A teen plunges into a downward spiral of addiction in this classic cautionary tale. January 24th After you've had it, there isn't even life without drugs... It started when she was served a soft drink laced with LSD in a dangerous party game. Within months, she was hooked, trapped in a downward spiral that took her from her comfortable home and loving family to the mean streets of an unforgiving city. It was a journey that would rob her of her innocence, her youth—and ultimately her life. Read her diary. Enter her world. You will never forget her. For thirty-five years, the acclaimed, bestselling first-person account of a teenage girl's harrowing descent into the nightmarish world of drugs has left an indelible mark on generations of teen readers. As powerful—and as timely—today as ever, Go Ask Alice remains the definitive book on the horrors of addiction.

Part genealogy, part history, and part personal memoir, rooted in an amazing amount of research, and written with grace and flair, this book brings to light a rich past that had almost been lost. James M. McPherson, author of Battle Cry of Freedom: The Civil War Era

Rethinking Popular Culture and Media Simon and Schuster

Have children ever really had a literature of their own? In Sticks and Stones, Jack Zipes explores children's literature, from the grizzly moralism of Slovenly Peter to the hugely successful Harry Potter books, and argues that despite common assumptions about children's books, our investment in children is paradoxically curtailing their freedom and creativity. Sticks and Stones is a forthright and engaging book by someone who cares deeply about what and how children read.

Three Cups of Tea: Young Readers Edition Penguin

A Yale professor and author of A Jane Austen Education evaluates the consequences of high-pressure educational and parenting approaches that challenge the mind's ability to think critically and creatively, calling for strategic changes that can offer college

Teaching for Black Lives Bloomsbury Publishing

Rethinking Early Childhood Education is alive with the conviction that teaching young children involves values and vision. This anthology collects inspiring stories about social justice teaching with young children. Included is outstanding writing from childcare teachers, early-grade public school teachers, scholars, and parents. Early childhood is when we develop our core dispositions--the habits of thinking that shape how we live. This book shows how educators can nurture empathy, ecological consciousness, curiosity, collaboration, and activism in young children. It invites readers to rethink early childhood education, reminding them that it is inseparable from social justice and ecological education. An outstanding resource for childcare providers, early-grade teachers, and teacher education and staff development programs. Winner of a 2009 Skipping Stones Honor Award.

Show Me a Story Simon and Schuster

From the New York Times bestselling author Kristin Hannah comes a powerful novel of love, loss, and the magic of friendship. . . . now a #1 Netflix series! In the turbulent summer of 1974, Kate Mularkey has accepted her place at the bottom of the eighth-grade social food chain. Then, to her amazement, the "coolest girl in the world" moves in across the street and wants to be her friend. Tully Hart seems to have it all---beauty, brains, ambition. On the surface they are as opposite as two people can be: Kate, doomed to be forever uncool, with a loving family who mortifies her at every turn. Tully, steeped in glamour and mystery, but with a secret that is destroying her. They make a pact to be best friends forever; by summer's end they've become Tully and Kate. Inseparable. So begins Kristin Hannah's magnificent new novel. Spanning more than three decades and playing out across the ever-changing face of the Pacific Northwest, Firefly Lane is the poignant, powerful story of two women and the friendship that becomes the bulkhead of their lives. From the beginning, Tully is desperate to prove her worth to the world. Abandoned by her mother at an early age, she longs to be loved unconditionally. In the glittering, big-hair era of the eighties, she looks to men to fill the void in her soul. But in the buttoned-down nineties, it is television news that captivates her.

She will follow her own blind ambition to New York and around the globe, finding fame and success . . . and loneliness. Kate knows early on that her life will be nothing special. Throughout college, she pretends to be driven by a need for success, but all she really wants is to fall in love and have children and live an ordinary life. In her own quiet way, Kate is as driven as Tully. What she doesn't know is how being a wife and mother will change her . . . how she'll lose sight of who she once was, and what she once wanted. And how much she'll envy her famous best friend. . . . For thirty years, Tully and Kate buoy each other through life, weathering the storms of friendship---jealousy, anger, hurt, resentment. They think they've survived it all until a single act of betrayal tears them apart . . . and puts their courage and friendship to the ultimate test. *Firefly Lane* is for anyone who ever drank Boone's Farm apple wine while listening to Abba or Fleetwood Mac. More than a coming-of-age novel, it's the story of a generation of women who were both blessed and cursed by choices. It's about promises and secrets and betrayals. And ultimately, about the one person who really, truly knows you--- and knows what has the power to hurt you . . . and heal you. *Firefly Lane* is a story you'll never forget . . . one you'll want to pass on to your best friend.

Greg Mortenson, the bestselling author of *Three Cups of Tea*, is a man who has built a global reputation as a selfless humanitarian and children's crusader, and he's been nominated for the Nobel Peace Prize. But, as bestselling author Jon Krakauer demonstrates in this extensively researched and penetrating book, he is not all that he appears to be. Based on wide-ranging interviews with former employees, board members, and others who have intimate knowledge of Mortenson and his charity, the Central Asia Institute, *Three Cups of Deceit* uncovers multiple layers of deception behind Mortenson's public image. Was his crusade really inspired by a desire to repay the kindness of villagers who nursed him back to health when he became lost on his descent down K2? Was he abducted and held for eight days by the Taliban? Has his charity built all of the schools that he has claimed? This book is a passionately argued plea for the truth, and a tragic tale of good intentions gone very wrong. 100% of Jon Krakauer's proceeds from the sale of *Three Cups of Deceit* will be donated to the "Stop Girl Trafficking" project at the American Himalayan Foundation

(www.himalayan-foundation.org/live/project/stopgirltrafficking).

Dumbing Us Down Penguin

This book enables and supports teachers to deliver the content of the new statutory guidance for relationships and sex education (RSE) in secondary schools, operational from 2020. It is case study rich and provides clear and practical advice for teaching the topics of the new framework, including addressing controversial and critical issues such as parental right to withdraw and how to tackle relationships and sex education in faith schools. There is an emphasis throughout on inclusion and pupil well-being and on the importance of partnerships with parents.

In 1922, Howard Carter peered into Tutankhamun's tomb for the first time, the only light coming from the candle in his outstretched hand. Urged to tell what he was seeing through the small opening he had cut in the door to the tomb, the Egyptologist famously replied, "I see wonderful things." Carter's fabulous discovery is just one of the many spellbinding stories told in *Three Stones Make a Wall*. Written by Eric Cline, an archaeologist with more than thirty seasons of excavation experience, this book traces the history of archaeology from an amateur pursuit to the cutting-edge science it is today by taking the reader on a tour of major archaeological sites and discoveries. Along the way, it addresses the questions archaeologists are asked most often: How do you know where to dig? How are excavations actually done? How do you know how old something is? Who gets to keep what is found? Taking readers from the pioneering digs of the eighteenth century to today's exciting new discoveries, *Three Stones Make a Wall* is a lively and essential introduction to the story of archaeology.

Supporting Student Mental Health in Higher Education Viking Adult

This book offers comprehensive guidance to support those involved in primary education in developing the curriculum to meet the requirements of the new Ofsted (2019) framework. It addresses key issues such as the purposes of the curriculum, how to organise the curriculum, and the balance between knowledge and skills. It also goes beyond basic requirements, emphasizing the importance of a creative, child-centred and enquiry-based curriculum which is suited to the context of school communities. Responding to the increased emphasis on the quality of pupils' education, the book supports trainees, teachers and school leaders in developing and implementing an ambitious and diverse curriculum, including working with all stakeholders and offering practical strategies and solutions. It empowers practitioners to reclaim the curriculum by designing one which reflects the values and context of the school.
