*The Selfish Crocodile* A&C  
Black  
Bella is a happy and

inquisitive five-year old girl who loves to play with her friends, go to school, and spend time with her family. Everyone tells her

how beautiful she is, but she doesn't feel as beautiful as the faces she sees on TV and in the magazines. Join Bella as she navigates a very important life lesson and learns to love the skin she is in. This captivating story for young children provides a message of empowerment and acceptance that readers of all ages can understand and enjoy.

### **Are Trees Alive?**

Raintree

An autobiographical narrative by a common woman of India who grew

up as an Indian to be proud of being a global citizen. The caption of the book: Golden Summers stands for the myriad of experiences that the author has had over the years from childhood to adulthood. It provides diverse perspectives on life and livelihood. The book provides a vivid description of nature, flora, fauna, history of different places, tourist spots, people, amusing anecdotes, interesting incidents and insightful events. The author acknowledges her

gratitude to all the people in her life and profession. The book also provides capsules of knowledge on various aspects of the holistic development of individuals. The titles of the various Chapters, although are philosophical; they are apt and relevant to denote the importance of evolution as one grows and matures across the various stages of life. *The Giving Tree* Harper Collins  
Spring is in the air! Bear, Bird, and Mouse are all excited that winter snows

are melting away, but their friend Rabbit is not. There are too many things about winter that Rabbit adores, and spring just seems to spell trouble. His friends offer an abundance of reasons to love spring and the changing seasons, but will Rabbit listen? Daniel Kirk has written a lively and humorous tale with the gentle message that change can be fun.

A Tree Is Nice Simon and Schuster

Numbers from one to one hundred climb to the top of an apple tree in this

rhyiming chant.

All of the animals are afraid of the Selfish Crocodile - he never let's them into his river, and he's always so snappy! And so when the Selfish

Crocodile finds himself in terrible pain, no-one wants to help him - after all, what if he gobbles them up? But, to everyone's surprise, there is one animal in the forest who is willing to help . . . A brilliant tale of friendship, *The Selfish Crocodile* has become a picture book classic. *Sringeri Srinivas Learns to Laugh* S. Chand Publishing As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and

lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat

her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio*, the *Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a*

*Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic!*

**UKG Term 2** Notion Press  
An introduction to trees compares parts of a tree

to parts of the human body, with illustrations and brief descriptions of trees found around the world showing that, like people, trees come in all shapes and sizes. [This Is My Home, This Is My School](#) S. Chand Publishing Audisee® eBooks with Audio combine professional narration and text highlighting for an engaging read aloud experience! Different can be great! Makayla is visiting friends in her neighborhood. She sees how each family is

different. Some families have lots of children, but others have none. Some friends live with grandparents or have two dads or have parents who are divorced. How is her own family like the others? What makes each one great? This diverse cast allows readers to compare and contrast families in multiple ways. [Treescape A Semester Course LKG Sem 1](#) Simon and Schuster The bear went over the mountain, to see what he could see, hear what he could hear, smell what he

could smell, touch what he could touch, and taste what he could taste; what a busy bear! In this beautifully written rendition of a classic children's song, bestselling author and illustrator Iza Trapani brings to life the seasonal activities of this cuddly bear. The bear sets out at the beginning of spring and finds fun around every corner, such as watching bunnies hop and smelling flowers. When the bear finds something unpleasant, like a smelly skunk or a prickly

porcupine, he learns that the five senses have both good and bad traits. But that is all right, because there is always something just as exciting to try next! As winter arrives, the bear goes home to his cave, tired after his adventures. The Bear Went Over the Mountain, in paperback for the first time, teaches children about the five senses and the four seasons, all through a timeless song. It is so much fun, kids will want to go exploring too, just like the bear! Sky Pony Press, with our Good

Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a

national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

*A Tree Can Be...*

HarperCollins

Plants are an important part of our environment. They also add beauty and colour to our surroundings. Learning about Plants explains interesting facts about plants through spot-the-difference, maze, and colouring activities, besides various simple

counting and writing exercises. These easy-to-do activities promote creative thinking and problem solving among young minds, making the title a fun supplement to their textbooks. At the same time, it acquaints them with the importance of plants and trees. Other titles in the series Learning about Animals (ISBN: 9788179934333) Learning about Birds (ISBN: 9788179934340) Learning about People and Places (ISBN: 9788179934371) About

the author: Eman Chowdhary was born and brought up in Patna. Thanks to her professor parents, she started reading when she could barely hold a book properly! As the natural progression of this reading habit, she joined the publishing industry and has been there since!
