The Kindest People Who Do Good Deeds: Volume 3 Worthy Books Bobs loyalty to the Troops was at the highest level. He went where the Troops were and if there was a war going on, Bob became more determined to see us. Bob was like one of us. He was breathing the same air that we were breathing and that mattered. Bob made the Troops the stars, the audience was the Show. Bobs U.S.O. Christmas Shows with the Troops had meaning and is now History. The spirit and the memories of it all should live forever! I wrote about my particular set of circumstances: leading up to the Show, at the Show and then after the Show. THIS BOOK IS DEDICATED TO ALL THE TROOPS! PAST, PRESENT AND FUTURE. I have been watching The Bob Hope United Service Organizations (U.S.O.) Christmas Shows with the Troops with my family, since I was about 4 years old. I enjoyed watching the Troops in the audience laughing, having a good time, getting together. The Troops were my Heroes, my Stars. I thought that maybe when I grew up; that one day, I would be in the audience of one of Bobs Christmas Shows. It was inspirational for me to see and hear the people singing Silent Night together at the end of the Show. The Memories Are Priceless! Like we still talk about Remember The Alamo, I think we should say, Remember The Bob Hope Christmas Show, because it was important. It brought us together! I thank my Lord, Jesus Christ, for helping me get to The Bob Hope Christmas Show and in writing this book. At The Bob Hope Christmas Show: the sights, the sounds, living through the moment of it all was the best. Bob, Thanks For The Memories! [Whiskey and Spirits For Dummies](#) Simon and Schuster

Focus On: 100 Most Popular Vaudeville Performers Xulon Press Reporter: "What's it like to be Bob Hope?" Hope: "I wouldn't have it any other way." From Bob Hope's early career as an upstart among professionals like Jack Benny and Milton Berle in the rollicking world of traveling comedians, to his blazing success as a radio, television, and film star, this completely revised and updated version of William Faith's acclaimed biography takes a straightforward, appreciative, and very funny look at Hope's life and times on the occasion of his 100th birthday. Filled with anecdotes, photographs, and plenty of jokes, the book reveals the real Bob Hope from his boyhood in England and youth in Cleveland to his present status as a living legend—a full-blooded, authentic appraisal of the man and his humor, a comic institution who is also a brilliant businessman, manipulator of the media, and politically influential figure. And of course Hope is the man who brought laughter and cheer (and long-legged beauties) to GIs throughout the world. At a time when patriotic fervor has never been running higher it's worth recalling the singular tribute paid Hope by none other than John Steinbeck: "When the time for recognition of service to the nation in wartime comes to be considered, Bob Hope should be high on the list.... He gets laughter wherever he goes from men who need laughter." Happy 100th, Bob!

As a young Jewish musician, Bob Dylan faithfully explored the roots of modern American music—the spirituals and gospel songs. It is not surprising Dylan's words, both in his songs and in his interviews, have often touched upon biblical themes. From his apocalyptic expressions onstage and in the studio, to his unapologetic biblical views that leak out during interviews, the public record of Dylan's spiritual journey makes for a fascinating story. A curious icon of popular culture, yet distinct in his Judeo-Christian expressions, Bob Dylan doesn't fit neatly into the typical rock 'n' roll mold. Who else would have thechutzpah to publicly contribute to Orthodox Jewish communities while publicly singing songs about Jesus' crucifixion, resurrection and eventual return? Restless Pilgrim: The Spiritual Journey of Bob Dylan wrestles with the seemingly contradictory facts of Dylan's preoccupation with Jesus and his own Jewish heritage, by looking through the lens of this reluctant legend's four-decade career.

After my tenure as national president of the Navy League and after I think, perhaps, I have nothing to prove, I was wrong. I am asked to speak at the annual Thursday night dinner of the Submarine Veterans of WWII in November 2008. I came in at the last minute and sat down at the designated table full of submarine veterans and their wives. I was the last one to sit down. The submarine veteran next to me listens while we visit at the table for a few minutes and then turns to me and says, "What are you doing here? You don't know anything about us. You aren't a submariner. Why should you be speaking to us?" And I thought, Here we go again.

I always knew Howard Hughes was Bob Hope in makeup. I knew who Bob Hope was since the '70s. I began gathering facts and proofs to prove beyond reasonable doubt that I knew what I was talking about! I wrote this book because I was tired of telling my theory to just one or two people at a time. Howard Hughes was Bob Hope in makeup, and he told you so in his TV skits, in his movies, and in his books. The life of Bob Hope was a cover story bought and paid for by the United States government—an alleged life. Howard Rupert Hughes Jr. was "Sonny" billionaire industrialist, oilman, movie producer, screenwriter, director, photographer, and inventor of satellites, lasers, ships, planes, jets, and rockets. Hope himself stated that he had a group of

writers, and he was the one with two (2) heads. And most of all, he was a character actor in his own movies from his own studios. I have in my possession a magazine ad with Hope lying in bed, and the header above his picture read: "Two of the most famous names in America sleep together." My theory is, Howard Hughes disappeared, went underground, and reappeared in makeup as Bob Hope in an "alleged life," wearing a mask. Howard Hughes was talking behind his Bob Hope face. Here's a quote from Hope: "I do my best impersonations right in front of the people, and they don't get it. They don't listen." Hope stated "my names" would go down in history. Another quote from Hope stated, "My sixty years with NBC proves Lincoln was wrong. You can fool all the people all the time." He did!
