**Benny Bakes a Cake** Dr Creative Art Young Michael has three special toys. Angus MacPherson MacBear, Kelvin Koala and Pink Piggy live with him in a house by the lake. Every night they look around Michael's house hoping to have adventures... When Michael's family wakes up in the morning they ask "Who ate the cake?" Do you know?

**A Snake Ate My Cake** Scholastic Inc. "Janna Leyde's coming-of-age memoir encompasses the acute and lasting effects of [traumatic brain injury] on both survivors and their loved ones."-- Back cover.

Who Ate the Cake? Clarkson Potter Poor Bob the dog! Whenever things go missing, he always gets the blame. How can he explain that it's not him that's eating everything? There's a pesky pelican on the loose, and it's hiding all the objects in its beak! Kate Leake's brand-new picture book is a hilarious story full of mayhem, mishaps - and an utterly lovable, unlucky dog!

Rude Cakes Simon and Schuster

Snake eyes. Staring down upon a boy's sugary birthday surprise, intent upon its demise. Does this sound like a typical birthday celebration? A reptile salivating, just waiting, planning such devastation? Well, here's just the idea. How about an invitation? Slap on a party hat if you desire, no present required. If it's adventure you seek, why don't you give this story a peek? I promise it won't hurt, in fact, it's full of great thrills, BUT to keep your dessert, you might want to sharpen your kung-fu skills! You see, this snake is as hungry as he can be and it just might be your sugary treat that he needs. This illustrated picture book is great for early readers. The rhyming prose will keep those young readers on the tips of their tiny toes. A Snake Ate My Cake is the second book in the Crazy Animal Capers series.

Who Ate the Cake? Wilcox and Griswold Mystery

A jolly repetitious picture book for beginning readers.

*The Snake That Eats Cake* America Star Books

A collection of thirty-six forty eerie, mysterious, intriguing, and very short stories by the acclaimed authors Stefan

Bachmann, Katherine Catmull, Claire LeGrand, and Emma Trewayne. The Cabinet of Curiosities is perfect for fans of Alvin Schwartz's Scary Stories to Tell in the Dark and anyone who relishes a good creepy tale. Great for reading alone or reading aloud at camp or school! The book features an introduction and commentary by the authors and black-and-white illustrations throughout.

#1 New York Times Bestseller “Funny and smart as hell” (Bill Gates), Allie Brosh’s *Hyperbole and a Half* showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog *Hyperbole and a Half* the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, “The God of Cake,” “Dogs Don’t Understand Basic Concepts Like Moving,” and her astonishing, “Adventures in Depression,” and “Depression Part Two,” which have been hailed as some of the most insightful meditations on the disease ever written. Brosh’s debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who

isn’t me wrote it—but I soon discovered that I’m not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book:

Pictures  
Words  
Stories about things that happened to me  
Stories about things that happened to other people because of me  
Eight billion dollars\*  
Stories about dogs  
The secret to eternal happiness\*

\*These are lies. Perhaps I have underestimated my sneakiness!

**Who Ate the Cake?** Cartwheel Books

"There was an old lady who swallowed a cake. I don't know why she swallowed the cake. It was a mistake! Scholastic's Old Lady is more popular than ever, and in celebration she's swallowing a cake...

and a candle, and a sign, and some balloons, and a hat, and some gifts. Can you guess why? Consistently topping the USA Today and Bookscan bestseller lists at holiday time, this evergreen

Cartwheel series continues to surprise and delight. With a brand-new spin-off series that launched in Spring 2018 alongside this first original 32-page fully illustrated board book, our Old Lady is poised to soar to even greater heights in 2019!" -- ONIX annotation.

A nostalgic ode to the joy of homemade cake, beautifully photographed and with easy mix-and-match recipes for a sweet lift any day of the week. “A sweet book full of incredible photography, delightfully simple recipes, and so much love.”—Alison Roman, author of *Dining In* NAMED ONE OF THE BEST COOKBOOKS OF THE YEAR BY THE NEW YORK TIMES AND FOOD52 Everyone has a favorite style of cake, whether it's

citrusy and fresh or chocolatey and indulgent. All of these recipes and more are within your reach in *Simple Cake*, a love letter from Brooklyn apron and bakeware designer Odette Williams to her favorite treat. With easy recipes and inventive decorating ideas, Williams gives you recipes for 10 base cakes, 15 toppings, and endless decorating ideas to yield a treat—such as Milk & Honey Cake, Coconut Cake, Summer Berry Pavlova, and Chocolatey Chocolate Cake—for any occasion. Williams also addresses the fundamentals for getting cakes just right, with foolproof recipes that can be cranked out whenever the urge strikes. Gorgeous photography, along with Williams's warm and heartfelt writing, elevate this book into something truly special.

Have you ever wondered what would happen if you ate cake all the time? Why do you need to eat a lot of different kinds of food? Read and find out all about nutrition with Sid the Science Kid!

**Oh Look, a Cake!** Crescent  
Ruth loves to bake cakes. When she is alone, she dreams up variations on recipes. When she meditates, she imagines herself in the warm, comforting center of a gigantic bundt cake. If there is a crisis, she bakes a cake; if there is a reason to celebrate, she bakes a cake. Ruth sees it as an outward manifestation of an inner need to nurture her family—which is a good thing, because all of a sudden that family is rapidly expanding. First, her mother moves in after robbers kick in her front door in broad daylight. Then Ruth's father, a lounge singer, who she's seen only

occasionally throughout her life, shatters both wrists and, having nowhere else to go, moves in, too. Her mother and father just happen to hate each other with a deep and poisonous emotion reserved only for life-long enemies. Oh, yes indeed! Add to this mix two teenagers, a gainfully employed husband who is suddenly without a job, and a physical therapist with the instincts of a Cheryl Richardson and you've got a delightful and amusing concoction that comes with its own delicious icing. One of Jeanne Ray's specialties is giving us believable, totally likable characters, engaged in the large and small dramas and amusements of life. *Eat Cake* is whimsical, warm, and satisfying. *Eat Cake* is Jeanne Ray at her best. Pull up a chair and eat cake!

Who Ate the Cake? Harper Collins  
Welcome to the sugar-fueled, manically creative cake universe of Christina Tosi. It's a universe of ooey-gooey banana-chocolate-peanut butter cakes you make in a crockpot, of layer cakes that taste like Key lime pie, and the most baller birthday cake ever. From her home kitchen to the creations of her beloved Milk Bar, *All About Cake* covers everything: two-minute microwave mug cakes, buttery Bundts and pounds, her famous cake truffles and, of course, her signature naked layer cakes filled with pops of flavors and textures. But more than just a collection of Christina's greatest-hits recipes (c'mon, like that's not enough?) this book will be your guide for how to dream up and make cakes of any flavor you can think of, whether you're a kitchen rookie or a full-fledged baking hardbody.

*Eat Cake* Fork Who Ate  
Today is Sophie's 7th birthday and her birthday cake is missing. There's nothing left but a few lonely sprinkles. You and

Sophie set out to solve the mystery. Should you follow the crumbs, or follow the footprints? You choose. Whispers in the night garden, grumblings under the house, and clues in the toy room. Each choice leads you and Sophie on a different adventure. Explore all 6 endings. Written in the choose-your-own-adventure style, *Who Ate The Cake?* combines rich illustrations with whimsical stories to remind readers of the power of agency, and that life is full of all kinds of adventure. Ideal for group reading, or as a bedtime story, it encourages discussion and collaboration when deciding which choice to make, and repeated reading to unlock all the paths. The perfect book for young readers age 4-9 who love cake, mysteries, and a little bit of magic. What readers say "It's virtually a 'choose your own adventure' book for littlies, and my kids are HOOKED!" - My Little Bookcase "This book is fun, full of adventure and a little bit way out. Enjoy being the boss of the story." - Creative Kids Tales "If you have ever read a book over and over and over again to a child, you will love this book because the story is the same AND different each time ... each version of the story has a slightly different mood, so it engages the reader and listener at different levels." ~ Amazon Review (verified purchase) "My five year old daughter loves this book. She's taken it to school for show and tell ? My ten year old son also enjoyed the book." - Amazon Review (verified purchase) " ? A great way to get the children engaged!" - Amazon Review (verified purchase)

[The Big Book of King Cake](#) Houghton Mifflin

Imaginative, tasty, and nutritious, the recipes compiled here originated at South Africa's Buddhist Retreat Center,

renowned for more than 30 years of innovative vegetarian cuisine. Created by an exceptionally talented chef, it argues for a change in attitude toward this seemingly mundane human need--the need to eat--in order to make it a joyful, flavorful journey, full of delights and surprises. Peppered with meditations and spiritual poetry, this cookbook also includes photographs and anecdotes that will offer a glimpse into the center's magnificent setting and varied workshops.

*Hyperbole and a Half Crown*

The wondrous Aimee Bender conjures the lush and moving story of a girl whose magical gift is really a devastating curse. On the eve of her ninth birthday, unassuming Rose Edelstein, a girl at the periphery of schoolyard games and her distracted parents' attention, bites into her mother's homemade lemon-chocolate cake and discovers she has a magical gift: she can taste her mother's emotions in the cake. She discovers this gift to her horror, for her mother—her cheerful, good-with-crafts, can-do mother—tastes of despair and desperation. Suddenly, and for the rest of her life, food becomes a peril and a threat to Rose. The curse her gift has bestowed is the secret knowledge all families keep hidden—her mother's life outside the home, her father's detachment, her brother's clash with the world. Yet as Rose grows up she learns to harness her gift and becomes aware that there are secrets even her taste buds cannot discern. The Particular Sadness of Lemon Cake is a luminous tale about the enormous difficulty of loving someone fully when you know too much about them. It is heartbreaking and funny, wise and sad, and confirms Aimee Bender's place as "a writer who makes you grateful for the very

existence of language” (San Francisco Chronicle). BONUS: This edition includes an excerpt from Aimee Bender's *The Color Master*.

*Who Ate the Cake* Ten Speed Press

Few creations are more associated with joy or more symbolic of the sweet life than cake. After all, it is so much more than dessert. As a book about cake would demand, this one is a multilayered, amply frosted, delicious concoction with a slice (or more) for everyone. *Let Me Eat Cake* is not a book about baking cake, but about eating it. Author Leslie F. Miller embarks on a journey (not a journey cake, although it's in there) into the moist white underbelly of the cake world. She visits factories and local bakeries and wedding cake boutiques. She interviews famous chefs like Duff Goldman of Food Network's *Ace of Cakes* and less famous ones like Roland Winbeckler, who sculpts life-size human figures out of hundreds of pounds of pound cake and buttercream frosting. She takes decorating classes, shares recipes, and samples the best cakes and the worst. The book is held together by the hero on a quest, one that traces cake history and tradition. If we were to bake a cake to celebrate the

birth of cake (cake is an Old Norse word, first used around 1230), it is hard to say how many candles would go on top.

Though the meaning of the word (originally "lump of something"), not to mention our expectations of its ingredients, has changed over time, we now celebrate cake as the coming together of flour, sugar, butter, eggs, vanilla, baking powder, and a pinch of salt. And what a celebration. Baking a cake is hard work, but tasting it is pure pleasure. So put on some elastic-waist pants and grab a fork.

*The Cake Mack Ate* Susan Schadt Press LLC

Gracie the Snake lives in a small vegetable garden. She eats bugs, frogs and baby mice, but one day she comes across a piece of cake...a yummy, belly filling piece of cake. Instantly, Gracie gets a sweet tooth. All she can think about is cake. With the help of her best friend, Lilly the squirrel, the two friends go on a cake finding journey!

*A Wilcox and Griswold Mystery: the Case of the Missing Carrot Cake* Penguin

Bob the dog gets blamed for everything, especially after his boy, Freddie, receives a mischievous pelican to add to his collection just before his birthday.
