*More Than A Promise* Stanford University Press

Lincoln's heritage is as rich as that of any car built anywhere in the world, and more impressive than all but a few. Generations of Americans have known it as the Car of Presidents; since the days of Franklin Roosevelt, the White House has exhibited a marked preference for Lincolns. This comprehensive, illustrated history describes in detail the successes and failures of the Lincoln from World War II up to the present-day Aviator. It discusses the forces in the market and in Ford Motor Company that have affected the Lincoln, and is a must read for anyone interested in this classic marque.

*More Than Human* Wipf and Stock Publishers

Tells the disastrous story of the design and development of the Edsel, with insights into this spectacular failure of the automobile industry to sell a car that it had marketed extensively.

Promises to the Dead St. Martin's Press  
First published in 2003. Routledge is an imprint of Taylor & Francis, an informa company.

*Do You Promise Not to Tell* TEACH Services, Inc.

The Cadillac story is more than the story of a car company. It is, in many ways, the story of the American automobile industry itself—which, as much as any industry, drove America's growth in the twentieth century and defined who we are as a people. For generations of Americans, Cadillac epitomized expansive prosperity. This illustrated history of Cadillac presents all the triumphs and failures of the marque's last sixty years; from the good times, through the disastrous 1980s, and up to the current reconstitution of the brand.

Disaster in Dearborn Policy Press

The greatest joy and fulfillment are within your reach, but they require an enduring Promise to The One...someone you might not expect. It's not your boss, your spouse, your children, or

others—no, the ultimate commitment is The Promise you make to yourself to discover your purpose and gifts and share them with the world. Everyone has been hurt or negatively impacted by broken promises. Promise-breaking and a lack of integrity are symptomatic of the most chronic illness faced by society today. Even though many leadership courses and ethics programs tout “integrity” as a buzzword, few of us are really assessing our own values unless someone calls us out on a discrepancy. But even when others don’t catch on to the façade, when our values aren’t in alignment with our actions and when our actions aren’t consonant with our gifts and passions, we’re left feeling isolated, drained, and depressed. No recognition or acceptance from others can fill the void in the same way as when you keep a Promise to yourself and actually follow through on it. The Promise is the highest level of engagement we commit to in any experience. The Promise is greater than a goal—it’s a sacred commitment. It’s complete dedication to identifying your Signature Moves—the unique talents you’ve been given that, when developed and used to better others’ lives, make you a Legendary Leader. What choices do you make when no one is watching? How do you approach a decision that requires you to let either yourself or someone else down? How do you stay committed to your values, even when the less-rewarding path is more convenient? A renowned speaker and performer who has helped audiences worldwide appreciate what accountability really means, Jason Hewlett shares his program for self-discovery and taking ownership of your gifts in *The Promise to The One*. His unique three-step method—IDENTIFY • CLARIFY • MAGNIFY—will enable you to

pinpoint your strengths, shape them into an identity to which you commit, and develop them so that they can improve others’ lives as well as your own. Filled with Jason’s signature wit and vulnerability as well as actionable exercises, this book will help you refine your character and reach your dreams through the power of kept Promises. Start your journey to living a life of Promise Making and Keeping...beginning with *The Promise to The One*.

'February 1943: a crowded railway station in Haifa, Palestine. Crowds of people wait for a train to pull in. Through a winter of anguish the Jews of Palestine have longed for this train. It arrives and from the open windows hundreds of little hands wave blue-and-white flags. The train is packed with Jewish children who have been traveling war-ravaged Europe since the fall of Poland in 1939. Palestine is their journey's end. In front of the crowd is an official delegation, headed by an old woman not quite five feet tall. She is Henrietta Szold, and these children, the final contingent of ten thousand children, were saved from the Nazis and brought to Palestine because of her.' One could not have predicted

from the beginnings of her comfortable, dependent life as the oldest daughter of a Baltimore rabbi the extraordinary accomplishments of Henreitta Szold. Even as she reached middle age, she was the dutiful studious partner of her father's scholarly researches, although she had behind her impressive accomplishments, such as the establishment of a pioneering night school for Russian Jewish immigrants. But each time she ventured, she retreated. It took two grave emotional crises to bring her into her own -- the death of her father, and the more astonishing public emotional collapse that ensued after her intense love for a scholar thirteen years her junior ended when he took a young German bride. Out of the ashes of this second bereavement emerged the Henrietta Szold who was to imprint her formidable accomplishments on American Jewry and the land of Palestine. That barren land, the needs of its population, and the courage of its pioneers shaped the course of her future, while back home in New York the small study group she had established, and which was called Hadassah, grew into the women's arm of the American Zionist movement. Zionism was full of factionalism, and the history of Palestine was bloody and divisive. It was Henrietta Szold's initiative and drive that established its health care system, shaped education, and began the social services that prevail today. In the 1930s a new mission emerged: the rescue from the Nazis of thousands of Jewish children who would otherwise have been lost. This Youth Aliyah was her last triumph. She was eighty-three when her indomitable body wearied at last, and she lies buried on the Mount of Olives, in the land she played so large a part in

shaping.

#### *Promised Sound Wisdom*

The Miseducation of Cameron Post meets Everything Leads to You in this queer young adult novel. Hopuonk, Massachusetts, 1999 Taylor Garland's good looks have earned her the admiration of everyone in her small town. She's homecoming queen, the life of every party, and she's on every boy's most-wanted list. People think Taylor is living the dream, and assume she'll stay in town and have kids with the homecoming king--maybe even be a dental hygienist if she's super ambitious. But Taylor is actually desperate to leave home, and she hates the smell of dentists' offices. Also? She's completely in love with her best friend, Susan. Senior year is almost over, and everything seems perfect. Now Taylor just has to figure out how to throw it all away. Lindsay Sproul's debut is full of compelling introspection and painfully honest commentary on what it's like to be harnessed to a destiny you never wanted.

**Studebaker** Simon and Schuster Promises Stronger Than Darkness marks the final installment of the international bestselling author Charlie Jane Anders's absolutely heart-stopping YA series, Unstoppable. They're the galaxy's most wanted—and our only hope. When Elza became a space princess, she thought she'd be spending her time at the palace, wearing gorgeous couture and soaking up everything there is to know—but instead, she's on the run, with everyone hunting for her and her friends. Rachael followed her best friend Tina on the adventure of a lifetime—but now Tina's gone, and Rachael's the only one keeping her friends together, as they go on a desperate quest to save everyone from an ancient curse.

Rachael, Elza and their friends have found one clue, one shining mysterious chance to stop the end of the world. And that takes them back to the second-to-last place they'd want to be: enlisting the aid of Captain Thaoh Argentian, the woman who stole Tina's body (and who now seems to be relishing a second chance at teenage chaos and drama, instead of living up to her legacy of an intrepid heroic commander). With only a ragtag band of misfits, crewmates, earthlings, friends, lovers (and one annoying frenemy), the Unstoppable Crew are up against the universe--and they soon find that in order to survive, they may have to cross a line they vowed never to cross. Also by Charlie Jane Anders *Unstoppable Victories Greater Than Death Dreams Bigger Than Heartbreak Promises Stronger than Darkness Other Books The City in the Middle of the Night Never Say You Can't Survive All the Birds in the Sky* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

[The Saturday Review of Politics, Literature, Science and Art](#) Crestline Books

Our lives are filled with unique challenges that either make or break us. Often, we find that on the other side of a "breaking," something new, strong, and incredibly beautiful emerges. It's like the phoenix that emerges from the ash heap. Such is the beauty found in *More Than A Promise*. Diane Boyette tells the story of how her brother and her family faced incredible heartbreak and pain as they encountered the many challenges brought about by her brother's lifelong battle with drug addiction. With three months to live, she shares the intimate story of how they walked him right up to his very last breath in his final life battle

with lung cancer. This riveting saga of a family's painful struggle through drug addiction highlights broken promises and shattered dreams across more than four decades. Though difficult to see at times, threads of faith and hope are found woven into their lives. In the end, the power of prayer and forgiveness emerges stronger than the power of addiction. Addiction touches many lives in deeply painful ways. It can leave lifelong scars on the hearts and souls of the addict, as well as those who love him or her. These scars can be beautiful reminders of how God's incredible grace and mercy follows each of us day by day throughout our lifetime. God's promise of Barry's redemption is fulfilled in this story, but more than a promise is found in these pages. "Surely Your goodness and mercy will follow me all the days of my life, and I will dwell in the house of the Lord forever." Psalm 23:6

*I Promise* Routledge

People need dignity and autonomy at work. If they are denied this, there will be a strong tendency to resist working conditions and misbehave at work. This book presents and analyses stories about people's resistance in working life that make us reflect upon how employees are treated at work and consequences thereof.

*The New Palestine* Christian Faith Publishing, Inc.

In *The Little Book of Big Promises*, intuitive healer Peggy Rometo guides you on an inspiring journey to uncover your life's path. Using guided meditations, energy work, and other practices that allow you to tap into your intuition, she helps you identify the big promises you made to yourself and the world before your life began. Rometo's Pursuit of Promises process focuses on a sequence of significant events in your

life—from as far back as childhood or from your life today—that have helped shape you. Each event brings forth a piece of you that is needed at that point in time, acting as a bridge from one stage of your life to the next. Looking at these events and your reactions to them will begin to reveal your promises—promises that outline the actions, intentions, and qualities you're meant to live. Throughout the process Rometo explores how to break free of the old patterns, beliefs, and fears that hold you back from embodying your true self. In the end, you will find your current promise, which is your starting point for a plan of action to live an authentic, purposeful life. Ultimately, you will be able to honor your life's overarching promise: to share who you are.

**Australian public policy** HarperCollins TV producer Farrell Slater just stumbled on a story that might save her career...or get her killed. A prestigious New York auction house just sold a Fabergé Egg for six million dollars. But Farrell knows it is a fake. So does a college student who promised never to tell the location of the real one. And so does a cunning murderer who has already dismembered one victim...set fire to another...and strangled still another in order to carry off the greatest scam of the century. And now he or she has a special fate in mind for a TV newswoman who just can't keep a secret. . .

**They Promised Me The Gun Wasn't Loaded** Stanford University Press This lavishly illustrated book (86 integrated illustrations) is the complete story of the Studebaker company from its beginnings to its end in 1966.

**Contract Law** Harper Collins As soon as there was sin, there was a Savior. From times eternal, God knew that Satan would introduce sin into

planet earth, infecting its inhabitants. Out of His great love for the human family, the Father, Son, and Holy Spirit united in carrying out the great plan of redemption and in fulfilling the everlasting covenant of grace. In Mark's hard-hitting Gospel, the Son of God suddenly appears, rising out of the Jordan River, hair wet, anointed by the heavenly dove and surrounded by the thunder-like echo of His Father's approval. From this point on, all of Jesus' recorded words and actions move steadily and unflinchingly toward Christ's sacrifice on the cross, where He suffered and died for the redemption of humankind. Popular beliefs about the covenant have fragmented God's interactions with the human race, insisting that God's plan of redemption for the Jews on Sinai had little or nothing to do with His plan of redemption for new covenant believers. Taking his cue from Paul's aligning of God's new covenant promise with His covenant with Abraham and from Peter's New Testament repetition of God's promise of His people being "a holy nation," Dr. Hubert F. Sturges argues convincingly and biblically that there is more continuity than discontinuity in God's covenants with the human race. Tracing God's saving actions through Scripture and history, Dr. Sturges reveals the strategic steps that the Father, Son, and Holy Spirit took in fulfilling their continuing commitment to the human family. With bite-sized chapters, divided into three sections, *More Than a Promise: The Everlasting Covenant as Presented Throughout History* will cause you to reflect on God's great love and mercy for the human race.

*A Lasting Promise* Hay House, Inc Spencer Price is living her best life in Denver Colorado. But when Jordan

Rohan kisses her, and her best friend writes it in their shared book of promises, she suddenly finds herself in a struggle between duty and independence, allegiance and betrayal. Soon, two things become clear: There is far more to the kiss than Spencer first believed, and the person to whom she is most connected is hiding secrets far deeper and more dangerous than Spencer ever suspected. To uncover the secrets, Spencer must question the promises of the past. But doing so could bring death, not only to herself but to those who are her future.

**Summoned to Jerusalem** Oxford University Press

An Instant #1 New York Times Bestseller! An Instant Indie Bestseller! \*An Amazon Best Book of the Year \* A B&N Best Book of the Year\* A great gift for tiny go-getters and big dreamers, including for back to school! NBA champion and superstar LeBron James pens a slam-dunk picture book inspired

by his foundation's I PROMISE program that motivates children everywhere to always #StriveForGreatness. Just a kid from Akron, Ohio, who is dedicated to uplifting youth everywhere, LeBron James knows the key to a better future is to excel in school, do your best, and keep your family close. I Promise is a lively and inspiring picture book that reminds us that tomorrow's success starts with the promises we make to ourselves and our community today. Featuring James's upbeat, rhyming text and vibrant illustrations perfectly crafted for a diverse audience by #1 New York Times bestselling and Geisel Honor winning artist Nina Mata, this book has the power to inspire all children and families to be their best. Perfect for shared reading in and out of the classroom, I Promise is also a great gift for graduation, birthdays, and other occasions. Plus check out the audiobook, read by LeBron James's mother and I Promise School supporter Gloria James!
