Applying for nationally competitive scholarships can be a daunting process for students. Thousands apply each year for scholarships with familiar names like the Rhodes, Marshall, Gates Cambridge, Schwarzman, Fulbright, Truman, Goldwater, Udall, and Madison, or for one of many STEM opportunities like National Science Foundation Graduate Research Fellowships or National Defense Science and Engineering Fellowship. For many, the applications present an unfamiliar territory, so students seek out informed advisors who can help them navigate the terrain. This volume of essays is a great way for anyone advising students through an application to become an expert. *Roads Less Traveled and Other Perspectives on Nationally Competitive Scholarships* provides critical information from scholarship foundations about the best ways to guide students—from considering a career path, to completing the application, to preparing for an interview. Experienced advisors also share helpful tips on practical topics like writing letters of endorsement or assisting those who want to study abroad, and they provide programmatic advice on how to broaden the pool of applicants, address those with financial needs, and make all who apply feel the process has value beyond winning. *Roads Less Traveled and Other Perspectives on Nationally Competitive Scholarships* is a must for anyone advising students on scholarships.

Scholarship Strategies empowers students to be uniquely proactive towards their scholarship search process, enabling them to find more scholarships than with the traditional approach through the guidance and college offices at their schools. The current approach to finding scholarships to reduce college costs is not giving families the results they need. College costs continue to rise and so does student loan debt. As a recipient of an academic college scholarship as well as several outside scholarships, Jean O'Toole was able to attend Wagner College, but she and her family still had to pay for the remainder of her education with student loans. A different approach is needed to provide families with different results. In *Scholarship Strategies*, Jean simplifies the scholarship application process in easy-to-follow steps which any student can incorporate into their already busy schedules. She provides students and parents with a clear plan to decipher which scholarships have the best chances of winning and should be applied to. This easy-to-follow, out-of-the-box approach was developed over a decade of working with thousands of students, giving students and families ownership of the scholarship search process to build on the efforts that their school counselors are already providing. A future can be designed without college debt, and *Scholarship Strategies* with its 25 clear strategies, along with 15 additional ways to reduce college costs, helps students live that future.

Minority-targeted scholarships, for which some form of minority status is an eligibility requirement, have become controversial in recent years. This report examines the use and perceived value of minority-targeted scholarships by undergraduate, graduate, and professional schools. It found that minority-targeted scholarships accounted for a small proportion of total scholarships and scholarship dollars in academic year 1991-92. However, race or ethnicity was rarely the sole criterion; most minority-targeted scholarships used additional criteria, such as financial need or academic merit, for awarding funds. Charts and tables.

Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them. Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In Debt-Free Degree, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents: *How to prepare their child for college *Which classes to take in high school *How and when to take the ACT and SAT *The right way to do college visits *How to choose a major A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. Debt-Free Degree shows parents how to pay cash for college and set their child up to succeed for life.
