Historians as well as Bible scholars consider the biblical account about Chedorlaomer's campaign against Sodom as a pious fiction but a chronological reconstruction based on synchronisms

shows that among dynasties from Sumerian lists the 3rd and last Elamite king of the Awan I dynasty was indeed Kudur-Lagamar (1990-1954). The route of Chedorlaomer shows that this king came to this region near Egypt in order to maintain control over this new land trade route. This ambitious project had to have worried Amenemhat I (1975-1946) and to block the progress of this powerful Mesopotamian king, he built the Walls of the Ruler and planned to create an Amorite rival confederation. In order to achieve his goal he proposed an alliance to Abram, who came from Shinar (Sumer), a region close to Elam, and began preparations by appointing Sarai as a bearer of offering to his personal service, then by marrying her to seal this alliance (Gn 12:19). The wedding was cancelled,

but the statue remained.

The contributors to this book are among those at the forefront of the emergence of new critical perspectives and new technologies. Several of the essays present dramatic reinterpretations of canonical monuments; consider broader methodological issues such as the applications of geometry, workshop practice, and the shaping of historical

narratives; and others demonstrate how high-tech scanning and visualization methods can enhance our understanding of construction methods and the behavior of buildings.

Art et histoire de la Toscane Casa Editrice Bonechi

Based on the true history of the uncrowned kings of Sicily: the story of a family, restless and ambitious, shrewd and determined to be richer and more powerful than anybody else. In this grand, sweeping epic inspired by the real lives of history-making titans, international best-selling author Stefania Auci brings to life the dark secrets, the loves and betrayals, and the cruel acts of revenge that marked the Florio family's century of influence. The Florios arrive in Sicily, with nothing but the clothes on their back after an earthquake destroys their hometown. Against all odds, the family begins anew despite the looming Napoleonic wars and

devastating plagues. But when Vincenzo is spurned by his aristocratic lover, he vows to avenge his honor by becoming the wealthiest man in Italy. Sacrificing love and family, he strives to buy what cannot be his by birth. Not to be outdone by the men, the Florio women unapologetically demand their place outside the restraints of caring mothers, alluring lovers, or wounded wives. Giulia, though only a mistress, is fiercely intelligent and runs the empire from the shadows. Angelina, born a bastard, charts her own future against the wishes of her father. In this epic yet intimate tale of power, passion, and revenge, the rise and fall of a family taps into the universal desire to become more than who we are born as. Translated from the Italian by Katherine Gregor *Sarah wife of Abraham: Fairy tale or real history?* Casa Editrice Bonechi

Historians consider the biblical account

about Chedorlaomer's campaign against Sodom (1954 BCE) as a pious fiction. However, the Gospels refer to it as a real story (Heb 7:1) and a chronological reconstruction based on synchronisms shows that, among dynasties from Sumerian lists, the 3rd and last Elamite king of the Awan I dynasty was Kudur-Lagamar (1990-1954). The Spartoli tablets (c. 650 BCE) describe this famous attack of Babylonia by a coalition of evil kings named Kudur-KUKUmal, king of Elam, Tud *Das Schloss von Chambord* Lulu.com  
In 1913 and 1914, A. Mitchell Innes published a pair of articles that stand as two of the best pieces written in the twentieth century on the nature of money. Only recently rediscovered, these articles are reprinted and analyzed here for the first time.

Heracles Euripides - Euripides' Heracles is an extraordinary play, innovative in its treatment of the myth, bold in its dramatic structure, and filled with effective human pathos. The play tells a tale of horror: Heracles, the greatest hero of the Greeks, is maddened by the gods to murder his wife and children. But this suffering and divine malevolence are leavened by the friendship between Heracles and Theseus, which allows the hero to survive this final and most painful labor. The Heracles raises profound questions about the gods and mortal values in a capricious and harsh world.

Abraham and Chedorlaomer: Chronological, Historical and Archaeological Evidence Casa Editrice Bonechi

Despite the fact that the name of many characters mentioned in the Old Testament, like David, King of Israel, have been recently confirmed by archaeology as well as their epoch and the events in which they were involved, most archaeologists continue to deny the historicity of the Bible they view as pious fiction or a mythical account. They argue that the major events in the Bible such as the victory of Abraham against Chedorlaomer, an unknown king of Elam

around 2000 BCE, the victory of Moses against an unknown Pharaoh around 1500 BCE or the victory of Esther, an unknown Persian Queen, against an unknown vizier of Xerxes, never existed because they left absolutely no evidence. They also explain that according to what we know today, these events could not have occurred. These logical arguments are impressive but a precise chronological analysis based on absolute dates, coupled with a rigorous historical investigation, shows that all those major events really took place at the dates and places indicated.
