transitions of characters moving between youthful folly and a precarious adulthood. In the title story, immigrant workers with varying ambitions work at a Wendy's in wintry Cape Cod. Sharing one house, they must also share, or rather compete for, bicycles—crucial transportation—which are in short supply. In other stories, a young man caught between a

broken family and political violence befriends an aged gorilla in a Nairobi zoo; a pastor struggles to come to terms with the arrest of his brother, who is suspected of terrorism; and a dissolute bank employee on a serious bender returns to work to face a review board. The Cape Cod Bicycle War and Other Stories is Billy Kahora's long-awaited debut collection. Stories in this volume have appeared in

Granta and McSweeney's and have been shortlisted for the Caine Prize for African Writing. *Chase's Calendar of Events 2023* Independently Published Voices of The Mayflower tells the story of a handful of religious fanatics, brave souls, crooks and cowards who sailed from Europe to New England 400 years ago - some in pursuit of religious freedom but most

adventurers in the quest for riches. The narrative begins in 1602 six years before a small band known as Separatists flee persecution in England for the Netherlands. Exile is a painful disappointment but, undaunted, they sail the Atlantic in a rickety ship used for the Bordeaux wine trade to a world where they hope to create a perfect community. Half of them die within

weeks of landing in New England. For the rest, there is nothing but a heroic struggle to survive famine, plague, 'savages and wild lions'. They are cheated by their London backers and betrayed and almost bankrupted by one of their own. They confound their reputation as God-fearing folk by ruthlessly beheading a Native American chief. We share moments of

love and loyalty - though most marriages are matters of cold convenience. There are stories of idealism and sacrifice but this is not a warm saga of 'pilgrims' living in saintly perfection; some are guilty of greed, duplicity and even murder. This is the story of The Mayflower and the voyage that changed the world. [Fodor's Essential Ireland 2020](#) Wall

Publishing Long recognized as a classic of American nature writing. This chronicle of a solitary year spent on a Cape Cod beach was written in longhand at the kitchen table, in a little room overlooking the North Atlantic and the dunes. In 1964, the Cape Cod house was officially proclaimed a National Literary Landmark. In 1978, a massive winter storm swept it off its

foundation and out to sea. *The Yachtsman's Annual Guide and Nautical Calendar* Parnassus Press (IL) It's another new year celebrating everything under the Sun, including the Moon, with The Old Farmer's Almanac, America's oldest continuously published periodical! Always timely, topical, and distinctively "useful, with a pleasant degree of humor," the

Almanac has been beloved for centuries by people from all walks of life. As the nation's iconic calendar, the 2020 edition will forecast cultural, culinary, and other life-changing trends; preview notable astronomical events; provide time- and money-saving tips for gardeners of all varieties; set the hook for best fishing days; forecast traditionally 80 percent-accurate weather; and

cover a range of related topics, including anniversaries, folklore, husbandry, home remedies, recipes, amusement, contests, and more--too much more to mention--all in the inimitable way it has done since 1792.
