Rachel Gibson, who occupies a very special place in readers' hearts alongside Lori Foster and Jennifer Crusie, delights with this funny, smart, and sexy story of an ex-starlet's attempt to start over as the personal assistant to a cantankerous—but very hot—ex-hockey player. Nothing But Trouble is nothing but wonderful! Trouble . . . Chelsea Ross's acting career has been a total bust. The closest she ever came to stardom was her brilliant performance as "Pretty Dead Girl #1." But leaving Hollywood to become the personal assistant to a famous hockey player could be her stupidest career move ever. More trouble . . . Injured superstar Mark Bressler's glory days are over. The bad-boy ex-jock could at least be civil to the pint-sized, pink-haired

bombshell who the Seattle Chinooks hired to be his P.A. If Chelsea didn't need the money, she'd be running from the world's biggest jerk as fast as her feet could carry her. Big trouble!

Chelsea can deal with Mark's rotten attitude and dark moods. The problem is those biceps and that red-hot bod! And when the bad boy starts to put the moves on her, Chelsea knows it's time she banished him to the penalty box . . . if only she could resist the kind of trouble he has in mind!

AlterWorld Penguin

An imaginative story of a woman caught in an alternate world—where she will need to learn the skills of magic to survive. Nora Fischer's dissertation is stalled and her boyfriend is about to marry another woman. During a miserable weekend at a friend's wedding, Nora wanders off and walks through a portal into a different world where she's transformed from a drab grad student into a stunning beauty. Before long, she has a set of glamorous new friends and her romance with gorgeous, masterful Raclin is heating up. It's almost too good to be true. Then the elegant veneer shatters. Nora's new fantasy world turns darker, a fairy tale gone incredibly wrong. Making it here will take skills Nora never learned in graduate school. Her only real ally—and a reluctant one at that—is the magician Aruendiel, a grim, reclusive figure with a biting tongue and a shrouded past. And it will take her becoming Aruendiel's student—and learning magic herself—to survive. When a passage home finally opens, Nora must weigh her "real life" against the dangerous power of love and magic. For lovers of Lev Grossman's *The Magicians* series (*The Magicians* and *The Magician King*) and Deborah Harkness's *All Souls Trilogy* (*A Discovery of Witches* and *Shadow of Night*).

Nothing But Trouble

From the New York Times bestselling author of *Annihilation*, Jeff VanderMeer's first novel, *Veniss Underground*, takes readers on a journey to a labyrinthine city of tunnels, and the dangers lurking behind each turn. Set in the mysterious and magical city of Veniss, a surreal metropolis that sits over an underground labyrinth of tunnels and mines. In this tale, epic and mythological in scope, VanderMeer takes the reader below the surface of the earth to the dark and decadent future. It's a world where Living Artists craft works out of biological material, and humans are either tossed out or recycled into something wholly unrecognizable. Told from three distinct viewpoints—Nicholas, a not-quite-talented-enough Artist; his twin sister, Nicola; and Nicola's former lover, Shadrach—*Veniss Underground* follows these characters as they embark on a journey to hell and back, replete with the blend of horrors (biological, environmental, and ethical) that also animate VanderMeer's subsequent blockbuster novels. *Veniss Underground* explores the limits of love, memory, and obsession in a landscape that defies the boundaries of imagination. This reissue will include a new introduction by the National Book Award-winning author Charles Yu and more new material from Jeff VanderMeer.

Les grandes Coutumes générales et particuliers du Royaume de France

In *The Perfect Father*, New York Times bestselling author John Glatt reveals the tragedy of the Watts family, whose seemingly perfect lives played out on social media—but the truth would lead to a vicious and heartbreaking murder. In the early morning hours of August 13th, 2018, Shanann Watts was dropped off at

home by a colleague after returning from a business trip. It was the last time anyone would see her alive. By the next day, Shanann and her two young daughters, Bella and Celeste, had been reported missing, and her husband, Chris Watts, was appearing on the local news, pleading for his family's safe return. But Chris Watts already knew that he would never see his family again. Less than 24 hours after his desperate plea, Watts made a shocking confession to police: he had strangled his pregnant wife to death and smothered their daughters, dumping their bodies at a nearby oil site. Heartbroken friends and neighbors watched in shock as the movie-star handsome, devoted family man they knew was arrested and charged with first degree murder. The mask Chris had presented to the world in his TV interviews and the family's Facebook accounts was slipping—and what lay beneath was a horrifying image of instability, infidelity, and boiling rage. In this first major account of the case, bestselling author and journalist John Glatt reveals the truth behind the tragedy and constructs a chilling portrait of one of the most shocking family annihilator cases of the 21st century.
