## ONEILL WANG

*The Evil in You* The Experiment

Investigator Jessica Niemi is in a race against time to find the link between a body with strange markings that has washed up on a frigid shore in Finland and two baffling disappearances in this terrifying new novel from the New York Times bestselling author of *The Witch Hunter*. Six months have passed since Jessica's encounter with the mysterious serial-killing coven of witches and the death of her mentor. Her nightmares about her mother and the witchcraft that undid her have only gotten worse, but she's doing what she can to stay focused. Her homicide squad, now under new leadership, has been given a murder case and a new series of disappearances to investigate. A young woman's corpse has washed up on an icy beach, and two famous Instagram influencers have gone missing at the same time. The missing influencers and the murdered woman all have ties to a sinister cult. Jessica finds an eerie painting—of a lighthouse on a remote island—as she investigates, and under the picture is a gruesome poem detailing a murder. The nightmares about her mother suddenly seem all too real, making Jessica wonder if the dead woman might be trying to tell her something about the killings. And as Jessica works frantically to solve her latest case, her horrific past comes roaring back and threatens to destroy her.

Join Lily, the little Elf Princess, and her friends as they solve a magical mystery! Lily is determined to find the right spell to charm the water lilies on Lake Magic to open their blossoms so her friend can attend the great Annual Celebration of the Elves! But time is of the essence. Will she find the right spell in time? *I Don't Want Curly Hair!* NorthSouth Books

Anton and his friend Luke compete to see who is the strongest, loudest, and, finally, who can eat the most cookies. Suggested level: junior.

*The Ice Coven* Gecko

NO! I do not want this BIG CURLY HAIR! It's messy and silly and just plain unfair. All Curly Haired Girl has ever wanted is straight and luscious locks, but when she meets a little girl with the smoothest, silkiest hair, who says all she's ever wanted is spirally, squiggly hair, they are BOTH confused! A hilarious tale about loving what we have. And hair, lots and lots of hair. *I Don't Want Curly Hair!* is glorious new picture book for little people who always want what they can't have! Illustrated by the brilliant Laura Ellen Anderson, this eBook comes with a glorious audio accompaniment by CBeebies star Justin Fletcher, complete with rich sound effects.

*The Clown Said No* Cambridge University Press

*The Bad Mother's Handbook* is the story of a year in the lives of Charlotte, Karen and Nan, none of whom can quite believe how things have turned out. Why is it all so difficult? Why do the most ridiculous mistakes have the most disastrous consequences? When are you too old to throw up in a flowerbed after too much vodka? When are you too young to be a mother? Both hilarious and wise, it is a clear-eyed look at motherhood - and childhood -

in its many guises, from the moment the condom breaks to the moment you file for divorce or, more optimistically, from the moment you hear your baby's first cry to the moment you realize that there are as many sorts of mother as there are children, and that love sometimes is the most important thing of all.

**A Street Through Time** Simon and Schuster

Fast on the heels of the New York Times bestseller *The Book of General Ignorance* comes *The Book of Animal Ignorance*, a fun, fact-filled bestiary that is sure to delight animal lovers everywhere. Arranged alphabetically from aardvark to worm, here are one hundred of the most interesting members of the animal kingdom explained, dissected, and illustrated, with the trademark wit and wisdom of John Lloyd and John Mitchinson. Did you know, for instance, that • when a young albatross takes wing, it may stay aloft for ten years • vampire bat saliva—unsurprisingly, when you think about it—is the source of the world's most powerful blood thinning drug, appropriately called draculin • bombardier beetles fire a boiling chemical spray out of their rears at 300 pulses per second • a bald eagle's feathers weigh twice as much as its bones • a giant tortoise recently died at the documented age of 255 • octopuses are dexterous enough to unscrew tops from jars • spider silk is so light that a strand long enough to circle the world would weigh as much as a bar of soap? So meet the water bears that can live in suspension for hundreds of years, the parasite carried by your cat that makes men grumpy and women promiscuous, and the woodlouse that drinks through its bottom. Marvel at elephants that walk on tiptoe, pigs that shine in the dark, and woodpeckers that have ears on the ends of their tongues. If you still think a pangolin is a musical instrument, that hyenas are dogs, or that sheep are pointless and stupid, *The Book of Animal Ignorance* has arrived just in time.

"Kate Brady has made her mark with a taut, masterful debut of chilling suspense that grabs you by the throat and heart and won't let go. Riveting storytelling packed with unexpected twists and unforgettable characters. Prepare to stay up all night, then sleep with the lights on." -- Roxanne St. Claire, New York Times bestselling author "Kate Brady's debut novel is everything romantic suspense should be: scary, sexy, pulse-pounding, and page-turning. Remarkable characters, pitch-perfect pacing, and a memorable villain make *One Scream Away* a standout book. A winner." -- Allison Brennan, New York Times bestselling author "Gritty and harrowing! You won't be able to put it down." -- Brenda Novak, New York Times bestselling author *Killer Chevy* Bankes is a master of disguise, and just paroled, he's coming after the woman who sent him to jail, the beautiful antiques

expert Beth Denison. A set of antique dolls brings Beth into his sight, and inspire Chevy's disturbing crimes as he draws closer to Beth and her young daughter. Chevy sends the dolls to Beth one-by-one and she soon realizes that these antiques carry the same marks as his victims, signaling that the final piece in his collection will be for her. Neil Sheridan gave up his FBI shield five years ago, but his best friend Rick, a cop, pulls him in as a consultant on a case involving a serial killer who is eerily similar to a murderer Neil encountered in the past. The investigation leads Neil to Beth's doorstep, and he is certain she isn't telling him the truth. Neil is the only one who can get through Beth's defenses and, as they grow closer, discover the secrets that Beth is hiding about her fateful night with Chevy.

**The Book of Animal Ignorance** Washington Square Press

A brave and simple story, written in the alternating voices of its two heroines, this is a touching story of the redemptive power of friendship from an award-winning author. The last thing either Jana (13) or Louise (17) is looking for on this hot and boring summer is a friend of totally the wrong age. But then one day, they abandon their responsibilities and irritating families, and head off in a 'borrowed' car for a day by the lake. Their adventure is simple -- beer, ice-cream, swimming, singing -- but the friendship it forges between them turns out to be profound. When Jana experiences loss, it is only Louise's tender and funny postcards that can haul her out of depression -- right out of her bedroom window and off on another adventure.

**The Secret Diary of Lizzie Bennet** Houghton Mifflin Harcourt

Michaela is sure it's him. The killer. She's been wrong before, but she knows she's right this time. And she's going to make him pay for what he did--at any cost. Fifteen years earlier: five teenagers, camping by a remote forest lake to celebrate the end of school, are terrorised. All but one are brutally murdered. All but Michaela. She is left alive, left to try and make sense of the trauma, to piece together the fragmented memories she has of that day. She's seen the killer's face since. She sees him everywhere she looks. But now she's certain she's found him. That cold velvet voice is unmistakable... Unable to resist her obsession with bringing her friends' murderer to justice, Michaela decides to take the law into her own hands, triggering events more terrible than that nightmarish summer's day fifteen years earlier. But will she finally understand what really happened?
