First and Second Timothy and Titus have for many years borne the collective title *The Pastoral Epistles*." Both their style and their content make it difficult to locate them within the corpus of Pauline letters, and recent scholarship most often considers them pseudonymous, works that imitate Paul's letters but apply the apostle's teaching to the concerns of a later time, two or more decades after Paul's death. The Pastorals differ from Paul's own letters in being addressed to single individuals, coworkers of Paul who have been placed in charge of particular churches 'Timothy apparently in Ephesus, Titus in Crete. They provide instruction for community leaders, both the individual addressees and other leaders whom they will appoint. The specification of certain offices within the local churches is one of the features that appear to locate these works in a later phase of church development. In this commentary Benjamin Fiore, SJ, places the Pastorals in their historical and literary context. The reader will find here a solid introduction to parallel literary forms in Latin and Greek literature and particular descriptions of the way in which these documents use ancient rhetorical forms to achieve their paraenetic and hortatory purpose. Drawing on his parish experience as well as his academic training, Fiore also provides reflections on the contemporary pastoral application of these books, giving readers a renewed appreciation for the "pastoral" label these epistles bear. Benjamin Fiore, SJ, is president and professor of religious studies at Campion College at the University of Regina (Canada). [Discovering Biblical Equality](#) BoD - Books on Demand Updated 2022 Edition This useful guide for church leaders covers all aspects of officer training: call, duties, ethics, the Presbyterian

Constitution, and much more. Congregations will find this resource indispensable for the recruitment and training of effective church leaders. Earl S. Johnson, Jr. has revised this best-selling book to include the new standards from the new Form of Government in the Book of Order

The Ecclesiastical gazette, or, Monthly register of the affairs of the Church of England Reformation Heritage Books

This groundbreaking, first basic reference work on ancient religious beliefs collects and organizes available information on ten ancient cultures and traditions, including Greece, Rome, and Mesopotamia, and offers an expansive, comparative perspective on each one.

A Dictionary of English Church History Forgotten Books

Excerpt from Memorial of Alvin Simonds: Cashier of Mechanics Bank of Boston for Fifty Years, Deacon of Phillips Church of Boston for Thirty-Nine Years In this school work he was as earnest, devoted and faithful as in the performance of all the other duties of life. After a continuous service of twenty years as secretary of the board he was compelled by ill-health to resign the position, which he did in a most interesting letter in which he reviews the work performed by the committee during this long period, and bears strong testimony to its importance and value. The strength of the claim that he felt the duties of this office made upon him and the conscientious manner in which he fulfilled these duties are both evident from the following extract from this letter. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work.

Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Oxford Handbook of Maximus the Confessor Wm. B. Eerdmans Publishing

Paul's Letter to the Romans may well be the most influential book in Christian history. In this Romans commentary Colin Kruse shows how Paul expounds the gospel against the background of God's sovereign action as creator, judge, and redeemer of the world. Valuable "additional notes" on important theological themes and difficult texts -- such as Paul's discussion of same-sex relationships, the salvation of "all Israel," and the woman Junia, who was "well known among the apostles" -- further connect Romans to contemporary issues. Throughout his commentary Kruse expertly guides readers through the plethora of interpretations of Romans, providing a reliable exposition of this foundational epistle.

The author of the Hardy Boys Mysteries was, as millions of readers know, Franklin W. Dixon. Except there never was a Franklin W. Dixon. He was the creation of Edward Stratemeyer, the savvy founder of a children's book empire that also published the Tom Swift, Bobbsey Twins, and Nancy Drew series. The Secret of the Hardy Boys: Leslie McFarlane and the Stratemeyer Syndicate recounts how a newspaper reporter with dreams of becoming a serious novelist first brought to life Joe and Frank Hardy, who became two of the most famous characters in children's literature. Embarrassed by his secret identity as the author of the Hardy Boys books, Leslie McFarlane admitted it to no one—his son pried the truth out of him years later. Having signed away all rights to the books, McFarlane never shared in the wild financial success of the series. Far from being bitter, however, late in life McFarlane took satisfaction in having helped introduce millions of children to the joys of reading. Commenting on the longevity of the Hardy Boys series, the *New York Times* noted, "Mr. McFarlane breathed originality into the Stratemeyer plots, loading on playful detail." Author Marilyn Greenwald gives us the story of McFarlane's life and career, including for the first time a compelling account of his writing life after the Hardy Boys. A talented and versatile writer, McFarlane adapted to sweeping changes in North American markets for writers, as pulp and glossy magazines made way for films, radio, and television. It is a fascinating and inspiring story of the force of talent and personality transcending narrow limits.

General Instruction of the Roman Missal B&H Publishing Group

The office of deacon is God's gift to His church, but today it is often undervalued, misunderstood, and perceived to be of little importance. In *The Deacon*, the author considers the Old Testament background for this calling, the deacon in New Testament times and in church history, and the current function of the office. You will rediscover the high and privileged calling of deacons and come to a better understanding of what God requires of them. Table of Contents: Part 1—The Old Testament Background 1. The Poor in Israel 2. Providing for the Poor Part 2—New Testament Times 3. Christ's Teaching on the Poor and Needy 4. Ministering to the Poor in Acts 6 5. The Office of Deacon 6. Female Deacon? Part 3—The Office of Deacon in the History of the Church 7. The Testimony of the Early Church and the Heritage

of the Reformation 8. Women and the Diaconate Part 4—The Current Functioning of the Office 9. The Official Position of the Deacon Today 10. Enabling and Prioritizing 11. The Diaconal Ministry within the Congregation 12. The Diaconal Ministry outside the Congregation 13. The Blessing of the Poor Summary of Operations, Labor-Management Reporting and Disclosure Act Harvard University Press

Divided opinion on the topic of this book has caused controversy in Baptist history and life. Most Baptist individuals and churches have strongly opposed women deacons. Some Baptist associations have even disfellowshipped churches that have approved women deacons. And women in general have been suppressed by many recent actions of the Southern Baptist Convention, thereby affecting women deacons. However, thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions. The book presents arguments on both sides of the topic, but lands squarely in support of women deacons.

Deacons: The diakon-word group in the New Testament and the ministry of the deacon JHU Press

Discussions surrounding the roles of men and women—whether in the church, the home or society at large—never seem to end, often generating more heat than light. Such debate is still important, though, because this issue directly affects every member of Christ's body. What we believe the Bible teaches on these matters shapes nearly all we do in the church. In addition, these questions deserve further thought and reflection because neither side has won the day. In an effort to further discussion, Ronald W. Pierce and Rebecca Merrill Groothuis (general editors), with the aid of Gordon D. Fee (contributing editor), have assembled a distinguished array of twenty-six evangelical scholars firmly committed to the authority of Scripture to explore the whole range of issues—historical, biblical, theological, hermeneutical and practical. While dispelling many of the myths surrounding biblical equality, they offer a sound, reasoned case that affirms the complementarity of the sexes without requiring a hierarchy of roles. Contributors include Ruth A. Tucker, Janette Hassey, Richard S. Hess, Linda L. Belleville, Aída Besançon Spencer, Craig S. Keener, I. Howard Marshall, Peter H. Davids, Walter L. Liefeld, Stanley J. Grenz, Kevin Giles, Roger Nicole, William J. Webb, Sulia Mason, Karen Mason, Joan Burgess Winfrey,

Judith K. Balswick, Jack O. Balswick, Cynthia Neal Kimball, Mimi Haddad, Alvera Micklesen, R. K. McGregor Wright and Alice P. Mathews. Here is a fresh, positive defense of biblical equality that is at once scholarly and practical, irenic and yet spirited, up-to-date and cognizant of opposing positions.

Foundations for the Renewal of the Diaconate InterVarsity Press Grouped by type in 23 chapters, with as many as 30 models per section, these letters deal with real-life situations nearly everyone faces sooner or later. Just change a few words to add your own original touch, and any one of these letters is ready to mail.

The Last of the Heretics USCCB Publishing

If you ask any pastor what keeps their church moving forward, they will likely point to the serving work of the deacon. These special men are the foundation of healthy churches because of their unique servant leadership role, no matter the church size. Typically, they visit the homebound and the sick as they care and pray for those in need. Seeing the actions of these servants assists aspiring deacons in understanding what a deacon does, but it does not equate to understanding what a deacon is. Through this book, Alan Witham, Steve Rice, and their teammates bring clarity to the role of deacon by providing a practical guide that serves as *The Deacon Ministry Handbook*. The authors bring decades of local church experience having served as deacons, pastors, and consultants.

Religions of the Ancient World McGill-Queen's Press - MQUP

This book is a highly readable, comprehensive study that has established itself as the definitive work on the diaconate. Drawing upon original sources, the book provides valuable insights into the development of the office of the deacon in the early church and situates it within the context of the church's total ministry. Dr. Barnett contends that a radical change in the nature and understanding of the church's ministry took place in the fourth century. A ministry that had included the whole people of God in a horizontal, organic structure gave way to one that was clerical and hierarchical. This change, among other factors, eventually transformed the diaconate into an inconsequential, transitional office on the way to the priesthood. Responding to the present-day revival of the diaconate in the Roman Catholic, Episcopal, Lutheran, and other churches, Barnett calls for a restoration of the office to its original place as full and equal order, thus re-creating the great symbol of the servant ministry that Christ gave

to all the church. James Monroe Barnett, now living in retirement in Omaha, is the former rector of Trinity Episcopal Church, Norfolk, NE.

Not only the first of the letters but probably the earliest extant composition of Jerome (c. 370 a.d.). Innocent, to whom it is addressed, was one of the little band of enthusiasts whom Jerome gathered round him in Aquileia. He followed his friend to Syria, where he died in 374 a.d. (See Letter III., 3.)

Complete Book of Effective Personal Letters A&C Black

Maximus the Confessor (c.580-662) has become one of the most discussed figures in contemporary patristic studies. This is partly due to the relatively recent discovery and critical edition of his works in various genres, including *On the Ascetic Life*, *Four Centuries on Charity*, *Two Centuries on Theology and the Incarnation*, *On the 'Our Father'*, two separate *Books of Difficulties*, addressed to John and to Thomas, *Questions and Doubts*, *Questions to Thalassius*, *Mystagogy* and the *Short Theological and Polemical Works*. The impact of these works reached far beyond the Greek East, with his involvement in the

western resistance to imperial heresy, notably at the Lateran Synod in 649. Together with Pope Martin I (649-53 CE), Maximus the Confessor and his circle were the most vocal opponents of Constantinople's introduction of the doctrine of monothelism. This dispute over the number of wills in Christ became a contest between the imperial government and church of Constantinople on the one hand, and the bishop of Rome in concert with eastern monks such as Maximus, John Moschus, and Sophronius, on the other, over the right to define orthodoxy. An understanding of the difficult relations between church and state in this troubled period at the close of Late Antiquity is necessary for a full appreciation of Maximus' contribution to this controversy. The editors of this volume aim to provide the political and historical background to Maximus' activities, as well as a summary of his achievements in the spheres of theology and philosophy, especially neo-Platonism and Aristotelianism.

Selected to Serve, Updated Second Edition USCCB Publishing
From USCCB Publishing, this revision of the General Instruction of the Roman Missal (GIRM) seeks to promote more conscious, active, and full participation of the faithful in the mystery of the Eucharist. While the *Missale Romanum* contains the rite and prayers for Mass, the GIRM provides specific detail about each

element of the Order of Mass as well as other information related to the Mass.

Summary of Operations Prentice Hall Press

Deacons:The diakon-words in the New Testament and the ministry of the deacon offers an in depth analysis of the concept of 'deacon' in the New Testament and its significance for present day congregational practices. The essence and content of the service of the deacon within the community of God forms the focus of the study. Significant passages in the New Testament are considered in fine exegetical manner to determine the guidelines offered within the context of these NT texts. In this way different perspectives are highlighted that enrich the overall understanding of the concept of 'deacon'. Obviously, this challenges some of the views held on this topic (that even influence the way several churches organise their diaconal service) and suggests some novel ideas related to the topic. Certain focal points are described, for instance, the centrality of the covenant and Kingdom in exercising diaconal service, or the interrelatedness of koinonia, diakonia and worship. This book offers a rich and responsible study of the concept of deacons in congregations, both on theoretical and practical levels. Prof Dr Jan van der Watt
