After receiving the Lord Jesus Christ as Lord and savior, author Geneva M. Hunter was called to the ministry of intercession. A passionate worshiper of the Lord, prayer warrior, and intercessor who strongly believes in prayer, she takes the mandate from God to pray very seriously. In *Unleashing the Hidden Warriors*, Hunter shows how and why God is calling all prayer warriors and intercessors to rise to the next level in the spirit for such a time as this. She:

- reveals to the church and to the world the unique attributes that intercessors possess and use in the kingdom;
- discusses why we are witnessing the hostile takeover of the world by demonic forces at breakneck speed;
- identifies God's elite force of intercessory prayer warriors who have been in training for a time like this;
- unveils the gifts and weapons with which God has endowed us for this season and will be released; and
- teaches us how to strategically use our gifts as we go to a place in him we have not experienced before.

*Unleashing the Hidden Warriors* communicates that we are being summoned by God to take up our weapons for the spiritual war being waged on God's people and the world. At the same time, God is casting a spiritual net for the ones who believe they have been forgotten by both God and man.

In this book, Andrew Murray skillfully takes us into Jesus' school of prayer. The book was written over a hundred years ago, but because it is completely biblical, it is also completely timeless. However, to make the truths that it contains more accessible, the book's original language has been updated to make it more clearly understood by modern readers. Here is an excerpt. "The Father waits to hear every prayer of faith, to give us what we determine, and what we ask in Jesus' name. We have become so accustomed to limit the wonderful love and the large promises of our God that we cannot read the simplest and clearest statements of our Lord without the qualifying clauses by which we hedge them in and explain them away. If there is one thing I think the church needs to learn, it is that God intends for prayer to be answered, and that it has never entered the human mind what God will do for his child who devotes himself to believe that his prayer will be heard. God hears prayer. This is a universally acknowledged truth. But very few understand the meaning, or experience the power of it. If what I have written stirs my readers to read Jesus' words, and take his amazing promises simply and literally as they are written, my objective will have been achieved." The book is written in 31 short chapters, making it perfect to use as devotional material.
