As time went by and I was about to turn fifty, I could only take three or four days off at the most. I have learned to use this as an excuse to "buy time with money". It sounds poetic, but it's just a fixed way of thinking that makes you give up on the details and hassles which you may encounter. It stuck in my mind like a fatty piece of meat does to your belly and finally, I couldn't get rid of it. But what do I do with the time I have saved? The answer is "nothing special". The author, Shinji Yoshikawa, has been a

company employee for 25 years and realized with 50 knocking on the door, that he had never traveled alone since he became a family man, and lived and journeyed with his wife and daughters. But during the Christmas holiday in 2018, he got 4 consecutive days off from his hardworking time in a Mexican-Japanese company. A rare treat indeed. The destination he chose was "Evergreen Ranch" in Chiapas, Mexico, where travelers mainly from Europe and North America are competing for booking one of their only two rooms. Do you need radio waves, schools, or sophisticated infrastructure to enjoy life? Did you ever imagine how horses would react to your words? What is your priority when you travel? These are some of the questions you encounter when you dive into the whole story. This travelogue depicts the entire experience of spending time at a guesthouse with a perfect TripAdvisor rating.

This devotional is the product of a deep-seated desire to place in the hands of readers a unique material that meets the needs of youths, middle-aged and the elderly. This book meets your needs today, is entirely practical just as it is entirely scriptural. In terms of arrangement, it starts by reminding the reader of the Lord's Prayer. Unlike most devotionals, it has table of contents that tells the reader the topics, dates and pages where the subjects are treated for the entire year; the reader can go to a topic of interest and read it before or after the date. Moreover, there is no assigned year, making it valid any year. You can purchase it on any day of the year, start using it and get back to that date the following year. Topics are taken from Genesis to Revelation. Bible passages averagely stay within fifteen verses, with depth of contents even when just one verse is studied. The icing on the cake consists of four feature articles and ten word-search puzzles. The titles of the feature articles include: The Youth: The Errors of Rachel; Trust; and Challenges and Fulfilment of The Elderly. They cover interesting areas on youths, women, children and the

elderly, respectively. The ten puzzles are for your exercise. Even readers completely unfamiliar with the Bible are welcome as the this 'study-devotional' meets everyone's heartfelt needs.

UNDIVORCED, is an interesting biographical portrayal of Paarthiv from Kashmir, in the early fifties of the last century. He was transferred by his employer to Calcutta, only after three months

of his marriage; much to the utter displeasure of the new weds then, of course for the obvious reasons. As ill luck would have it, he lost his job there, for whatever reasons and went penniless. He was neither able to return back home, nor was he able to sustain his living as a stranger to the city there, unfamiliar to him in every respect, including the ethnic language for communication. . But being an embodiment of confidence and courage, he fought his way to rise from destitution to an enviable affluence, and came to be regarded as one of the most charismatic alien celebrities of the place, known otherwise for its orthodox civility. However, in the world of audacious society there, he stayed alienated from his wife, who had given birth to his son, only about six months of his departure from his home. The couple remained alienated and estranged from each other for sixteen long years. Then the happy rendezvous of the family took place, through a fateful coincidence, brought about by Parijat, the mentor of their son, interestingly personified by the author himself. The period that followed is an absorbing description of funny incidents, superstition, travels to places, atonement, teen-age romance and a saga of highs and lows, offered by the life in many wishful and weird ways. The novel establishes the fact of life as: "A Spectacle of Characters, Episodes and Scenes -Scripted by Destiny", which makes it a very interesting read.
