In this new edition of the classic introductory text on Unitarian Universalism, which includes a revealing, entertaining foreword by best-selling author Robert Fulghum (All I Really Need to Know I Learned in Kindergarten, It Was on Fire When I Lay Down on It), a new preface by UU moderator Denise Davidoff, and two new chapters by the authors, John Buehrens and Forrest Church explore the many sources of the living tradition of their chosen faith.

How is a free faith expressed, organized and governed? How are diverse spiritualities and theologies made compatible? What might a religion based in reason and democracy offer today's world? This book will help the reader to understand the contemporary liberal religion of Unitarian Universalism in a historical and global context. Andrea Greenwood and Mark W. Harris challenge the view that the Unitarianism of New England is indigenous and the point from which the religion spread.

Relationships between Polish radicals and the English Dissenters existed and the English radicals profoundly influenced the Unitarianism of the nascent United States. Greenwood and Harris also explore the US identity as Unitarian Universalist since a 1961 merger and its current relationship to international congregations, particularly in the context of twentieth-century expansion into Asia.

2020 Chautauqua Prize Finalist 2020 NAACP Image Award Nominee - Outstanding Literary Work (Nonfiction) Best-of Lists: Best Nonfiction Books of 2019 (Kirkus Reviews) · 25 Can't-Miss Books of 2019 (The Undeclared) Explores the terror, grace, and beauty of coming of age as a Black person in contemporary America and what it means to parent our children in a persistently unjust world. Emotionally raw and deeply reflective, Imani Perry issues an unflinching challenge to society to see Black children as deserving of humanity. She admits fear and frustration for her African American sons in a society that is increasingly racist and at times seems irredeemable. However, as a mother, feminist, writer, and intellectual, Perry offers an unfettered expression of love—finding beauty and possibility in life—and she exhorts her children and their peers to find the courage to chart their own paths and find steady footing and inspiration in Black tradition. Perry draws upon the ideas of figures such as James Baldwin, W. E. B. DuBois, Emily Dickinson, Toni Morrison, Ralph Waldo Emerson, and Ida B. Wells. She shares vulnerabilities and insight from her own life and from encounters in places as varied as the West Side of Chicago; Birmingham, Alabama; and New England prep schools. With original art for the cover by Eku Holmes, *Breathe* offers a broader meditation on race, gender, and the meaning of a life well lived and is also an unforgettable lesson in Black resistance and resilience.

A groundbreaking new vision for public safety that overturns more than 200 years of fear-based discrimination, othering, and punishment As the effects of aggressive policing and mass incarceration harm historically marginalized communities and tear families apart, how do we define safety? In a time when the most powerful institutions in the United States are embracing the repressive and racist systems that keep many communities struggling and in fear, we need to reimagine what safety means. Community leader and lawyer Zach Norris lays out a radical way to shift the conversation about public safety away from fear and punishment and toward growth and support systems for our families and communities. In order to truly be safe, we are going to have to dismantle our mentality of Us vs. Them. By bridging the divides and building relationships with one another, we can dedicate ourselves to strategic, smart investments—meaning resources directed toward our stability and well-being, like healthcare and housing, education and living-wage jobs. This is where real safety begins. Originally published in hardcover as *We Keep Us Safe: Building Secure, Just, and Inclusive Communities*, *Defund Fear* is a blueprint of how to hold people accountable while still holding them in community. The result reinstates full humanity and agency for everyone who has been dehumanized and traumatized, so they can participate fully in life, in society, and in the fabric of our democracy.
