The magical saga of the women behind King Arthur's throne. "A monumental reimagining of the Arthurian legends . . . reading it is a deeply moving and at times uncanny experience. . . . An impressive achievement."—The New

York Times Book Review In Marion Zimmer Bradley's masterpiece, we see the tumult and adventures of Camelot's court through the eyes of the women who bolstered the king's rise and schemed for his fall. From their childhoods through the ultimate fulfillment of their destinies, we follow these women and the diverse cast of characters that surrounds them as the great Arthurian epic unfolds stunningly before us. As Morgaine and Gwenhwyfar struggle for control over the fate of Arthur's kingdom, as the Knights of the Round Table take on their infamous quest, as Merlin and Viviane wield their magics for the future of Old Britain, the Isle of Avalon slips further into the impenetrable mists of memory, until the fissure between old and new worlds' and

old and new religions' claims its most famous victim.

Nuova enciclopedia italiana: Testo
Penguin UK

Expecting to be inducted into the army, Joseph has given up his job and carefully prepared for his departure to the battlefield. When a series of mix-ups delays his induction, he finds himself facing a year of idleness. Dangling Man is his journal, a wonderful account of his restless wanderings through Chicago's streets, his musings on the past, his psychological reaction to his inactivity while war rages around him, and his uneasy insights into the nature of freedom and choice.
