If you knew heaven's door was opened wide for you to get a glimpse of heaven while on Earth, would you be willing to take a look? Catherine E. Wright was, and it changed her life for eternity.

Come Up Here...the Door is Open Penguin
When God created the world and all that is in it, he brought the concept of time into eternity. But with the entrance of sin and death during the fall of mankind, another form of time entered as well. This type of time is not attached to eternity, but it is a

counterfeit production of Satan in his attempt to be God, and he's offering the temporal-a deceiving place with no time. God's eternal life promises joy, peace, and life everlasting. However, Satan's temporal time is a place where there is never enough time in the day-no time to reflect, meditate, or pray. Only by forcing ourselves away from this time-trap can we hope to see and hear God. Author John Stamos Parrish examines time as it relates to commonly pondered topics, such as: Time and time travel Nature of light Structure of the universe Evolution versus creation Visions End times The purposeful collection *Far From the Shores of Galilee* provides the opportunity to pull back from time. Each story is like a rest stop along

life's journey-a place to pause, reflect, and pray-a place where you can disconnect from the world and reconnect with God.

When Jessica is told she'll never run again, she puts herself back together—and learns to dream bigger than ever before. The acclaimed author of *Flipped* delivers a powerful and healing story. Jessica thinks her life is over when she loses a leg in a car accident. She's not comforted by the news that she'll be able to walk with the help of a prosthetic leg. Who cares about walking when you live to run? As she struggles to cope, Jessica feels that she's both in the spotlight and invisible. People who don't know what to say act like she's not there. Jessica's embarrassed to realize

that she's done the same to a girl with CP named Rosa. A girl who is going to tutor her through all the math she's missed. A girl who sees right into the heart of her. With the support of family, friends, a coach, and her track teammates, Jessica may actually be able to run again. But that's not enough for her now. She doesn't just want to cross finish lines herself—she wants to take Rosa with her. "Inspirational. The pace of Van Draanen's prose matches Jessica's at her swiftest. Readers will zoom through the book just as Jessica blazes around the track. A lively and lovely story." —Kirkus Reviews

Understanding the Dreams You Dream: Biblical Keys for Hearing God's Voice in the Night not only provides insight into your dreams and life, but also includes a comprehensive dictionary of dream symbols! You will be guided through the complex world of dreams by a minister with decades of experience receiving, understanding, and interpreting dreams of his own and for others. I have received many helpful messages from God through dreams. In addition to being helped through my own dreams, I have seen many other people obtain help and comfort by using their dreams as an aid to healing in pastoral counseling. -Ira Milligan
Through Scripture-based meditation, much can be understood about your dreams, but many Christians don't know how to meditate. This problem is addressed in three different ways: • Specific, detailed directions are given on how and upon what to meditate. • Personal examples of dreams from the author's own

experiences. • Practical dictionary of symbol definitions is included. This book presents both normal and not-so-normal dream situations. You will learn that to apply only one type of dream interpretation to all dreams is restricting each symbol to only one possible definition, which is incorrect. And you will learn how to tell the difference between a dream from God—and those from evil sources.

Next to our salvation, there are few things more important for a Christian, child or adult, than to learn to hear the voice of God and be led by His Spirit. Jesus said, "My sheep listen to my voice; I know them, and they follow me." It's in childhood we should be taught how to hear the voice of the Shepherd, because it's then we form the habits that will stay with us throughout our entire lives. If children can be taught what His voice "sounds" like, and how to recognize His leading, they will be much better equipped to make right choices that affect their entire lives. This series takes kids from the basics all the way to seeing prophetic visions and dreams, and learning how to

interpret them from scripture. You will see Joel 2:28 come to pass before your eyes when "your sons and daughters prophecy." They will also learn how to recognize the Enemy's counterfeit supernatural that attempt to mimic the Gifts of the Spirit. “The Christian church worldwide has been

taken prisoner by Satan’s counterfeit healing.” This statement is based on the author’s personal experience, modest exposure to the Toronto Blessing, observation of parachurch healing ministries, and extensive historical reconstructions. Satan’s Counterfeit Healing presents and evaluates Satan’s supernatural healing from the Paleolithic period (ca. 45000 BCE) to the contemporary church. The guiding thesis is that Satan and his demonic surrogates perform miracles which are evident as psi paranormal phenomena. These manifestations include physical and exorcistic supernatural healings. Paleolithic and Neolithic periods produced Great Mother goddess worship and healing, which have persisted ever since. These idolatries, combined with OT nature gods, were a backdrop to Jesus’ true miracles. For two thousand years of church history there’s been a tug-of-war between true and false healing. Mother goddess as Mariological shrine healing joined with natural and demonic magic, and esoteric energy psi. Alongside these the Holy Spirit has raised up genuine healers and their ministries. Modern

healing is marked by energy counterfeits and faith healing, the latter especially accompanied by trance, false prophecy, and psi transformations. True divine healing can be recovered when Christians repudiate nature gods, reject false prophecy, and restore proper eschatology. *Satan's Counterfeit Healing* Charisma Media
