 Entangled Minds Extrasensory Experiences In In his book, "Entangled Minds", Dean Radin blends his experience as a scientist

with his sincere desire to present readers with easily understood and timely information about quantum mechanics and Psi research (Psi as it is used here can be defined as, "A means by which information can be gained from a distance without the use of the ordinary senses.")

Entangled Minds: Extrasensory Experiences in a Quantum ...And it gives a clue for a theory that can explain, in a global way, extrasensory experiences. That is where the name came from. Entagled Minds came from the quantum physics expression "entanglement" and it suggests that, since particles are entangled, entanglement is what could explain such things as telepathy.
