**The Girl Who Loved  
Tom Gordon** Villard

New York Times  
bestselling author, J.  
Sterling has created  
this collection of fun  
and flirty stories with  
holiday based themes  
for you to get lost in!

Prepare to fall in love today! Heading off to Vail single and alone wasn't how I planned on spending the week before Valentine's Day, but here I am, in one of the most scenic places in the country, with nothing to do and no one to do it with. Until I meet Jase Malone. He's adventurous, charming, and sexy as hell. It was supposed to just be one night. One night of letting go of the past and giving in to the moment. But things never quite pan out the way you think... do they?

Stop Getting Dumped!  
Bloomsbury Publishing  
USA

A boy befriends a young caveman in this modern children's classic of friendship and adventure. Barney isn't supposed to go near the chalk pit. His

grandmother and sister both told him the edge could give way and he could fall in—but what else is he supposed to do on a miserable gray day? It's not long before Barney falls into the pit and bumps his head. But where he lands is more than an old garbage dump: It's a home. There's a little hut built out of discarded junk, and more surprisingly, there's a boy, about Barney's age, inside. He speaks in grunts instead of English, wears a rabbit-skin loincloth, has shaggy black hair, and might be named something that sounds like "Stig." Barney befriends him immediately. Together, Barney and Stig go on all sorts of adventures, building a chimney for Stig's hut, joining a foxhunt, stopping

robbers, and catching a leopard escaped from the circus! Barney and Stig's escapades have been delighting children for more than fifty years, while addressing important topics such as bullying, recycling, and language barriers. This timeless classic is sure to captivate readers young and old with its wit, imagination, and sense of adventure.

Dumping Billy Simon

and Schuster

Fat ChanceBy Nick Spalding

**La Frontera** Open Road Media

Recommends a plan for single women to turn themselves into "dream girls" who do not have relationships with losers, and suggests ways to attract and marry desirable men.

**Stig of the Dump**

Vintage

"One of my favorite authors."—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer.

Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the

only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that

they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

**Manual of  
Argumentation for  
High Schools and  
Academies**

Psychology Press  
Feeling frustrated about falling short of the results you wanted? Wondering how you wound up with yesterday's catch? Have ever you dreamed of a fabulous and fulfilling relationship only to find

yourself floundering in the face of love...? The truth is, despite having excelled in the workplace, penetrating virtually every industry, many women still struggle to master the "business of relationships." If you're longing to taste the passion minus the drama, prepare to clear your emotional palate. Having been where you may be, I know what you're going through. Ultimately I had to put myself first and combine personal experience with my skills as a strategist to generate a straightforward formula for attracting a fabulous partner. Whether you're single, separated, or officially divorced, rest assured... love is business. Success

means putting "you" first with a winning strategy and this book contains the strategy that will give you more than a leg up on love. Its refreshingly simple strategic approach to attracting relationships focuses solely on results with a set of clear cut steps that will empower you to own who you are in and out of the dating process!

*The English Dialect Dictionary, Being the Complete Vocabulary of All Dialect Words Still in Use, Or Known to Have Been in Use During the Last Two Hundred Years: D-G*

Anchor

Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer's assistant and, somehow, they met in

Bright Lights, Big City. He's blinded by love. She by ambition. Diary of an Oxygen Thief is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

Sophie's World Emblem Editions

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Dry Hard Macmillan

A frightening suspense novel about nine-year-old Trisha, who becomes lost in the woods as night falls.

*Carrie* Simon and Schuster

Matt is six years old when he discovers that he is different from other children and other people. To most, Matt isn't considered a boy at all, but a beast, dirty and disgusting. But to El Patron, lord of a country called Opium, Matt is the guarantee of eternal life. El Patron loves Matt as he loves himself - for Matt is himself. They share the exact same DNA. As Matt struggles to understand his existence and what that existence truly means, he is threatened by a host of sinister and

manipulating characters, from El Patron's power-hungry family to the brain-deadened eejits and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of bodyguards, escape is the only chance Matt has to survive. But even escape is no guarantee of freedom... because Matt is marked by his difference in ways that he doesn't even suspect.

**Thank Goodness You  
Dumped His Ass**

From the acclaimed author of *Brothers and To Live*: a major new novel that limns the joys and sorrows of life in contemporary China. Yang Fei was born on a moving train. Lost by his mother, adopted by a young switchman,

raised with simplicity and love, he is utterly unprepared for the tempestuous changes that await him and his country. As a young man, he searches for a place to belong in a nation that is ceaselessly reinventing itself, but he remains on the edges of society. At age forty-one, he meets an accidental and unceremonious death. Lacking the money for a burial plot, he must roam the afterworld aimlessly, without rest. Over the course of seven days, he encounters the souls of the people he's lost. As Yang Fei retraces the path of his life, we meet an extraordinary cast of characters: his adoptive father, his beautiful ex-wife, his neighbors who perished in the

demolition of their homes. Traveling on, he sees that the afterworld encompasses all the casualties of today's China—the organ sellers, the young suicides, the innocent convicts—as well as the hope for a better life to come. Yang Fei's passage maps the contours of this vast nation—its absurdities, its sorrows, and its soul. Vivid, urgent, and panoramic, *The Seventh Day* affirms Yu Hua's place as the standard-bearer of modern Chinese fiction.

*The Handmaid's Tale*

Springer Science & Business Media

From the bestselling author of *Fat Chance* and *Checking Out* comes a hilarious story about giving up... but definitely not giving in.

Kate and Scott's marriage has always been a lot of fun, with alcohol at the heart of it. After all, what's more entertaining than a good laugh and a large drink... or six? But recently, those relaxing drinks have become more crutch than comfort--and the couple have almost forgotten how to talk to each other sober. Then their teenage daughter Holly uploads a video of their humiliating drunken escapades, which gets picked up by YouTube superstar PinkyPud--and goes horrifyingly viral. In a last-ditch attempt to prove to the world they're more than just boozy idiots, Kate and Scott quit alcohol completely. But with Holly's... er... 'help', what begins as a family promise soon escalates

into a social media phenomenon: #DryHard! With the eyes of the Internet upon them, can Kate and Scott stay teetotal—and save their marriage in the process?

*How to Dump a Guy*  
Penguin

I'm telling you why we broke up, Ed. I'm writing it in this letter, the whole truth of why it happened. Min Green and Ed Slaterton are breaking up, so Min is writing Ed a letter and giving him a box. Inside the box is why they broke up. Two bottle caps, a movie ticket, a folded note, a box of matches, a protractor, books, a toy truck, a pair of ugly earrings, a comb from a motel room, and every other item collected over the course of a giddy,

intimate, heartbreaking relationship. Item after item is illustrated and accounted for, and then the box, like a girlfriend, will be dumped.

Rejected HarperCollins

This collection of research has attempted to capture the essence and promise embodied in the concept of “identity” and built a bridge to the realm of second language studies. However, the reader will notice that we did not build just one link. This volume brings to light the diversity of research in identity and second language studies that are grounded the notions of community, instructors and students, language immersion and study abroad, pop culture and music, religion,

code switching, and media. The chapters reflect the efforts of contributors from Canada, Japan, Norway, New Zealand, the United Arab Emirates, and the United States who performed their research in the countries just mentioned and in other regions around the world. Because of this, this volume truly offers an international perspective.

### **The House We Grew Up In IAP**

More and more members of the WTO are using anti-dumping (AD) measures as an effective tool for protecting domestic industries facing competition with foreign products. In contrast to the 'big four' (US, EC, Canada and Australia), which

have been using AD measures frequently since the GATT era, many of the new users established their AD regimes and began to use them after the establishment of the WTO. Why are there more and more new users? How are they applying AD measures? Do they comply with the rules of the WTO Anti- Dumping Agreement? What are their specific characteristics in the handling of AD cases? What should exporters and practitioners do to prepare for AD investigations by the new users? Based on extensive analyses of primary materials and hearings from practitioners and AD authorities, this book provides detailed and updated information to answer these questions

on the following new users: China, Chinese Taipei, Korea, Thailand, India, South Africa, Mexico, Argentina, and Brazil.

*Legendborn* Cameron May

An irreverent guide to terminating a relationship with Mr. Wrong includes a list of do's and don'ts, suggestions for what to say, and ways to handle the aftermath

**Briar Rose** Penguin

An instant classic and eerily prescient cultural phenomenon, from “the patron saint of feminist dystopian fiction” (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the

near future. This is the story of Offred, one of the unfortunate “Handmaids” under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred’s persistent memories of life in the “time before” and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood’s devastating irony, wit, and acute perceptive powers in full force, *The Handmaid’s Tale* is at once a mordant satire and a dire warning.

**A Long Way Down (Movie Tie-In)** Simon and Schuster  
NEW YORK TIMES  
BESTSELLER • Once in a great while, a book

comes along that changes our view of the world. This magnificent novel from the Nobel laureate and author of *Never Let Me Go* is “an intriguing take on how artificial intelligence might play a role in our futures ... a poignant meditation on love and loneliness” (The Associated Press).

• A GOOD MORNING AMERICA Book Club Pick! Here is the story of Klara, an Artificial Friend with outstanding observational qualities, who, from her place in the store, watches carefully the behavior of those who come in to browse, and of those who pass on the street outside. She remains hopeful that a customer will soon choose her. *Klara and the Sun* is a thrilling book that offers a look at our changing world

through the eyes of an unforgettable narrator, and one that explores the fundamental question: what does it mean to love?

### **Dumped for**

### **Valentine's** Lake

Union Publishing

The institutional and legal status of the WTO, with its integrated dispute settlement system, provides a framework for certainty, security and stability for trade as well as a coherent system to protect intellectual property rights. In all member countries and their respective enterprises, WTO regulations need to be considered when designing and implementing trade-related strategies for business operations in the integrated global market. This book aims at giving upper-level

undergraduates and graduate students a comprehensive understanding of the public regulations related to international trade within the WTO mechanism and equip them, as potential policy makers and future practitioners in international trade, with the practical skills to interpret and apply the multilateral trade regulations as outlined by the WTO.

**Thinking French**

**Translation** Penguin

Granada 2006

"Madrilena sighed and breathed in the

evening air. As she did some of the emotion of the discussion with Arancia evaporated. She could hear her tidying and washing up in the kitchen. Arancia would be gone soon, she could feel that. She and Tomas had got engaged a month ago. Was it that which had spurred on this internet thing - was it that simple? She leaned on the iron balustrade. People were beginning to fill the street again after siesta. Snatches of conversations wafted up, with other sounds, footsteps,
