. James, readers are in for a wild ride as he tells Billy's fascinating story of bravado, pain, and unexpected love, inspired by his own experiences.

Three roller-coaster thrillers set in America—from a bestselling British writer. Underdogs: Seattle burned to the ground in 1889 and a new city was built on top of the old. A century later, the original Seattle remains: empty streets, crumbling sidewalks, and pitch-black passageways, twelve feet beneath the modern metropolis. When a robbery goes horribly wrong, Hilton "Rabbit" Babcock and his eight-year-old hostage, Ali, tumble through the rotten floor of an abandoned warehouse and into the subterranean city. They are not alone. Strange, desperate characters lurk in the shadows of old Seattle, and they don't take kindly to visitors. To bring the girl out, the Seattle PD turns to a Vietnam vet who spent his war years flushing the Viet Cong from their jungle tunnels. Is Lewis ready to face his demons and go underground again? Ali's life might just depend on it. "A hardboiled tour-de-force." —The Independent on Sunday Nine Mil: After two masked gunmen shoot up a floating casino just off the New Jersey coast, Atlantic City taxi driver Ed Behr tries to remember the last time someone took on the casinos. Ever since he got his head slammed into a prison shower faucet, Ed's memory hasn't been all that great. The one person Ed can't forget, from the time before he was an ex-con cabbie, is Honey—and he can't seem to find her anywhere. But the glimpse of another, less welcome face from the past sets Ed's wheels spinning, and he soon has a plan to reunite his old crew for a score that will make everything right again, or put them all out of their misery forever. "Styish, high-octane stuff, and not for the faint-hearted." —Esquire (UK) Trans Am: When he isn't playing softball or coaching Little League, Jim Barry is quizzing his five-year-old on batting averages. He is such a persuasive ambassador for America's pastime that a foreign neighbor asks him to teach his son how to play. One tragic swing of the bat later, the boy is dead and Jim's whole world is reduced to an impossible choice: hand over his own son as a replacement, or die alongside the rest of his family. Meanwhile, on the other side of the country, a young boy is abducted and his single mother vows to do whatever it takes to bring him back. At the intersection of these two tragedies, a sinister network is exposed, and the deadly, all-consuming passion of familial bonds revealed. "Great plot, edge-of-the-seat suspense and intelligent writing." —Time Out London

NATIONAL BESTSELLER The true story of two African-American brothers who were kidnapped and displayed as circus freaks, and whose mother endured a 28-year struggle to get them back. The year was 1899 and the place a sweltering tobacco farm in the Jim Crow South town of Truevine, Virginia. George and Willie Muse were two little boys born to a sharecropper family. One day a white man offered them a piece of candy, setting off events that would take them around the world and change their lives forever. Captured into the circus, the Muse brothers performed for royalty at Buckingham Palace and headlined over a dozen sold-out shows at New York's Madison Square Garden. They were global superstars in a pre-broadcast era. But the very root of their success was in the color of their skin and in the outrageous caricatures they were forced to assume: supposed cannibals, sheep-headed freaks, even "Ambassadors from Mars." Back home, their mother never accepted that they were "gone" and spent 28 years trying to get them back. Through hundreds of interviews and decades of research, Beth Macy expertly explores a central and difficult question: Where were the brothers better off? On the world stage as stars or in poverty at home? TRUEVINE is a compelling narrative rich in historical detail and rife with implications to race relations today.
