How do we make grace part of Christian living? Does Sunday School encourage discipleship and teach our children faith? People in the world often reject Christianity simply because they can't distinguish it from mere morality. The world needs morality--oppression thrives when consciences are abandoned--but we need more than that alone. We need the gospel of grace. A gospel that has largely been lost amid the dos and don'ts and preoccupations of religious culture. 12 Essays on the Distinction Between Grace and Morality Includes perspectives on topics such as: Why Do Our Children Leave the Church? Graceless Goodness: The Problem with Moralism The False Gospel of "Just Do It" The Temptations of Christian Publishing The Ugliness of Religious Righteousness The Insidious Danger of "I'd Never Do That" We Read the Bible the Wrong Way Comments from Readers I like what Sam Williamson has to say about

how good people--people like us--may be piling burdens on our children they can't possibly bear. Has the good news of the gospel magically morphed into bad news for them? Read Sam's provocative new book to find out. -Ann Spangler, Author, *Praying the Names of God* (and many other books) These days we hear so much and think so little. We consume without digesting and then wonder why our body is acting strangely. In this book, Sam helps us look carefully, graciously, and wonderfully at the Gospel and the beliefs of our heart. -Gary Barkalow, founding director of The Noble Heart, and Author, *It's Your Call*. This has got to be one of the best books on raising Godly children (or simply new believers) I've ever read. Thank you. -Brian This is as clearly and as beautifully communicated as I have heard the Gospel for a long time. -Bob This is such an excellent read!!! I wish all Christians could read it. What a great blessing to see this truth presented in a way that it is so easily understood. Thank you for this thoughtful book. -Linda This is a fitting warning that Christian education could fall into moralization (and idolizing "heroes of faith"). The same warning is applicable even to the whole teaching/preaching ministry of many churches. -Ray From the Book *People often pit grace against moralism. And they should. Moralism circumvents heart-changed morality. We need moral men and women, but moralism damages the foundation of heart-change. It's okay to pit grace against moralism, but let's not pit grace against morality. Grace is the source of real morality, and grace--thank God!--breaks the bars of moralism that imprison us. Is Sunday School Destroying Our Kids? exposes moralism for its false pretensions--the sham that it is--and it moves our hearts to believe the gospel, for the first, or the hundred-and-first, time. In Repentance for the Holocaust, C. K. Martin Chung develops the biblical idea of "turning" (tshuvah) into a conceptual framework to analyze a particular area of contemporary German history, commonly referred to as Vergangenheitsbewältigung or "coming to terms with the past." Chung examines a selection of German responses to the Nazi past, their interaction with the victims' responses, such as those from Jewish individuals, and their correspondence with biblical repentance. In demonstrating the victims' influence on German responses, Chung asserts that the phenomenon of Vergangenheitsbewältigung can best be understood in a relational, rather than a national, paradigm. By establishing the conformity between those responses to past atrocities and the idea of "turning," Chung argues that the religious texts from the Old Testament encapsulating this idea (especially the Psalms of Repentance) are viable intellectual resources for dialogues among victims, perpetrators, bystanders, and their descendants in the discussion of guilt and responsibility, justice and reparation, remembrance and reconciliation. It is a great irony that after Nazi Germany sought to eliminate each and every single Jew within its reach, postwar Germans have depended on the Jewish device of repentance as a feasible way out of their unparalleled national catastrophe and unprecedented spiritual ruin.

Life is painful. Everyone's story comes with unique challenges, difficulties, bumps, and bruises that leave you lost and drowning in their wake. It could be a financial disaster, a health issue, a broken relationship, or the loss of a loved one. Dr. Tony Evans, bestselling author and pastor of Oak Cliff Bible Fellowship, understands life's hardships firsthand. In a span of less than two years, he lost his brother, sister, brother-in-law, two nieces, father, and wife. At the same time, both of his daughters received cancer diagnoses. In the wake of all this pain, Dr. Evans had to put into practice, at the deepest levels, the truths he has preached about God for more than forty years. God's Word doesn't promise us a life free from pain and trouble. It promises us something else—Someone else. Someone who will walk with us through all of life's trials and troubles. There is hope for the hurting: His name is Jesus.

If you want to know the temperature of your spiritual life, look at the thermostat setting on your prayer life. Prayer is the most misunderstood and neglected aspect of the Christian life. It has been estimated that most Christians pray three to five minutes a day. Compare that to the time many spend complaining, and you'll gain insight into the spiritual and emotional condition of our day. Yet God has constructed the world in such a way that there is much He won't do in a Christian's life apart from prayer. Prayer, when combined with faith, can accomplish great things. In this practical and comprehensive overview of prayer, Tony Evans covers a variety of topics, including: Principles of productive prayer The power of prayer and praise Fasting and prayer Prayer and God's purposes Tony's expositions of various passages on prayer will help you realize its critical importance and encourage you to make it a dominant mark of your life.

Show Them Jesus e-artnow

Many women feel as if they do not do enough and are not enough. They're always trying hard to be good: a good friend, mom, wife, Christian, employee, or ministry leader, hoping for that "atta-girl" from God. With compelling illustrations from her own life, Christine Hoover leads readers to the understanding that they're living by a lesser gospel, the gospel of goodness, one without Christ's grace. Relying on Scripture, they can start asking, "What does God want for me?" before asking, "What does God want from me?" Women will breathe a sigh of relief at this powerful message of freedom and hope. Rather than serving God out of obligation or duty, they'll be compelled to love and serve God with great joy.

Introduction to Christian Evidences

Thomas Nelson

Know God better through a study of His names. Today's culture and others' views, even those of other Christians, can present a distorted view of God. Some suggest God exudes qualities He does not possess such as being unloving or apathetic toward His creation. In a world where we find people creating God in their own image, studying God's names can remind us that we are created in His. In fact, one of the best ways to know God's true character and grow closer to Him is to study His names. In *The Names of God*, Melissa Spoelstra leads women on an exploration of the many names of our triune God—from El and Elohim to Yahweh and its many combinations to names such as Abba, Jesus, and Holy Spirit...and many others. As women study the names of God, their ideas about God will become more grounded in what His names tell them, and thus more personal, allowing a greater trust in Him to share the details of their lives. Whether having walked with God for many years or just starting out in a relationship with Him, by the end of this study women will not only know more about God but will know Him better—because through the discovery of God's names, they will discover Him!

Components for this six-week Bible study,

each available separately, include a Participant Workbook, a Leader Guide, DVD with six 25-minute segments (with closed captioning), and a boxed Leader Kit containing one of each component. Both in-depth Scripture research and Dr. Evans' signature storytelling style make *The Power of Jesus' Names* a fascinating journey—you will get to know Him as Immanuel King Lamb of God Great High Priest Son of God and more.
