"Describes Argentina's
horrific dirty war, the
chaotic final years of
brutal dictatorship in
Somalia, and the

modern-day excesses of Italy's right-wing politics through the words of two half-sisters, their mothers, and the elusive father who ties their stories together"--

The Avant-garde in Exhibition

University of Chicago Press

"Cosimo di Rondó, a young Italian nobleman of the eighteenth century, rebels against his parents by climbing into the trees and remaining there for the rest of his life. He adapts efficiently to an existence in the forest canopy he hunts, sows crops, plays games with earth-bound friends, fights forest fires, solves engineering problems, and even manages to have love affairs. From his perch in the trees, Cosimo sees the Age of Enlightenment pass by

and a new century dawn. Long considered one of Calvino's finest works, *The Baron in the Trees* exemplifies this brilliant writer's gift for fantasy."--Page [4] of cover.

The Baron in the Trees
Bloomsbury Publishing

Read the book that inspired Studio Ghibli's series, *Ronja the Robber's Daughter!* A thrilling adventure crafted by the author of *Pippi Longstocking*. On the night Ronia was born, a thunderstorm raged over the mountain, but in Matt's castle and among his band of robbers there was only joy - for Matt now had a spirited little black-haired daughter. Soon Ronia learns to dance and yell with the robbers, but it is alone in the forest that she feels truly at home.

Then one day Ronia meets Birk, the son of Matt's arch-enemy. Soon after Ronia and Birk become friends the worst quarrel ever between the rival bands erupts, and Ronia and Berk are right in the middle.

Kerouac Bloomsbury Publishing USA

Mariam e Laila hanno età diverse, vite e storie diverse. Una non conosce che il dolore e la privazione. L'altra è cresciuta credendo che per chiunque ci possa essere un futuro, anche in un paese come l'Afghanistan. Sarà la guerra, con il suo tragico scenario di morte, a unirle. Due donne, due destini, una sola indimenticabile storia.

Constantinople, 1599.

Paul Pindar, a secretary to the English ambassador, thinks he has lost his love, Celia, in a shipwreck. Now, two years later, clues begin to emerge that she may be hidden among the ranks of the slaves in the Sultan's harem. But how can he be sure? And can they be reunited? With a secret rebellion rising within the Sultan's palace, danger surrounds the lovers. A lush, ancient tale of treacherous

secrets, forbidden love, and murder in the Ottoman palace, The Aviary Gate is exotic historical fiction at its very best.

The complex of Ss. Quattro Coronati in Rome is situated on the Caelian Hill between the Basilica of San Giovanni in Laterano and the valley of the Colosseum. Its diverse archaeological background together with the artistic and architectonic quality of its various components and the spirituality that permeates it to this day make it one of the most fascinating monumental sites in the city. This guide provides a brief account of the entire history of the complex

from its obscure Paleochristian origins up until today, and examines its most significant attributes, devoting particular attention to the recent discoveries that have further underlined its importance.

I diritti della scuola

Houghton Mifflin

These essays by eleven internationally renowned historians present nuanced profiles of the major social and professional groups—the callings-of the Middle Ages. The contributors focus on attitudes of medieval men and women toward their own society. Through a variety of techniques, from a reading of the Song of Roland to a reading of administrative records, they identify

characteristic viewpoints of members of the fighting class, the clergy, and the peasantry. Along with vivid descriptions of what life was like for warrior knights, monks, high churchmen, criminals, lepers, shepherds, and prostitutes, this innovative approach offers a valuable new perspective on the complex social dynamics of feudal Europe. "Very useful discussions of texts, both learned and literary."—Christopher Dyer, *Times Literary Supplement*

Since 1970, based in
an isolated building
situated on the
peninsula of Posillipo,
Pica Ciamarra Associati
(www.pcaint.eu) has
acted as a laboratory
of architectural and

urban design which has gradually incorporated new members and new energies over the time: using a multidisciplinary approach, the roots of the architectural practice lie in the intensive theoretical and practical work begun in the early 1960s by Massimo Pica Ciamarra. Since then the practice has been marked by a continuous relationship with Le Carré Bleu Feuille internationale d'architecture and leading members of the cultural milieu of Team 10: this has led to constant attention to everything that lies beyond form, to the relationship with contexts that also include non-spatial contexts, and to high levels of integration and dialectical

discussion. According to Pica Ciamarra Associati, a design transcends the approaches of a single sector, providing simultaneous solutions to contradictory requirements, combining utopia and practicality. The poetics of the fragment: it mediates between architecture and the urban dimension; some designs also have the aim of becoming absorbed within a context as 'informed fragments'. This monograph is the result of an intensive period of work and consists of two interacting parts. It stems from research into the archive of the studio Pica Ciamarra and conversation with the members of the architectural practice.

Organised diachronically, the book tells the long story, unfolding over a period of over fifty years of a team of Neapolitan architects and designers, who have maintained the lively spirit of the practice which is still geared towards the future. The textual and iconographic account tells a story and offers an interpretation that highlight the vibrant atmosphere of the studio, based on a consistency of thought and action, and fuelled by an interest in many different forms of knowledge. The contextualisation of the events related to the studio, as they unfolded over time, is wide-ranging, coherent and connotative. Antonietta Iolanda Lima, professor of

history of architecture at the University of Palermo, has always tried, through theory, teaching and design, to disseminate the importance of history which can embracing innovation and tradition to an equal degree, forming a new architectural language. According to her view of architecture, history and design are closely connected, a 'single entity' as is reflected by her career. Since the 1980s, her academic work has gained increasing importance, a way of avoiding narrow sectoral approaches in the training of future architects, offering a holistic stance of the history of architecture and an architecture that contributes to shaping critical thought and a thriving cultural

life.

Communication Eidon Edizioni

Compared to the Middle Ages, the Renaissance is brief—little more than two centuries, extending roughly from the mid-fourteenth century to the end of the sixteenth century—and largely confined to a few Italian city states. Nevertheless, the epoch marked a great cultural shift in sensibilities, the dawn of a new age in which classical Greek and Roman values were "reborn" and human values in all fields, from the arts to civic life, were reaffirmed. With this volume, Eugenio Garin, a leading Renaissance scholar, has gathered the work of an international team of

scholars into an accessible account of the people who animated this decisive moment in the genesis of the modern mind. We are offered a broad spectrum of figures, major and minor, as they lived their lives: the prince and the military commander, the cardinal and the courtier, the artist and the philosopher, the merchant and the banker, the voyager, and women of all classes. With its concentration on the concrete, the specific, even the anecdotal, the volume offers a wealth of new perspectives and ideas for study.

Troy and Its Remains Penguin

After creating a controversial and hugely popular website, teenager Josh

Swensen becomes trapped inside his brilliant creation and must find a way to remain anonymous. I am lying on my bed doing my homework in Greek and Latin roots for Advanced English. 'Ped' for foot, 'homo' for man, 'nym' for name. I sit with the dictionary in front of me, coming up with as many words as I can to complete the assignment. Pedestrian, homicide, pseudonym . . . I have more than thirty of them. By accident -- that's always how these life-changing things happen -- I connect two halves that don't seem like a word until I look it up. 'Pseudo', false; and 'cide,' to kill = pseudocide. To pretend to kill (yourself). I stare at the word for a good

long time. Homicide, suicide, genocide: these are words you can find in the newspaper every day. But pseudocide . . . now here was something different. My mind wanders from my homework to the blue cotton threads of my bedspread. Pseudocide. A way to start again as someone completely new, a way to burn the old self and try on a new one. Josh Swensen isn't your average teenager - when he observes America, he sees a powerhouse of consumerism and waste. He's even tried to do something about it, with his start-up controversial website. But when Josh rises to messiah status of the internet world, he discovers that greed and superficiality are

not easily escaped. Trapped inside his own creation, Josh feels his only way out is to stage his death and be free of his internet alter-ego, "Larry." But this plan comes with danger, and soon Josh finds himself cut off from the world, with no one to turn to for help. In this suspenseful young adult novel, Janet Tashjian has written a probing tour-de-force.

The Monumental Complex of Santi Quattro Coronati in Rome John Wiley & Sons

The lives of four young people in different circumstances are changed by their encounters with books. Four humorous, poignant stories about how books changed the lives of several youngsters.

Studi Pergolesiani

Pendragon Press
Imagines the life of Sigmund Freud's favorite sister, Aldolfina, who was taken to a concentration camp after her brother was granted an exit visa to London but didn't take any family with him. The Gospel According to Larry Penguin
Beginning with the paradox that characterizes the history of translation studies in the last half century - that more and more parameters of translation have been defined, but less and less closure achieved - the first half of Enlarging Translation, Empowering Translators calls for radical inclusionary approaches to translation, including a

greater internationalization of the field. The book investigates the implications of the expanding but open definition of translation, with a chapter on research methods charting future approaches to translation studies. In the second half of the book, these enlarged views of translation are linked to the empowerment and agency of the translator. Revamped ideological frameworks for translation, new paradigms for the translation of culture, and new ways of incorporating contemporary views of meaning into translation follow from the expanded conceptualization of translation, and they serve as a platform for

empowering translators and promoting activist translation practices. Addressed to translation theorists, teachers, and practising translators alike, this latest contribution from one of the leading theorists in the field sets new directions for translation studies. The Elephant of Surprise Routledge In a small town on the Italian coast, a mysterious woman washes ashore. She is crippled, mute, and clutches a bundle to her chest—a baby the townspeople insist is a real-life mermaid. It can only bring bad luck; they pay a troupe of acrobats to carry mother and child away. In the bustling trade center of Venice, merchant Paul Pindar is

the subject of his colleagues' concern. Since his return from Constantinople, they have found him changed; raging over the loss of his beloved, Celia, he has gambled away his fortune at the gaming tables. But when a priceless blue diamond surfaces in the city, Pindar recognizes the opportunity to regain everything he has lost-including, perhaps, the woman he loves. A celebrated writer of history and travel books, Katie Hickman has always been a master of evoking time and place. With *The Pindar Diamond*, her follow-up to *The Aviary Gate*, she brings early-seventeenth-century Italy vividly to life, and also demonstrates her maturity as a novelist. A tale of love and

avarice, with a touch of the mystical, *The Pindar Diamond* is rich with historical detail, and unfolds with urgency and grace. It is accomplished, wholly satisfying historical fiction.

The Architecture of Pica Ciamarra Associati

Mulholland Books

The book features eighty paintings and drawings, most of which unpublished, which shed a completely new light on the artistic activities of the father of the Beat Generation. A special focus is given to analysing his labyrinthic creative process and his relationships with traditional American visual culture, and with other Beat movement authors from Allen Ginsberg to William Burroughs and the

masters of Art Informel and the New York School with whom Kerouac started hanging out in the latter half of the 1950s. The strength of this work lies above all in the comprehensive identity that Kerouac managed to squeeze into life, literary works, and every other creative form of expression, such as music, singing, poetry, and film. Readers are taken on a journey through different nuclei that develop reflections interweaving Kerouac's life with his poetics using everything from portraits of famous figures, such as Joan Crawford, Truman Capote, Dody Muller or Cardinal Montini, to references to the beat culture from Robert Frank to William S.

Burroughs. The book also explores Kerouac's relationship with Italy through a selection of photographs taken by Robert Frank and by Ettore Sottsass of his wife Fernanda Pivano, Allen Ginsberg and Kerouac, and is lent even greater depth by a new project about Kerouac by Peter Greenaway.

Ronia, the Robber's Daughter University of Chicago Press

The latest roaring, rollicking adventure from Edgar Award-winner Joe R. Lansdale, featuring odd-couple P.I.s Hap and Leonard. Hap and Leonard are an unlikely pair--Hap, a self-proclaimed white trash rebel, and Leonard--a tough-as-nails Black, gay, Vietnam vet and Republican--but they're the closest friend

either of them has in the world. After years of crime-solving companionship, something's changed: Hap, recently married to their P.I. boss, Brett, is now a family man. Amidst the worst flood East Texas has seen in years, the two run across a woman who's had her tongue nearly cut out, pursued by a heavily armed pair of goons. Turns out the girl survived a mob hit, and the boss has come to clean up the mess. On a chase that blows even the East Texas swampgrass back, Hap and Leonard must save the girl, and vanquish her foes, before the foes get them first. With a new case to solve, and a brand-new challenge to their relationship, will Hap and Leonard's friendship survive? Will

Hap and Leonard survive? The Elephant of Surprise is rich with Lansdale's trademark humor, whip-smart dialogue, and plenty of ass-kicking adventures. *"Le" belle Arti* Firenze University Press
This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. The First World War was the first 'total war'. Its industrial weaponry damaged millions of men and drove whole armies underground into dangerously unhealthy trenches. Many were killed. Many more suffered terrible, life-threatening injuries: wound infections such as gas gangrene and tetanus, exposure to extremes of temperature, emotional trauma and

systemic disease. In an effort to alleviate this suffering, tens of thousands of women volunteered to serve as nurses. Of these, some were experienced professionals, while others had undergone only minimal training. But regardless of their preparation, they would all gain a unique understanding of the conditions of industrial warfare. Until recently their contributions, both to the saving of lives and to our understanding of warfare, have remained largely hidden from view. By combining biographical research with textual analysis, Nurse writers of the great war opens a window onto their insights into the nature of nursing and the impact of warfare.
