Jean-Michel Basquiat Handbook University of California Press
An exploration of a formative chapter in Basquiat's brief career through the lens of his identity and the role of cultural activism in New York City during the early years of the 1980s Jean-Michel Basquiat painted Defacement (The Death of Michael Stewart) in 1983 to commemorate the death of a young, black artist who died from injuries sustained while in police custody after being arrested for allegedly tagging a New York City subway station. Published to accompany a focused exhibition of Basquiat's response to anti-black racism and police brutality, this catalogue explores a chapter in the artist's career through both the lens of his identity and the Lower East Side as a nexus of activism in the early 1980s. With an introduction by Chaédria LaBouvier, Nancy Spector, and Joan Young, and an essay by Johanna F. Almiron are supplemented by commentary from artists, activists, and other cultural figures who were part of this episode in the city's history, which invokes today's urgent conversations about state-sanctioned racism. Ephemera related to Stewart's death, including newspaper clippings and protest posters, and samples of artwork from Stewart's estate are also featured along with paintings and prints made by other artists from Keith Haring, Andy Warhol, David Hammons, in response to Stewart's death. *Basquiat-isms* National Geographic Books
Jean-Michel Basquiat Handbook navigates readers through the art, iconography, and history of American artist Jean-Michel Basquiat (1960-1988). One of the first African American artists to reach international stature and wealth in the art world, Basquiat was celebrated for his fusion of multicultural symbols, social commentary, and distinctive graphic style. He has been the subject of numerous exhibitions across the globe, and his work is included in the collections of the Museum of Modern Art, New York, the Whitney Museum of American Art, New York, the Broad Contemporary Art Museum, Los Angeles, Centre Pompidou, Paris, Museo Guggenheim, Bilbao, MOCA Grand Avenue, Los Angeles, and the High Museum of Art, Atlanta, among many others. Compelling, informative, and accessible, Jean-Michel Basquiat Handbook provides an insightful window into the world of one of the most important and influential artists of the 20th century. **Jean-Michel Basquiat** ABRAMS
"Accompanying a major traveling exhibition, this first-ever survey of the rarely seen notebooks of Basquiat features the artist's handwritten notes, poems, and drawings, along with related works on paper and large-scale paintings. With no formal training, Jean-Michel Basquiat (1960-1988) succeeded in developing a new and expressive style to become one of the most influential artists in the postmodern revival of figurative during the 1980s. In a series of notebooks from the early to mid-1980s, never before exhibited, Basquiat combined text and images reflecting his engagement with the countercultures of graffiti and hip-hop in New York City, as well as pop culture and world events. Filled with handwritten texts, poems, pictograms, and drawings, many of them iconic images that recur throughout his artwork-teepees, crowns, skeleton-like silhouettes, and grimacing masks-and these notebooks reveal much about the artist's creative process and the importance of the written word in his aesthetic. With over 150 notebook pages and numerous drawings and paintings, this important book sheds new light on Basquiat's career and his critical place in contemporary art history."--
Jean-Michel Basquiat Princeton University Press
Born in Brooklyn in 1960, Jean-Michel Basquiat lived to the age of only twenty-seven. His meteoric career as an artist had lasted no more than eight years. The one-time teenage runaway and high-school dropout was first included in a group exhibition in 1980, and almost immediately knew considerable success, enjoying his first solo exhibition just two years later. Basquiat quickly became a notable figure on the international art scene, mixing with dealers and artists. Among these was Andy Warhol, with whom he established a close working relationship. "Borrowing from graffiti and street imagery, cartoons, mythology and religious symbolism, Basquiat's drawings and paintings explore issues of race and identity, providing social commentary that is both shrewdly observed and biting. Characterized by their intensely personal nature and the raw, almost aggressive handling of paint, these works have an enduring power to move and to confound." "Viewing the heady world of the 1980s art scene from the beginning of a new century, we are able to look at Basquiat's

achievements with increasing objectivity. Rather than explore his persona, this book aims to demonstrate the lasting quality of Basquiat's work itself, as well as its uniqueness within modern art. It strives not only to reevaluate his principal works, but also to explain Basquiat's continuing interest as a major painter **Basquiat** Guggenheim Museum Publications
Reuniting eight key Basquiat works that mark the graffiti artist's transition to painterly autonomy This catalog focuses on eight paintings by Jean-Michel Basquiat made in the summer of 1982, when he traveled to Modena, Italy, for one of his first solo exhibitions in Europe at the gallery of Emilio Mazzoli. Within the span of just a few days, Basquiat painted a group of large-format paintings that surpassed his previous work in both scale and method. Each measuring around 6.5 by 13 feet, these works mark Basquiat's transition from creating graffiti in the streets of Manhattan to painting on canvas. The conception and occasion of the exhibition ultimately proved fraught, and instead of conceding to pressure and expectations, Basquiat canceled the show. The paintings-including masterpieces that today are considered pivotal and among the most outstanding of his oeuvre-have never been shown together. This catalog revisits this crucial moment of Basquiat's career and reunites them for the first time. Jean-Michel Basquiat (1960-88) grew up in Brooklyn. Notoriety came early, from his street paintings made under the tag SAMO. Later he stormed the gallery world, and became an icon of New York's vibrant early-'80s downtown scene, a friend to and collaborator with Andy Warhol and Francesco Clemente, and the cover boy for a 1985 New York Times Magazine story on the new art market. He died following a heroin overdose at 27.

Jean-Michel Basquiat Drawing Univ of California Press
A New York Times Notable Book: This national bestseller is a vivid biography of the meteoric rise and tragic death of art star Jean-Michel Basquiat Painter Jean-Michel Basquiat was the Jimi Hendrix of the art world. In less than a decade, he went from being a teenage graffiti artist to an international art star; he was dead of a drug overdose at age twenty-seven. Basquiat's brief career spanned the giddy 1980s art boom and epitomized its outrageous excess. A legend in his own lifetime, Basquiat was a fixture of the downtown scene, a wild nexus of music, fashion, art, and drugs. Along the way, the artist got involved with many of the period's most celebrated personalities, from his friendships with Keith Haring and Andy Warhol to his brief romantic fling with Madonna. Nearly thirty years after his death, Basquiat's story—and his art—continue to resonate and inspire. Posthumously, Basquiat is more successful than ever, with international retrospectives, critical acclaim, and multimillion dollar sales. Widely considered to be a major twentieth-century artist, Basquiat's work has permeated the culture, from hip-hop shout-outs to a plethora of products. A definitive biography of this charismatic figure, *Basquiat: A Quick Killing in Art* is as much a portrait of the era as a portrait of the artist; an incisive exposé of the eighties art market that paints a vivid picture of the rise and fall of the graffiti movement, the East Village art scene, and the art galleries and auction houses that fueled his meteoric career. Basquiat resurrects both the painter and his time.

Basquiat and the Bayou National Geographic Books
A collection of essential quotations and other writings from artist and icon Jean-Michel Basquiat One of the most important artists of the late twentieth century, Jean-Michel Basquiat explored the interplay of words and images throughout his career as a celebrated painter with an instantly recognizable style. In his paintings, notebooks, and interviews, he showed himself to be a powerful and creative writer and speaker as well as image-maker. *Basquiat-isms* is a collection of essential quotations from this godfather of urban culture. In these brief, compelling, and memorable selections, taken from his interviews as well as his visual and written works, Basquiat writes and speaks about culture, his artistic persona, the art world, artistic influence, race, urban life, and many other subjects. Concise, direct, forceful, poetic, and enigmatic, Basquiat's words, like his art, continue to resonate. Select quotations from the book: "I cross out words so you will see them more; the fact that they are obscured makes you want to read them." "I think there are a lot of people that are neglected in art, I don't know if it's because of who made the paintings or what, but, um . . . black people are never really portrayed realistically or I mean not even portrayed in modern art." "Since I was 17, I thought I might be a star." "The more I paint the more I like everything." "I think I make art for myself, but ultimately I think I make it for the world."

Jean-Michel Basquiat Bloomsbury Publishing USA

"This major undertaking represents the first full-scale, single-author study of Basquiat's art. The book focuses on all major themes and subjects of both paintings and works on paper. Having been intimately familiar with Basquiat's work for over 35 years, Fred Hoffman has now undertaken in-depth analysis and interpretation of over 150 works by the artist. The author brings to light many historical and cultural sources and traditions informing Basquiat's work; as well as the artist's relationship to important modernist painters including Picasso, Matisse, De Kooning, Rauschenberg and Warhol. This book introduces significant new information on Basquiat's life and art. For the first time, the author shares many previously unknown facts and stories about the artist." -- Publisher's website.

Basquiat No More Rulers

Complete survey of the work of JeanMichel Basquiat with more than 270 illustrations.

Writing the Future Bulfinch Press

Jean-Michel Basquiat died in 1988 at the age of 27 after a decade spent in pursuit of life and art. The drawings in this book, published to coincide with The Whitney Museum of American Art's major retrospective of Basquiat's painting, capture all the energy, excess and conflict of the 1980s.

Words are All We Have Hatje Cantz

How hip-hop culture and graffiti electrified the art of Jean-Michel Basquiat and his contemporaries in 1980s New York In the early 1980s, art and writing labeled as graffiti began to transition from New York City walls and subway trains onto canvas and into art galleries. Young artists who freely sampled from their urban experiences and their largely Black, Latinx and immigrant histories infused the downtown art scene with expressionist, pop and graffiti-inspired compositions. Jean-Michel Basquiat (1960-88) became the galvanizing, iconic frontrunner of this transformational and insurgent movement in contemporary American art, which resulted in an unprecedented fusion of creative energies that defied longstanding racial divisions. Writing the Future features Basquiat's works in painting, sculpture, drawing, video, music and fashion, alongside works by his contemporaries--and sometimes collaborators--A-One, ERO, Fab 5 Freddy, Futura, Keith Haring, Koolhaas, LA2, Lady Pink, Lee Quiñones, Rammellzee and Toxic. Throughout the 1980s, these artists fueled new directions in fine art, design and music, reshaping the predominantly white art world and driving the now-global popularity of hip-hop culture. Writing the Future, published to accompany a major exhibition, contextualizes Basquiat's work in relation to his peers associated with hip-hop culture. It also marks the first time Basquiat's extensive, robust and reflective portraiture of his Black and Latinx friends and fellow artists has been given prominence in scholarship on his oeuvre. With contributions from Carlo McCormick, Liz Munsell, Hua Hsu, J. Faith Almiron and Greg Tate, Writing the Future captures the energy, inventiveness and resistance unleashed when hip-hop hit the city.

Jean-Michel Basquiat: The Iconic Work Rizzoli Publications

This landmark volume tells the story of Jean-Michel Basquiat from the intimate perspective of his family, intertwining his artistic endeavors with his personal life, influences, and the times in which he lived, and features for the first time work from the Estate's largely unseen and significant collection of paintings, drawings, sketches, and ephemera. Organized by the family of Basquiat, the exhibition and accompanying catalogue feature over 200 never before and rarely seen paintings, drawings, ephemera, and artifacts. The artist's contributions to the history of art and his exploration into our multi-faceted culture--incorporating music, the Black experience, pop culture, African American sports figures, literature, and other sources--are showcased alongside personal reminiscences and firsthand accounts providing unique insight into Basquiat's creative life and his singular voice that propelled the social and cultural narrative that continues to this day. Structured around key periods in his life, from his childhood and formative years, his meteoric rise in the art world and beyond, to his untimely death, the book features in-depth interviews with his surviving family members. *Jean-Michel Basquiat* Little, Brown Books for Young Readers
The artist's most inspired works in one volume. Jean-Michel Basquiat—artist and art world provocateur—took New York City by storm with his powerful and complex works that relentlessly engaged with charged sociopolitical issues, including race, police brutality, and structural inequity. In this important volume, devoted to an exhibition at the Brant Foundation in their newly opened Manhattan outpost featuring the artist's key works, Basquiat's art returns to its East Village roots, contextualized for

the first time in decades in the very neighborhood that served as one of his greatest inspirations. Dieter Buchhart, noted Basquiat scholar and curator, brings together one hundred of the artist's most important works, focusing on the best examples of the many subjects that informed Basquiat's work, from jazz, anatomy, sports figures, comics, classical literature, the African diaspora, and art history. The exhibition partially restages three of the artist's critical early shows, including an exhibition of the artist's paintings and drawings of heads at Robert Miller Gallery; his most important canvases from Gagosian Gallery's 1982 show in Los Angeles; and Basquiat's solo show at Fun Gallery in the East Village. Buchhart also considers in-depth the artist's so-called stretcher bar paintings, in which the normally hidden wooden supports for stretched canvases are exposed, works that have yet to be explored at length by scholars. In so doing, Buchhart offers a critical assessment of the enduring importance and legacy of the artist's work. © Estate of Jean-Michel Basquiat. Licensed by Artestar, New York.

Jean-Michel Basquiat Rizzoli Publications

The beautifully written, deeply affecting story of Jean-Michel Basquiat's partner, her past, and their life together An NPR Best Book of the Year Selection New York City in the 1980s was a mesmerizing, wild place. A hotbed for hip hop, underground culture, and unmatched creative energy, it spawned some of the most significant art of the 20th century. It was where Jean-Michel Basquiat became an avant-garde street artist and painter, swiftly achieving worldwide fame. During the years before his death at the age of 27, he shared his life with his lover and muse, Suzanne Mallouk. A runaway from an unhappy home in Canada, Suzanne first met Jean-Michel in a bar on the Lower East Side in 1980. Thus began a tumultuous and passionate relationship that deeply influenced one of the most exceptional artists of our time. In emotionally resonant prose, award-winning author Jennifer Clement tells the story of the passion that swept Suzanne and Jean-Michel into a short-lived, unforgettable affair. A poetic interpretation like no other, *Widow Basquiat* is an expression of the unrelenting power of addiction, obsession and love.

Jean-Michel Basquiat and the Art of Storytelling Brooklyn Museum of Art

The first book on the drawings and works on paper of this legendary cult artist. Published on the occasion of an exhibition of the same name, *Jean-Michel Basquiat Drawing* is the first book on the Schorr Collection of Basquiat's works on paper. Jean-Michel Basquiat (1960–1988) was barely out of his teens when he rocketed to the center of New York's art scene; he was 27 when he died of a heroin overdose. A friend of Keith Haring and Andy Warhol, and always controversial, Basquiat is now established as a major contemporary painter whose unique work continues to enthrall. Herbert and Lenore Schorr began collecting the work of Basquiat in 1981, before his first New York exhibition. During the artist's seminal years of 1982–83, the Schorrs acquired several of his most important paintings, but in contrast to virtually every other early collector, the Schorrs also pursued and acquired a great number of works on paper both directly from the artist and from his first dealer. Their collection demonstrates the focus and ambition that the artist invested in the medium of drawing.

Part of the bestselling Little People, Big Dreams series, Jean-Michel Basquiat tells the inspiring story of this pioneering American artist.

Jean-Michel Basquiat Rizzoli Publications

This exciting, color-filled retrospective monograph offers new insights into Basquiat's unique visual language and helps illuminate messages about political and social issues that feel as urgent today as they did a half-century ago. Jean-Michel Basquiat's symbolic, complex, and often emotionally charged work made a huge impact on the 1980s downtown New York City art scene. And though his all-too-brief career ended when he died at age 27, Basquiat left behind an enormous legacy—not only in the number of works he produced, but also in the messages he encoded around political, social, racial, and cultural issues. This exciting book shows how Basquiat used an intricate network of signs and symbols to challenge the very system that made him a darling of the art world. It traces his inspiration from cartoons, children's drawings, and advertising as well as his own Haitian and Puerto Rican heritage; discusses the influence of African-American, African, and Aztec cultural histories; and shows how Basquiat incorporated into his work classical themes and

contemporary icons—from athletes to musicians. What becomes clear is how, even as a young man, Basquiat had a profound understanding of the artist's role in art history, and of his unique position as a young Black artist in a world of racism, suppression and social injustice. This book helps readers decode Basquiat's unique lingua franca, an intoxicating body of work brimming with social commentary that was in turns incisive, angry, comic, hip, and heartbreaking, and that remains powerful and meaningful today.
