Frommer's Complete Guides are packed with dazzling photos and detailed, opinionated and honest reviews, giving you the low-down on what's worth your trip and what's not. The destinations are broken down into easy to navigate sections and include a full size pull out map to help you plan the perfect trip.

Cook's Handbook to the Health Resorts of the South of France, Riviera, and Pyrenees ... Hunter Publishing, Inc

Each book in this highly-respected series offers a selection of the finest -- but not necessarily the most expensive -- lodgings, most shown in high-quality color photos. These are the special places you dream of, but seldom find, including small B&Bs, grand chateaux, historic old homes and rustic lodges. Over 250 are profiled in each pocket-size book, with candid evaluations on everything from service and level of privacy to amenities. Colorful descriptions allow you to get a real feel for each place. Practical information (telephone number, address, price scale, pet policies and seasonal opening times) are given in an easy-to-read format.Need a break? Book a room at the Schiff, a wayside inn along the shores of a lake. History buffs should head for the medieval town of Stein am Rhein and stay at Rheinhaels, an ancient hostelry at the foot of a bridge. Many wintersports hotels are profiled.

The Rough Guide to Switzerland National Geographic Books

Franzosisch und Englisch beschrieben.

Michelin Switzerland Hotel & Restaurant Red Guide French & European Publications Incorporated From bustling Zurich to the Swiss capital of Bern, from the Matterhorn in Zermatt to the Italian-speaking canton of Ticino in the south, National Geographic Traveler: Switzerland guides you to the better- and lesser-known sights of this pristine European country. In between, you'll discover the cultural and natural treasures--including hundreds of museums, architectural masterpieces, parks, and lakes--Switzerland has to offer. Among the special features of National Geographic Traveler: Switzerland are sidebars detailing experiences throughout the country, to make sure that you get to know the culture, and the people, inside and out. You can learn about Swiss watchmaking in Biel, for example, make your own Swiss chocolate at a culinary workshop, and find the best local designers' clothing in Zurich. Insider tips, in addition, provided by an array of National Geographic experts--photographers, writers, and grantees who have spent significant time in Switzerland--direct you to favorite restaurants, festivals, and other information that only locals know. Guided walks and drives are always a popular feature in our guides, and in National Geographic Traveler: Switzerland, these include a drive across the famous Great St. Bernard Pass, a hike through Appenzellerland and the Lake Constance region, and a walk from Sugiez to M tier through the countryside during grape harvest. To top it off, an extensive Travelwise section at the back of the guide provides hand-picked hotels and restaurants, tour recommendations, and a glossary that covers must-know words.

Make the most of your holiday with The Rough Guide to Switzerland

Michelin Red Guide Swiss 2003 Michelin Travel Publications

The Swiss wine industry is waking up to a new challenge: to raise the competitiveness of its wines, which has been eroded by the general strength of the country's currency during the first half of the 1990s and is becoming ever more evident as the liberalisation of the country's trade regime is taking hold. This report brings together material on the vital issues shaping the future of the Swiss wine market. After a brief look at the country's socio-economic situation, consumption patterns are reviewed. The market for reds and for whites is then examined. Much of the emphasis is laid on imports, which have hardly been looked at to date. A look at distribution channels shows how wines reach final consumers. A handy who's who of negociants-importers is supplied. Finally, Pierre Spahni provides a review of the most recent policy changes and looks ahead at those planned for up until 2001- and beyond. The report is aimed at a foreign readership primarily - not just exporters seeking to gain a better knowledge of this major market but also for economists, lawyers and civil servants interested in the wine sector and those dealing with Swiss trade issues in general.
