Much Ado About Nothing is a comedic play by William Shakespeare thought to have been written in 1598 and 1599, as Shakespeare was approaching the middle of his career. The play was included in the First Folio, published in 1623. Much Ado About Nothing is generally considered one of Shakespeare's best comedies, because it combines elements of robust hilarity with more serious meditations on honor, shame, and court politics. By means of "noting" (which, in Shakespeare's day, sounded the same as "nothing," and which is gossip, rumour, and overhearing), Benedick and Beatrice are tricked into confessing their love for each other, and Claudio is tricked into rejecting Hero at the altar on the erroneous belief that she has been unfaithful. At the end, Benedick and Beatrice join forces to set things right, and the others join in a dance celebrating the marriages of the two couples.

This is the text of the 1623 printing of the first folio. The original spelling and punctuation are completely intact. I have made two minor changes. First, I have capitalized and spelled out the character names. Bene. Now diuine aire, now is his soule rauisht, becomes BENEDICK. Now diuine aire, now is his soule rauisht. The second change is that I have put the prose lines into prose form. If there was any possibility that a prose line could scan, however awkwardly, I have left the verse-like form of the line as it appears in the folio. Again, the spelling and punctuation of the 1623 first folio text are entirely intact. If you enjoy this copy of *Much Ado About Nothing*, please take a moment to review the book online.

Seminar paper from the year 2000 in the subject English Language and Literature Studies - Literature, grade: 2,4 (B), University of Trier (Faculty II), course: Introduction in English Literature, 11 entries in the bibliography, language: English, abstract: William Shakespeare is said to have written his mature comedy *Much Ado About Nothing* around 1600. The "nominal main plot"1 of the play is about the love affair between Hero and Claudio. Nevertheless, the developing Benedick- Beatrice- liaison, which was rather supposed to be a funny subplot, has a greater effect on the spectators. The scene in Leonato's orchard is important and can be characterized as the decisive point in this context because in the garden, the foundation stone of the love relationship is laid. Therefore, lots of articles and books have been written on this particular scene. In this term paper, I want to find out why the events in the orchard are so fascinating and gripping. 1. Structure of the scene After having instructed a servant to bring him a book, Benedick speaks aloud his thoughts on love. He soliloquises that Claudio has changed his behaviour because he is in love. Benedick is not capable of understanding how a woman can alter the personality of a man in this extent. He swears to himself that love "shall never make (him) such a fool"2. In this monologue, Benedick also presents a list of the qualities which he expects of a perfect woman. These demands seem to be an unreachable aim for he is really hard to please. Benedick puts up high standards as a result of his very distinct self-confidence and pride. His soliloquy is interrupted when Don Pedro, Leonato and Claudio come into the orchard. Benedick wants to avoid the meeting with them by hiding "in the arbour"3. [...] 1 J.R. This Romance Drama is about: Leonato, a kindly, respectable nobleman, lives in the idyllic Italian town of Messina. Leonato shares his house with his lovely young daughter, Hero, his playful, clever

niece, Beatrice, and his elderly brother, Antonio (who is Beatrice's father). As the play begins, Leonato prepares to welcome some friends home from a war. The friends include Don Pedro, a prince who is a close friend of Leonato, and two fellow soldiers: Claudio, a well-respected young nobleman, and Benedick, a clever man who constantly makes witty jokes, often at the expense of his friends. Don John, Don Pedro's illegitimate brother, is part of the crowd as well. Don John is sullen and bitter, and makes trouble for the others. When the soldiers arrive at Leonato's home, Claudio quickly falls in love with Hero. Meanwhile, Benedick and Beatrice resume the war of witty insults that they have carried on with each other in the past. Claudio and Hero pledge their love to one another and decide to be married. To pass the time in the week before the wedding, the lovers and their friends decide to play a game. They want to get Beatrice and Benedick, who are clearly meant for each other, to stop arguing and fall in love. Their tricks prove successful, and Beatrice and Benedick soon fall secretly in love with each other. But Don John has decided to disrupt everyone's happiness. He has his companion Borachio make love to Margaret, Hero's serving woman, at Hero's window in the darkness of the night, and he brings Don Pedro and Claudio to watch. Believing that he has seen Hero being unfaithful to him, the enraged Claudio humiliates Hero by suddenly accusing her of lechery on the day of their wedding and abandoning her at the altar. Hero's stricken family members decide to pretend that she died suddenly of shock and grief and to hide her away while they wait for the truth about her innocence to come to light. In the aftermath of the rejection, Benedick and Beatrice finally confess their love to one another. Fortunately, the night watchmen overhear Borachio bragging about his crime. Dogberry and Verges, the heads of the local police, ultimately arrest both Borachio and Conrad, another of Don John's followers. Everyone learns that Hero is really innocent, and Claudio, who believes she is dead, grieves for her. Leonato tells Claudio that, as punishment, he wants Claudio to tell everybody in the city how innocent Hero was. He also wants Claudio to marry Leonato's "niece"--a girl who, he says, looks much like the dead Hero. Claudio goes to church with the others, preparing to marry the mysterious, masked woman he thinks is Hero's cousin. When Hero reveals herself as the masked woman, Claudio is overwhelmed with joy. Benedick then asks Beatrice if she will marry him, and after some arguing they agree. The joyful lovers all have a merry dance before they celebrate their double wedding.

Shakespeare in Modern English breaks the taboo about Shakespeare's texts, which have long been regarded as sacred and untouchable while being widely and freely translated into foreign languages. It is designed to make Shakespeare more easily understood in the theatre without dumbing down or simplifying the content. Shakespeare's 'As You Like It', 'Coriolanus' and 'The Tempest' are presented

in Macdonald's book in modern English. They show that these great plays lose nothing by being acted or read in the language we all use today. Shakespeare's language is poetic, elaborately rich and memorable, but much of it is very difficult to comprehend in the theatre when we have no notes to explain allusions, obsolete vocabulary and whimsical humour. Foreign translations of Shakespeare are normally into their modern language. So why not ours too? The purpose in rendering Shakespeare into modern English is to enhance the enjoyment and understanding of audiences in the theatre. The translations are not designed for children or dummies, but for those who want to understand Shakespeare better, especially in the theatre. Shakespeare in Modern English will appeal to those who want to understand the rich and poetical language of Shakespeare in a more comprehensible way. It is also a useful tool for older students studying Shakespeare.

Seminar paper from the year 2008 in the subject English Language and Literature Studies - Literature, grade: 2,3, University of Hamburg (IAA), course: Literaturseminar: William Shakespeare: „Much ado about nothing“ , language: English, abstract: Deception and the exploitation of the characters' credulousness are leitmotifs within Shakespeare's play "Much ado about nothing". central theme in the play is trickery or deceit, whether for good or evil purposes. However, the people being deceived are not as unintelligent as one might think at first perception. Most of them have a high social rank and this usually implies that people have access to higher education. This is proved by the character's high command of rhetoric stylistic devices, their expression and the way they phrase their thoughts and feelings. Even Don Pedro, who generally seems to be above everything, can be easily deceived by his bastard brother Don John. The recipient notices this in scene 3.2 when Don John makes them believe that Margret is Hero who has premarital sexual intercourse and thus is infidelous towards Claudio. There are three important forms of deception within the play of which I will inform you in section 2.. Furthermore I will state Don John's character traits, define the villain's function, name his intrigues and how they perfectly work. In the last section I try to explain the reason why it is apparently easy to deceive the fundamentally intelligent characters. On the whole, Shakespeare shows the characters' dealing between appearance and reality and deception and self-deception. Nearly every character of the play is involved in a deception and has to learn to distinguish appearance from reality. Paradoxically, even the most intelligent characters are not excluded. Schabert characterises the appearance and reality theme as follows:
