JAYVON SHELDON	
Dancing on the Wind iUniverse	
During the past thirty years, Native American dance has emerged as a visible force on concert stages throughout North America. In this first major study of contemporary Native American dance, Jacqueline Shea Murphy shows how these performances are at once diverse and connected by common influences. Demonstrating the complex relationship between Native and modern dance choreography, Shea Murphy delves first into U.S. and Canadian federal policies toward Native performance from the late nineteenth through the early twentieth centuries, revealing the ways in which government sought to curtail authentic ceremonial dancing while actually encouraging staged spectacles, such as those in Buffalo Bill's Wild West shows. She then engages the innovative work of Ted Shawn, Lester Horton, and Martha Graham, highlighting the influence of Native American dance on modern dance in the twentieth century. Shea Murphy moves on to discuss contemporary concert dance initiatives, including Canada's Aboriginal Dance Program and the American Indian Dance Theatre. Illustrating how Native dance enacts, rather than represents, cultural connections to land, ancestors, and animals, as well as spiritual and political concerns, Shea Murphy challenges stereotypes about American Indian dance and offers new ways of recognizing the agency of bodies on stage. Jacqueline Shea Murphy is associate professor of dance studies at the University of California, Riverside, and coeditor of <i>Bodies of the Text: Dance as Theory, Literature as Dance</i> .	
<i>Illini Poetry ...</i> Springer Nature	
WIND IN THE GRASSES DANCING , the first novel in the Dancing the Dream series, humanizes history and weaves it into an unforgettable romantic saga. In 1874, General Custer discovered gold in the Black Hills of South Dakota. One year later, the United States Government demands that all non-treaty Indians unconditionally surrender to the reservations no later than January 31, 1876. Wind In The Grasses Dancing defies the mandate and joins Sitting Bull and Crazy Horse in one of the largest defensive stands in the history of the Lakota. When the threat of war becomes imminent, he is torn between his love for the daughter of a local rancher, and his beloved people. When two worlds collide, can forbidden love survive the challenges? * * * * * Outstanding! A rare jewel! Many have written about the ending days of Native American life in the 1800's. Very few have had the ability to imbue the deep connection these people had with each other, their way of life and the heartbreak they endured. It is almost as though Terri McClay has physically stepped back in time. Much more than a love story, it is an education. Written with eloquence, beauty, compassion and attention to detail, Wind In The Grasses Dancing has raised the bar in achievement. -L.M. Jackson, Author of 'Perfect Circles'	
<i>If Wishes Were Horses</i> U of Minnesota Press	
Who hasn't wondered what's going on when the wind outside your window blows and howls all night long? In this magical explanation for stormy weather, one small child joins the wild and woolly Wind Bears as they cavort in the moonlit sky to music performed by the stormy night band.	
Autumn Leaves Dancing in the Wind Cosimo, Inc.	
In the search for meaning, we often travel through the inner caves of being to discover the true value of in our lives. When at last the search turns within, it is there that we find the real guide, and then we can travel the road to mastery. Autumn Leaves Dancing in the Wind is a collection of personal reflections written at a time of search for meaning. There are times in our lives when we search for truth and must delve deeply within to find the true value of life. May the inner wisdom be of assistance to others in times of doubt, of search and uncertainty. If we let our inner wisdom guide, we learn that we already know the source of truth.	

Dancing Barefoot in the Wind Blurb

It's quite an accomplishment when an elf achieves the rank of warrior. For Rennwyn, it's another step closer to achieving what she's always dreamed of, leaving the confines of her home and experiencing the world. An opportunity arrives when a joint envoy from the neighboring nations of Fynn and Khaldun seek the elves assistance in catching those responsible for a series of mysterious and gruesome deaths. If the perpetrator isn't caught, the hard won but still delicate peace between the two nations could be lost. Treacherous weather and events affecting the people of Fynn delay their return to Selvedge, the city situated at the heart of the mystery. Renn must help the people of Fynn while looking for an elusive enemy who delights in terror.

The Dancing Winds Bantam

April and her family have returned to the place where her nightmare began. It's bad enough that she feels trapped by a building, a virus, and the upcoming winter, but the indistinguishable whispers in her head hold her captive as well. For April, remembering is reliving the events in her life every day - good and bad. When she discovers that the voice in her head is Cecil's, she turns to her parents for a solution. Somehow, he implanted secrets deep in her subconscious. April suspects they are clues to solving the virus he created. But someone else knows about the secrets trapped in April's head, and they have a plan of their own. Will April's parents get to the information, or will someone from April's past get there first? And can April learn to cope with these memories, or will they drive her crazy?

Aeolian Quarterly Little Brown & Company

This book explores the potential of movement as a means of eliciting conflict transformation and unfolding peace at the intrapersonal and relational levels. It examines how peace and dance have been related in different cultures and investigates embodied ways to creatively tap the energies of conflicts, inspiring possibilities of transformation and new dynamics in relationships. Drawing on Wolfgang Dietrich's Many Peaces theory, the book discusses how different expressions of dance have been connected to different interpretations of peace and strategies for transformation. Delving into elicitive approaches to conflict transformation, the book develops an innovative framework for applying movement as an elicitive method, which it vividly presents through the author's own experiences and interviews with participants in workshops. Given its scope, the book will appeal to scholars, practitioners and artists working at the nexus of peace, conflict transformation and the arts.

Dancing on the Wind Read Books Ltd

The Little Time Machine - The year is 1916, Ida Owens boards a train for the first time in her sixteen years. It will take her to an adventure that will forever change her life. New Beginnings - Morgan Shelton faces the failures of past hopes and dreams when a divorce sends her home again. Angel's Kiss - Sierra Martin is torn between her love for Matt and giving up her life's dream. An almost deadly accident forces her to make a decision. Change of Heart - Tory Holland's brother is murdered because of something in his possession. Now, those assassins believe Tory has the unknown object. Would Detective Colt Adams be able to save her from the same fate? Wind Dancers - A skydiving accident leaves Katy Brannigan with amnesia and lost in the forest with Stone Michaels. Was it really an accident and was Stone a friend or foe? A variety of thoughts and feelings are expressed through poetry in 9-11, Proud Heritage, Rain Forest (national pride); Who's the Child, Christmastime, Angels on Earth, The Best Mother (family and home); Road Rage, Men, Chocolate, Dreams, A Fleeting Thought, Masculine Gender (frustration); Time and Memories, The Time Machine, Old Movies (nostalgia); I Am Yours (religion) and Skiing (just plain fun).

The Dancing Floor Los Nietos Press

Sassy is a long-legged girl who always has something to say. She wants to be a ballerina more than anything, but she worries that her too-large feet, too-long legs, and even her big mouth will

keep her from her dream. When a famous director comes to visit her class, Sassy does her best to get his attention with her high jumps and bright leotard. Her first attempts are definitely not appreciated, but with Sassy's persistence, she just might be able to win him over. Dancing in the Wings is loosely based on actress/choreographer Debbie Allen's own experiences as a young dancer.

Edward Leithen is one of John Buchan's most famous heroes. Here Leithen finds himself in Greece with an old friend and must save the life a stubborn but beautiful young women.

The People Have Never Stopped Dancing Blurb

Four tiny horses with shiny manes and shimmery wings burst from a dandelion seed. Four magical horses who can fly! Dancing on the wind, surrounded by magical haloes, they are the Wind Dancers. Delighted with themselves and with their newly discovered magic, the four new friends—Kona, Brisa, Sumatra, and Sirocco—set out to discover all that their magic has to offer. Readers can really let their imaginations fly with this magical new series based on Breyer's beautifully-colored model horses, The Wind Dancers, four tiny horses with childlike personalities girls will readily identify with. Sure to begin an enduring love of horses.

Wind in the Grasses Dancing NAL

You went to your first Contact Improvisation (C.I.) class, or a friend invited you to the weekly jam, and you're captivated. Or perhaps, you've been dancing and investigating for years. What's next? What discoveries await you in your dance? In 1972, Steve Paxton convened a group of athletes and dancers to research the principles of Contact Improvisation. Since then the form has matured into a worldwide, collaborative experiment with no central control. Everyone who enters adds their findings and permutations to this inherently unfinished dance form. Dancing Deeper Still is a sourcebook of essays on Contact Improvisation, a philosophical treatise, and a handbook. This compilation of 30 years of writings is meant to accompany and support your investigation as you discover new pathways and dynamics in your dancing. It includes chapters on: Contact Improvisation in performance Boundaries and sexuality Political activism Dancing while aging Expanded teaching research notes Advanced skills Whether you are the improviser who savors the slow rivers of sensation...or who delights in spontaneous acrobatics...or any of the bountiful realms in between, this book was written for you. Your discoveries enrich the community-held body of knowledge in our ever-evolving form. I invite you to dance deeper still. Martin Keogh dances, teaches, and researches Contact Improvisation. His love for the dance has taken him to 31 countries across six continents. Keogh was named a Fulbright Senior Specialist for his contribution to the development of the form. Martin spent time in monasteries in Japan and Korea and was the director of the Empty Gate Zen Center in Berkeley, CA before he discovered the world of dance. He is the author of: As Much Time as it Takes and the anthology: Hope Beneath Our Feet: Restoring Our Place in the Natural World. He lives with his family by the Salish Sea in British Columbia. martinkeogh.com

Dancing on the Wind Next Chapter

Sixteen-year-old Titus Bass fears one fate more than any other: never to experience the great wilderness or the wildness inside himself. So late one night he snatches a squirrel gun and a handful of biscuits, flees into the woods, and doesn't look back. From Louisville past the Chickasaw bluffs and the Natchez Trace all the way to New Orleans, he plunges into the rough-and-tumble life along the banks of the Mississippi: a volatile, violent country of boatmen and river bandits, knife fights and Indian raids, strong liquor and stronger women. Yet beyond the great river stretches the vast, unexplored expanse of the Great Plains. And it is here that young Titus will seek his future, and risk everything to seize it.

Dance on the Wind BalboaPress

It all started with those darn shoes. Dorothy is stuck in Oz with a trio of off-the-wall, diabolical munchkins, intent on putting her on trial for killing the Witch. She's all for a little bullying, at least when she's dishing it out to the kids back home. But these munchkins go too far when they force her into the Witch's silver shoes and parade her down the yellow brick road like cattle to be judged by the Wizard of Oz. This story is also in the collection *Born of Blood and Spells: 13 Dark Fantasy Stories & Poems*.

Dancing Winds Feiwel & Friends

Dancing in the Santa Ana Winds: Poems y Cuentos New and Selected contains twenty-five years of liz gonzález's best work. Set against the diverse landscapes of the San Bernardino Valley and Los Angeles, these richly textured straightforward and sometimes humorous real and imagined works illuminate the trials and beauty of girls' and women's journeys to reclaim themselves. She explores memories, pivotal experiences, and cultural influences that shaped her: The death of a young father, family relationships that nurture and challenge, and the joys and struggles of growing up as a nontraditional Catholic Mexican American.
