The Stunning and Emotional Autobiography of an Auschwitz Survivor April 7, 1944—This date marks the successful escape of two Slovak prisoners from one of the most heavily-guarded and notorious concentration camps of Nazi Germany. The escapees, Rudolf Vrba and Alfred Wetzler, fled over one hundred miles to be the first to give the graphic and detailed descriptions of the atrocities of Auschwitz. Originally published in the early 1960s, I Escaped from Auschwitz is the striking autobiography of none other than Rudolf Vrba himself. Vrba details his life leading up to, during, and after his escape from his 21-month internment in Auschwitz. Vrba and Wetzler manage to evade Nazi authorities looking for them and make contact with the Jewish council in Zilina, Slovakia, informing them about the truth of the “unknown destination” of Jewish deportees all across Europe. This first-hand report alerted Western authorities, such as Pope Pius XII, Winston Churchill, and Franklin D. Roosevelt, to the reality of Nazi annihilation camps—information that until then had only been recognized as nasty rumors. I Escaped from Auschwitz is a close-up look at the horror faced by the Jewish people in Auschwitz and across Europe during World War II. This newly edited translation of Vrba’s memoir will leave readers reeling at the terrors faced by those during the Holocaust. Despite the profound emotions brought about by this narrative, readers will also find an astounding story of heroism and courage in the face of seemingly hopeless circumstances.

Young, tender, and highly impressionable, Lady Regan can't help but be intrigued by her brother's wayward friends—the wickedly charming Lords of Vice. One man in particular, the dashing Lord Hugh Mordare (known simply as "Dare" among the ton), utterly captivates her—in spite of his reputation as a notorious womanizer. But when she steals an innocent kiss from Dare, Regan is swiftly packed off to boarding school, safely away from danger...and desire. Five years later, Regan returns—a proper lady and ravishing beauty. Miss Swann's Academy for Young Ladies has taught her how to behave in polite society. But all the training in the world cannot extinguish her love for Dare. Now, she hopes to beat the master of seduction at his own game—by daring Dare to love her in return. This time, both of their hearts are on the line...and winner takes all.

“Fiendishly inventive.” —The Wall Street Journal Chengdu, China: The vibrant capital of Sichuan Province is suddenly held hostage when a shocking manifesto is released by an anonymous vigilante known as Eumenides. It is a bold declaration of war against a corrupt legal system, with Eumenides acting as judge and executioner. The public starts nominating potential targets, and before long hundreds of names are added to his kill list. Eumenides's cunning game has only just begun. First, he publishes a “death notice,” announcing his next target, the crimes for which the victim will be punished, and the date of the execution. The note is a deeply personal taunt to the police. Everyone knows who is going to die and when it's going to happen, but the police fail to stop the attack. The 4/18 Task Force, an elite group of detectives and specialists, is assembled to catch Eumenides before he strikes again. In the process, they discover alarming connections to an eighteen-year-old cold case, and they find out that some members of the team have much to hide.

Perfider Mordversuch im Nachtschatten alter Buchen BoD – Books on Demand

Even though the Newtown, Connecticut, police listed Helle Crafts' disappearance as a routine missing person case, Keith Mayo, a private investigator, knew the Danish-born mother of three hadn't skipped town nine days before Thanksgiving.. Rita Buonanno remembers the words exactly: "If anything happens to me don't think it was an accident." Helle Crafts was last seen on November 18, 1986. In the style of a brilliant detective novel, Arthur Herzog skillfully re-creates the hour-by-hour circumstantial details that inform this grisly true-crime narrative. We observe dispassionate Richard Crafts as he buys a truck with a pintle hook for towing heavy equipment, promised for delivery before November 18. A day later he reserves a Badger Brush Bandit woodchipper.

Death Notice St. Martin's Paperbacks

The untold story of the bloodiest and most dramatic march to victory of the Second World War—now a Netflix original series starring Jose Miguel Vasquez, Bryan Hibbard, and Bradley James “Exceptional . . . worthy addition to vibrant classics of small-unit history like Stephen Ambrose’s Band of Brothers.”—Wall Street Journal Written with Alex Kershaw's trademark narrative drive and vivid immediacy, The Liberator traces the remarkable battlefield journey of maverick U.S. Army officer Felix Sparks through the Allied liberation of Europe—from the first landing in Italy to the final death throes of the Third Reich. Over five hundred bloody days, Sparks and his infantry unit battled from the beaches of Sicily through the mountains of Italy and France, ultimately enduring bitter and desperate winter combat against the die-hard SS on the Fatherland's borders. Having miraculously survived the long, bloody march across Europe, Sparks was selected to lead a final charge to Bavaria, where he and his men experienced some of the most intense street fighting suffered by Americans in World War II. And when he finally arrived at the gates of Dachau, Sparks confronted scenes that robbed the mind of reason—and put his humanity to the ultimate test.

Monthly Index of Russian Accessions

Das Glück der Menschen besteht im Großen und Ganzen in der Abwechslung zwischen Arbeit und Genuss, bei Jean jedoch ist es mehr. Er liebt die Philosophie, die Geographie, vor allem aber liebt er seine bildhübsche Frau Gila und seine goldige Tochter Magnolia. Je etwas aus dieser fantastischen Epoche zu vergessen das wird sehr wahrscheinlich unmöglich sein, zu schön war die Zeit, besonders die hier beschriebene Ära inmitten der Siebziger. Dass aber zuweilen, scheinbar ohne erkenntlichen Grund, auch längst vergessen geglaubte Szenen plötzlich und lebhaft wieder in Erscheinung treten, mag in vielen Fällen daher kommen, weil sie so unwahrscheinlich schön oder spektakulär waren oder sogar mörderische Absichten zugrunde lagen. Besonders bitter war dies im Nachhinein für Gila, ja sie war untröstlich, fühlte sich tief in der Verantwortung, denn ihrem Drängen gemäß hatten die beiden eine Gastwirtschaft gepachtet und dort, das weiß man aus der Geschichte, lauern bisweilen völlig unerwünschte Gefahren. Sie war es, die auch etwas hinzuverdienen, die auch etwas dazu beitragen wollte, damit die junge Familie sich mehr leisten könne. Dieses hier ausführlich beschriebene, nächtliche Schauspiel, da ein hypothetisch Wahnsinniger mitten in der Nacht versucht hatte, mit einer unglaublichen Mordwaffe und einem ebenso skandalösen Motiv, ihren Jean umzubringen, ist gewiss einer der Höhepunkte dieses Buches, jedoch bei weitem nicht der einzige. Gila und Jean waren auch danach stets bemüht die Wirtschaft anzukurbeln, doch da wo viel Trubel ist, auch das ist bekannt, da gibt es freilich nicht nur Engel. Überdies gibt es auch wieder etwas von unserem heiteren Freund Amor zu berichten, der wie üblich wieder seine heißen Pfeile auf die Reise schickte. Gilas Schwester Gesine zum Beispiel war offensichtlich hin- und hergerissen, wusste lange nicht, für wen sie sich entscheiden soll. Wunderschöne Reisen werten das Lese-Ereignis noch zusätzlich auf. Tauchen Sie liebe Leserin und lieber Leser also ein in eine wunderschöne Zeit, in die Zeit der Siebziger des letzten Jahrhunderts, es lohnt sich gewiss.
